

LEHIGH UNIVERSITY SOCIAL POLICY

Social Policy

The Social Policy is the result of the combined efforts of Lehigh University students, faculty, alumni and administration. It represents our attempt to describe the social climate we wish to establish and maintain at Lehigh. Its success is dependent upon the cooperation of students, faculty, administration and alumni to both understand and uphold the spirit of respect for self and others that is embodied in this policy.

Preamble

Our fundamental reason for existence as a University is for the education of students. It is recognized that education is not exclusively achieved in classrooms or laboratories. As a residential University, we seek a quality of social life that enhances the learning environment. To this end, Lehigh students are asked to make a pledge called the "Statement of Responsibility". The Social Policy is a set of goals and rules that we impose upon ourselves toward the affirmation and achievement of this pledge. It is intended as a guide for the entire Lehigh community, including students, faculty, staff, and alumni. The University does not encourage the use of alcoholic beverages by students. It is recognized that students need to make individual choices concerning the use of alcohol. The University supports the choice not to drink and actively discourages the misuse or abuse of alcohol. Intoxication in no way releases a student from full responsibility for his or her behavior and its consequences.

Statement of Responsibility

We, the students of Lehigh University, are committed to upholding the highest moral principles and allowing only that behavior which is considered socially acceptable. We recognize that any activity that infringes upon or denies the rights of others will not be tolerated. Deviate behaviors which we deem as being socially unacceptable include fighting, wanton destruction of property, illegal and irresponsible distribution of alcohol, as well as others discussed in the University Code of Conduct in the Lehigh Handbook. Furthermore, let it be understood that we will not tolerate racial, religious or sexual abuse or harassment of any kind, and that such behavior will call for the strictest of penalties.

We further recognize that within each living unit, whether it be a chapter house or residence hall, each member is charged with a responsibility for the behavior of every other member, so that the group as a whole will intercede when a member transgresses the boundary of socially acceptable behavior. By abiding by the principles of collective responsibility, we acknowledge that we are accountable for the actions of fellow students and are therefore committed to stopping unacceptable behavior before it occurs or while it is in progress to the best of our ability. In this way, we can establish and maintain a

safe, enjoyable, and unthreatening atmosphere for all members of the Lehigh -community and community at large.

The University does not encourage the use of alcoholic beverages by students. It is recognized that students need to make individual choices concerning the use of alcohol. The University supports the choice not to drink and actively discourages the misuse or abuse of alcoholic beverages. Intoxication in no way releases a student from full responsibility for his or her behavior and its consequences.

Members of the University community are reminded that the state laws of Pennsylvania pertaining to alcoholic beverages are applicable to the campus and, the responsibility for observance of the laws of Pennsylvania remains with each individual.

Social Policy Goals

Social gatherings at Lehigh University are by design part of our community's life together. We affirm certain goals as appropriate in relation to social gatherings:

1. The protection and safety of people.
2. The protection of property.
3. Respect for the rights of all individuals.
4. An enjoyable atmosphere conducive to positive social interaction.
5. The legal and responsible use of alcohol when it is included.

The Student Senate, administration, and indeed all the members of Lehigh will need to monitor the implementation of the Social Policy and initiate discussion to achieve observance or change, as appropriate, to the goals of the policy. The Social Policy rules will be reviewed at least annually. To this end, evaluation will be sought periodically from a sample of all parts of the community in addition to evaluations from leaders of the living units and from appropriate administrative staff.

Individual accountability

Unaffiliated students found responsible of consuming alcohol at an event affiliated with a fraternity or sorority will not be permitted to affiliate with a Greek letter organization for one year, and will not be permitted to live as a border in a chapter house for that year. Additionally, the police have always had the right to ask for age identification from all individuals and, in addition to any University disciplinary actions; students who violate the law are subject to arrest by campus or local police.

Financial support

Chapters are responsible for full payment of event staff.

- I. Rules Pertaining To Events Where Alcohol Is Present There are two options for hosting events with alcohol: 1) the host provides the alcohol for those of legal age (twenty one or older), or 2) guests of legal drinking age bring alcohol with them to the event (as per the BYOB rules). In an effort to support some fraternity chapters in complying with their national organizations' regulations, BYOB is provided as an option. However, BYOB is no longer a Lehigh University regulation for hosting an event with alcohol.

A. Party Registration

1. Events must be registered by Thursday 11 a.m., the week prior to the scheduled event by completing a Social Event Registration Form in the Dean of Students Office of Fraternity and Sorority Affairs (Outdoor events, unique events and events where specific event staff are requested must be registered at different times. (See sec. I.A.6, VI.A.1-8 and sec. I.B.3 respectively.) Registration of the event does not constitute University approval of such events. This rule states an expectation that has to do with social events that take place on property owned or regulated by Lehigh University or University recognized groups. This also serves to notify appropriate University officials of social events without alcohol. This registration must include the times of the event and the individual registering an event with alcohol must be at least twenty-one years old.
2. The Office of Fraternity and Sorority Affairs will provide L.U. police directly with bracelets, 21-yr. old birthday books, and copies of the event registration forms. While the use of invitation lists is now optional, the host of the social event will be required to record, at the entrance to the event as part of the identification process, the student's name and campus box number. This list will be collected by the Event staff at the end of the event and will be kept on file in the Fraternity and Sorority Affairs Office
3. Bartenders for the event must have completed the Social Host Training offered by the Office of Fraternity and Sorority Affairs.
4. There will be no alcohol served or present at events from Sunday 2:00 A.M. until Friday 4:00 P.M. Hosts of social events must insure that alcoholic beverages are not served or present after 2:00 A.M. An event with alcohol may last a maximum of four (4) hours. Sponsoring groups are permitted to register more than one event with alcohol on a given date. However, there must be a break between events of at least 90 minutes, and the total amount of time a group can sponsor events with alcohol on a given date is six (6) cumulative hours.
5. There will be no alcohol served or present at events during the period of New Student Orientation or after the last day of classes.
6. Hosting organizations are responsible for ensuring that any outdoor events are in compliance with city noise ordinances and conclude at the designated permitted time. City permits for outdoor events are required and must be obtained prior to the event.

Alcoholic beverages are generally not permitted at outdoor events with the exception of registered tailgate parties. Sponsoring groups may host an indoor event with alcohol concurrently with an outdoor event where alcohol is prohibited. This will be considered a Unique or Special Event (please see sec. VI. of this Social Policy):

- a. The event must be registered with the Office of Fraternity & Sorority Affairs at least 21 days prior to the scheduled event date to allow sufficient time to address any issues.
 - b. The sponsoring group must obtain written approval prior to the event date from Facilities Services, Residential Services, University Police, and the Office of Fraternity & Sorority Affairs.
 - c. The sponsoring group must hire at least four L.U. Event Security staff to assist with monitoring of the event and implementation of the social policies (including the policy that alcohol is not permitted outside).
 - d. The sponsoring group must contract with an outside company to install a temporary fence (6 feet tall or higher) along the perimeter of the outdoor event area. The company must install the fence on the day of the event, take it down the following day, and abide by University as well as state, local and federal fire, health and safety requirements. The company must also sign the Lehigh University Rider for Vendor/Performance Agreements/Contracts.
7. All events will be open as long as hosts are maintaining an attendee's list as part of the identification process.
8. Any occasion deemed to be an event with alcohol that has not been registered with the Dean of Students Office will be considered an unregistered social event and will be subject to disciplinary action. An appropriate (but not exhaustive) test to determine whether an event is one that should be registered is as follows:
- a. The event is in a student room or apartment and is a gathering of more than ten (10) persons where alcohol is present.
 - b. The event is in common areas (any area other than student bedroom) and is a gathering of more than fifty people (50) or more than twenty-five guests where alcohol is present.
 - c.
- B. L.U Event Security Staff At Functions Where Alcohol Is Present
1. At least two L.U. event security staff must be hired by the host organization to assist the host organization with the monitoring of the event and implementation of the social policies. Unique events such as in section VI will require more event staff. The host organization will assume full responsibility for these costs.
 2. The Social Event Registration form will serve as the means for requesting these staff.

- a. The fees for the event staff must be paid by check or FMA account at the time of registering the party. Failure to submit payment at the time of registration will result in the registration not being accepted.
 - b. Checks should be made out to Lehigh University Police Department.
 3. Specific Event Staff may be requested (if they are available) if the following conditions are met:
 - a. When registering the event, the host must identify the name(s) of the event staff member(s) on the party registration form.
 - b. The request as well as the party registration must be turned into University Police and the Office of Fraternity and Sorority Affairs 21 days prior to the event.
 - c. Canceling your event any time after a particular event staff has been confirmed for the host's event will result in the host assuming the full costs for the requested event staff member.
 4. These L.U. Event Security staff will arrive ½ hour prior to the scheduled start time of the event and remain throughout the duration of the social event. The Event Security staff will perform a pre-party check to verify that the event is set up appropriately according to the event checklist and that the permitted amount of alcohol is not exceeded. An event will not begin until all policies are properly observed.
 5. In addition to the two L.U. Event Security staff, L.U. security guards will be patrolling the campus performing routine party checks during the event.
 6. If a problem occurs during the event, the L.U. Event Security staff will be in constant communication with the L.U. police shift supervisor.
 7. If a social event is cancelled for any reason, less than seven days prior to the event, the fees for event staff WILL NOT BE REFUNDED, as the staff will still have to be paid. If the event is cancelled seven days or more in advance the organization's check will be returned.
- C. Entrance to the event
1. Only one entrance may be used for guests and residents to enter and exit the event.
 2. At no time, may the number of persons inside the social event exceed the fire code for the common areas in which the event is taking place. The hosts and L.U. Event Security staff will monitor the number of individuals who enter and exit to help ensure compliance.
 3. One of the L.U. Event Security staff will be stationed near the entrance to the event with the responsibility for checking individuals' L.U. ID and the Lehigh birthday book to determine if they are 21 years of age or older. Individuals who are 21 years of age

or older may obtain a bracelet from the L.U. Event Security staff indicating that they are able to be served alcohol inside the event. Two members of the host organization will be present at the entrance to assist the L.U. Event Security staff with placing bracelets on individuals that have been determined to be 21 years of age or older, and maintaining the attendees list. The individuals assisting the L.U. Event Security staff are responsible for ensuring that only individuals determined to be of legal drinking age obtain a bracelet. The ID station where bracelets are distributed should be set up near the event entrance, must be clearly marked as such, and sufficiently lighted for good vision.

4. L.U. Event Security staff and members of the hosting organization working the entrance will check to be sure that no one brings alcohol into the event. As a result, backpacks may be checked and anyone carrying cups or containers with beverages in them will not be admitted.
5. To obtain a bracelet the only acceptable form of ID is a Lehigh ID. Guests are permitted to use a photo driver's license as proof of age, but they must be accompanied by their L.U. host to obtain a bracelet.
6. Bracelets will be different colors/designs for each date. Once an individual has been checked for ID and assigned a bracelet on a given date, they do not need to be rechecked for age at other events on that date. However, all other checks will be done for the individuals' entrance into another event.
7. All individuals who are responsible for assigned duties may not consume alcohol prior to or during the performance of their duties.

D. Distribution of Alcohol and Host Accountability

1. There may be only one bar area from which all alcohol will be distributed. Alcohol may not be distributed anywhere else other than from behind the designated bar area.
2. The second L.U. Event Security staff will be stationed inside the party near the bar area to monitor the distribution of alcohol and assist with any problems inside the party.
3. A formula will be utilized by the Dean of Students Office to determine the total amount of alcohol permitted at an event. The formula is based on the guideline of one drink per hour per person of legal drinking age. One drink is defined as a 12 oz. can of beer or 6 oz. of wine. An estimate will be calculated based on the percentage

of 21 year olds in the general student population at L.U. This percentage of guests at an event will be estimated to be of legal drinking age for the purposes of determining the amount of alcohol permitted at the event. The permitted amount of alcohol will be designated on the event registration form by professional staff in the Office of Fraternity and Sorority Affairs. This designated amount of alcohol is the maximum amount permitted to be served and present at the event. Only 12 oz. cans of beer and wine boxes are permitted in the alcohol distribution area (no glass bottles or hard liquor). Wine should be dispensed in 6 – 8 oz. plastic cups.

4. Bartenders for the event must have completed the Social Host Training offered by the Office of Fraternity and Sorority Affairs.
5. The designated bar area must be attended at all times by at least two persons acting as bartenders. Approved bartenders are the only persons who may serve or distribute alcohol to guests. Bartenders may serve an individual only one drink at a time. No bartender may consume alcoholic beverages.
6. At a minimum there must be one pre-designated individual stationed near the alcohol distribution area, who is available throughout the duration of the event and will serve as the primary contact person for the L.U. Event Security staff as needed. This contact person is preferably an officer of the sponsoring organization and must be listed on the Social Event Registration Form.
7. The hosting organization(s) is responsible for ensuring that the social policy is followed during an event and that only persons 21 years of age or older are served alcoholic beverages. The hosting group will be held accountable for any violations of Lehigh University policies and/or PA State laws by individuals or the hosting group. Individuals who violate L.U. policies and/or PA law will also be held accountable for their actions.
8. Hosts must ensure that no one under the age of 21 possesses or consumes alcohol at the party. For example, passing of beers, drinks, etc. is prohibited. Furthermore, no one is permitted to bring alcohol into the party unless the party is registered as BYOB. In such a case, refer to section II, Guidelines pertaining to BYOB Events.
9. Designated servers must not serve any person who is underage (without a bracelet) or who is visibly intoxicated.
10. The bar area must be kept clean of any unattended cans and cups.
11. Irresponsible distribution of alcohol is prohibited. Such distribution includes:
 - a. Any occasion where the atmosphere or circumstances are such that the intended or likely outcome is to either abuse alcohol or become intoxicated.

Examples of irresponsible distribution of alcohol include but are not limited to kegs, funnels, shot parties, hotel parties, Beirut games, pong ball, scorpion bowls, chugging contests or other organized drinking games.

- b. An event where there is pressure or an expectation to consume alcohol.
- c. An event where there is no diversion from drinking alcohol.
- d. Serving alcohol to visibly intoxicated individuals
- e. Kegs, beer balls, and grain alcohol are prohibited on campus.

E. Food and Alternative Beverage

1. Hosts are responsible for providing sufficient non-alcoholic beverages during the duration of the event. Providing food is encouraged, but is at the discretion of the host organization. All non-alcoholic beverages must be kept cold in sealed, single serving containers, with bottled water comprising at least a portion of the non-alcoholic beverage supply.
2. Food and non-alcoholic beverages must be set up in a location separate from the alcohol distribution area.
3. At least two members of the hosting organization must attend the food and non-alcoholic beverage station to distribute the items, keep the area clean, and ensure there is a sufficient supply available.
4. The Office of Fraternity and Sorority Affairs will determine the amount of non-alcoholic beverages that need to be present at the event based on the estimated amount of attendees. This information will appear on the Social Event Registration Form
- 5.

II. Guidelines pertaining to BYOB events

Although BYOB is still permitted in an effort to support some fraternity chapters to comply with their national organizations' regulations, it is no longer a L.U. regulation. Hosting organizations may choose to register an event as a BYOB event. It is the event host's responsibility to ensure that all social events taking place must conform to the Social Policy Rules and the following "Bring Your Own Beverage (BYOB) rules when the event is registered as a BYOB event.

2. Chapters may host non-alcoholic events outside, provided that they follow the requirements set forth in Section 1.A.6 of this Social Policy. In addition, the deliveries of quantities of alcohol to these groups on the Lehigh University campus is prohibited (i.e., beer truck deliveries).
2. No chapter funds may be utilized for the purchase of alcohol.

L. REVIEW

1. Social Policy rules will be reviewed at least annually to determine their efficacy and appropriateness. The most current edition of the social policy implementation guide can be found on the World Wide Web at: <http://www.lehigh.edu/~indost/conduct/socialpolicy.shtml>
