Lehigh University

Associate Member Program

Spring 2017
Foreword

Section 1: Statement of Purpose

“I will strive for academic achievement and practice academic integrity.”
-Expectation Number 1

Delta Chi at Lehigh University strives to continually advance the appreciation and understanding of intellectual development. The First Expectation of Delta Chi is learned by all brothers through the Associate Member Process and the key to this expectation is effort. Our brotherhood continually challenges itself by pursuing some of the most difficult majors on campus. Failure is not something that should be a deterrent but another opportunity for development. Disappointment may come to each individual but it is the strength of one’s character and their commitment to continual development that demonstrates how much one learns. Our brotherhood prides itself on continually pursuing new challenges in our careers here at Lehigh while developing as individuals and developing our fraternity on this campus.

Section 2: Mission

The Associate Member Program exists to achieve these three main goals through the following activities outlined below: 1) Teach, to the best of the chapter’s ability, Associate Members to be productive active members of Lehigh Delta Chi. 2) Give the Associate Members the opportunity to get to know one another. 3) Give the Brothers the opportunity to get to know the Associate Members and be prepared to have them join the chapter as one cohesive brotherhood.

Section 3: The Associate Member Bill of Rights

As an associate member of The Delta Chi Fraternity, you have the opportunity to participate in a number of activities known collectively as the membership education program. The membership education program should reflect these goals:

- To learn more about yourself
- To learn more about others
- To learn the history and the goals of our fraternity
- Perform any task that conflicts with your duty to your God or your country

Most students who join a fraternity have an excellent experience. If you choose to join you do not relinquish your rights as an individual. As an associate member, you have the right:
• To make your own decisions – to be yourself
• To place academic pursuits before any other activities
• To be treated with respect and treat other with respect
• Not to participate in any activity that involves harassment or has the potential for danger.
• Not to be subjected to any form of hazing that includes interference with the personal liberty of others or includes any act of domination by some students over others that may lead to injury, emotional disturbance, physical discomfort or humiliation. This includes the forced consumption of alcohol.

The goal of the Associate Member Program is to attain personal growth through brotherhood. If you are asked to participate in any new member function, you should evaluate the educational value of the activity. As an individual you have the right to reject participation in activities that encourage or require you to:

• Consume alcohol or drugs
• Steal, take, or remove property from the college or others
• Participate in activities that transgress moral or ethical behavior

Section 4: Anti Hazing Statement

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as: “Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical or psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution or applicable state law.”

We are strongly opposed to any practices that are or may appear to be hazing. The experience of Delta Chi associate members should be one of education, challenges, personal development, and excitement. Hazing in any form contradicts these goals and is a direct violation of both the Ten Basic Expectations of a Delta Chi and the oath that every member takes during his initiation.

Section 2: Brief Overview

Above is the general outline for the six week plan for Delta Chi’s New Member Education Plan. Each of these events will be detailed in the subsequent sections. The AM’s are given at least one day a week to focus on work outside of their New Member Education, if not already worked into their AM Schedule. Each member is required to be at every event, unless an acceptable excuse is given to the AMC within 24hrs (exceptions can be made). Associate Members are directed to speak with their AMC, the ‘F’ or the ‘A’ if they feel uncomfortable with the process.

AM Pinning

Location: Delta Chi Fraternity House
Guest(s): All Active Members and Alumni
Time: March 9th, 8pm
Point of Contact: AMC

This Ceremony will mark the beginning of the Associate Member’s life as a member of Delta Chi. It is a mandatory event for all active brothers. Alumni are also invited to attend. Also, Delta Chi’s Assistant Director in the Office of Fraternity and Sorority Affairs is invited to attend. The ceremony is available on Delta Chi Headquarters site. At the Ceremony, the Associate Members will be presented with their Associate Member pins and their Cornerstone. The pin is
to be worn to all chapter meetings and the Cornerstone contains the information that will be taught in the coming weeks. Food and beverages will be provided.

Class 1

Location: Delta Chi Fraternity House  
Time: March 19th 5pm – 6pm  
Point of Contact: AMC  

Quiz – Composite  
  o AM’s must fill in the names of the brothers on the composite  
  o The purpose will be to evaluate how active the AM’s were in meeting brothers during Rush.  

● Icebreaker – Pass the Cornerstone  
  o Each associate member who holds the cornerstone answers the question, ‘Why did you join Delta Chi?’

● Recruitment Roundtable  
  o AM’s will fill out a sheet evaluating the recruitment process  
  o Discussion will follow led by the AMC and recruitment chairs to evaluate the process more in depth

● Break Down the Preamble  
  o The AMC shall lead a roundtable discussion based on the four main points of the preamble: promote friendship, develop character, advance justice, and assist in the acquisition of a sound education.  
    ▪ The AMC should start by asking the group to come up with a definition for these phrases. What do they mean?  
    ▪ Then the AMC will relate this to the icebreaker activity. How many of these points line up with why each AM joined? Why do they or why don’t they?

● Class 2 Prep  
  o Read Chapter 2, 5 out of the Cornerstone  
  o Write a 1 page paper on which 3 expectations are the most important and why.

NMO Orientation

Location: Delta Chi Fraternity House  
Time: March 20th, 4-5pm  
Guest(s): OFSA representative
Point of Contact: AMC

An OFSA representative will come to the house and talk about the new member education process and greek life at Lehigh.

“F” Talks - Risk Management Class

Location: Delta Chi Fraternity House
Time: March 21st, March 28th, April 4th, April 11th, April 18th 4pm - 5pm
Guest(s): F
Point of Contact: AMC

Each of these days, the ‘F’ will run a session regarding risk management within the chapter. He will be expected to review specific aspects of FIPG policy as it pertains to social events, new member education, and facility management. He will also discuss how to maintain safe chapter operations in each of these 3 aspects. Due to Delta Chi’s recent incident, the other 2 classes will pertain to social host training and Lehigh’s Code of Conduct. This is the following agenda for each class:

● March 21st - Introduction to risk management and what it means the be the “F” of the fraternity. This talk will consist of going over the Risk Management manual of Delta Chi, the “Critical Information” documentation as listed at http://deltachi.org/fs-resources/, and a review of the day-to-day responsibilities of the Risk Manager.

● March 28th - This day will involve walking through “risky situation” simulations, with the “F” leading them. Brothers will act out various roles, such as a highly intoxicated individual, an injured party-goer, or an unstable recruit at an event. The F will show how to handle these situations, and the new members will experience each of these situations themselves, learning how to handle situations like these and beyond. This will also involve an explanation of Medical Amnesty and what it means and when to use it.

● April 4th - This day will involve an examination of Lehigh’s Code of Conduct and the social policy. The “F” will walk through the code of conduct with the New Members, explaining how each point pertains to us and how we abide by those points. We will use our conduct case from Spring 2017 as an example of how we failed and how we have improved and reacted to it. Additionally, we will go over the Social Policy of Lehigh (similar to Social Host training) and how it pertains to us, as well as how to follow it.

● April 11th - Review day. This day will involve a reviewal of all of the documentation we have went over so far, with the New Members leading the discussion. Each one will give an example of an incident that breaks the code of conduct, and explain why it violates
Lehigh’s code of conduct. Additionally, our “F” will explain different scenarios, and the new members will talk about the sections of the code of conduct it violates. Additionally, half of the new members will go through “risky simulations” again, with them leading it and the “F” observing.

- April 18th - This class will be spent going over the history of Greek Life at Lehigh University, specifically their conduct incidents. New members will read previous conduct reports on other fraternities and how it led to their ultimate dissolving as well as the endangerment of other lives. The “F” will explain the failures of risk management, and new members will collaborate on how they would have handled each event. Additionally, the other half of the new member class will go through “risky simulations”, with them leaving it.

This exercise should give the AM’s a better idea to what running a fraternity entails and what could happen to a fraternity if the wrong decisions are made. This will be intertwined with the Delta Chi conduct case from Spring 2017, showing how that almost lead to the death of our fraternity, and how we have improved ourselves from this point.

Initiation

Time: April 21st, 8pm
Location: Delta Chi Fraternity House
Guest(s): Active Brothers, Alumni
Point of Contact: AMC(s)

Initiation will be conducted as per the Delta Chi Fraternity.
Section 1: The Preamble of Delta Chi

We, the members of The Delta Chi Fraternity, believing that great advantages are to be derived from a brotherhood of college and university men, appreciating that close association may promote friendship, develop character, advance justice, and assist in the acquisition of a sound education, do ordain and establish this constitution.

Section 2: Eleven Basic Expectations of a Delta Chi

1. I will strive for academic achievement and practice academic integrity.
2. I will respect the dignity and worth of all persons. I will not physically, mentally, psychologically, or sexually abuse or haze any human being.
3. I will protect the health and safety of all human beings.
4. I will respect my property and the property of others; therefore, I will neither abuse nor tolerate the abuse of property.
5. I will meet my financial obligations in a timely manner.
6. I will neither use nor support the use of illegal drugs; I will neither abuse nor support the abuse of alcohol.
7. I will acknowledge that a clean and attractive environment is essential to both physical and mental health; therefore, I will do all in my power to see that the chapter property is safe, properly cleaned and maintained.
8. I will know and understand the ideals expressed in my fraternity Ritual and will incorporate them into my daily life.
9. I will exercise compassion and understanding in dealing with all persons.
10. I will sustain my commitment to and involvement with, our future throughout my lifetime.
11. I will challenge all my fraternity members to abide by these fraternity obligations and will confront those who violate them.

Section 3: Expectations of an Associate Member

Every associate member is encouraged to attend every event. If there is reason why an associate member has to miss an event, communication to the AMC is expected.

Another cornerstone of the Associate Member process is a strict sober policy. All Associate Members are expected to remain sober for the six weeks. The process is time consuming and
challenging enough that no other distractions should be presented to the class. Inability to follow these guidelines will be dealt with by the chapter “F”.

Every week, Associate Members will take a quiz to test their knowledge of the material taught to them in the previous week. The purpose of this ‘grading’ methodology is not to humiliate or single out an Associate Member, but to ensure that we are delivering a proper education to the New Members.

Section 4: Expectations of the AMC, Committee, & Chapter

The Associate Member Counselor will serve as the main facilitator for the execution of this program. The Associate Member Counselor’s Committee will be active participants and stand-in facilitators of Program should the AMC require assistance. The Associate Membership Program is designed to involve the entirety of the brotherhood; at no point shall an event be scheduled or rescheduled at the whim of the AMC without proper notification of the brotherhood during a Chapter Meeting. It should be noted that the AMC is a committee chairman and therefore expected to be in attendance at both committee chairmen’s meeting and executive board meetings, especially during the course of the Associate Member Process. Furthermore, per the by-laws, the AMC serves at the discretion of the executive board and the chapter; should any deviance from this plan occur disciplinary action will be taken.

All chapter members will be held accountable for providing any alcohol to any Associate Member. If a brother is found in violation of this policy, the “F” reserves the right to bring the responsible parties before the Standards Board.

Section 5: Social Events

Scheduled social events will be able to be viewed by the AMs. The policy remains the same for every event. While not mandatory, it is recommended that the AMs attend all social events. If they attend, the sober policy mentioned above doesn’t change. They must still remain sober the entire event, no exceptions. If the AM(s) are caught drinking, they will be reprimanded at the discretion of the F.
