

## Gryphon Training Summer 2016

### Total Respondents

61/102 Gryphons

60% Response Rate

### 5 New Initiatives

80% strongly agree or agreed the Duty manual will be beneficial to them throughout the academic year.

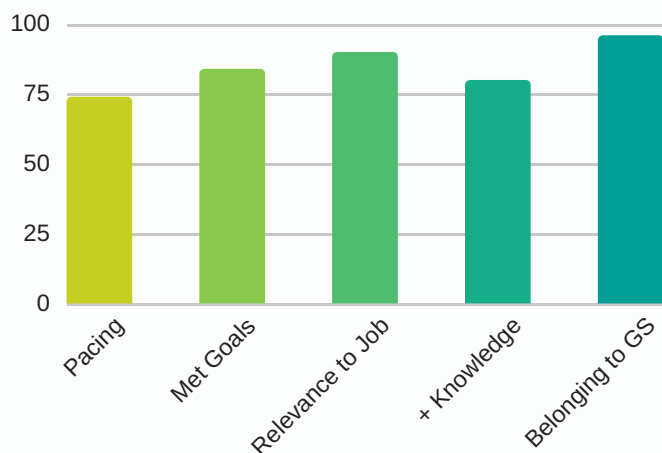

88% of Gryphons strongly agree or agree that they can articulate the importance of diversity and inclusion in the residence hall communities.

87% felt that the Retreat completely or considerably allowed them to create relationships across the Gryphon Society.

59% strongly agree or agree they have an understanding of and can effectively implement their area's Community Plan.

80% felt that the self-care lunch and activities completely or considerably allowed them to effectively decompress after training.

### General Findings

### Feedback from Qualitative Data

1. Create specific training sessions for Returning Gryphons and start later.
2. Redevelop Head Gryphon Training.
3. Have more free time scheduled.
4. Give Training Schedule on first day.
