THE SOPHOMORE EXPERIENCE

@YEAR  
2  
@LU

LEHIGH UNIVERSITY

2021-2022 | VERSION 1

# MY DRAFT BOOK

**YEAR 2 @ LU** will be a new experience. Your first year at Lehigh may have looked significantly different than the year that you are about to begin. With several aspects of campus life changing, this is an opportunity for you to get to know Lehigh in a new way.

Last year, you were encouraged to take control of what your journey at Lehigh will look like and we want you to continue to do that as you go into your second year. This path is yours to create. As campus opens up, you will continue to decide what kind of relationships you want, how you will express your values, and what success will look like for you. This booklet is yours to use for recording your thoughts, ideas, notes, and observations!

We want you to continue to **DISCOVER** the Five Foundations and **EXPLORE** what they mean to you. We want you to **CONNECT** your ideas and experiences, and **APPLY** what you learn to real world issues and situations, but you won't have to do that alone. There are people here to help you design the best possible college and post-college experiences — in a different way than you might have experienced last year. Utilize experiences from your first year to help you decide what skills you need to continue to be successful and work to create your very own success team. Create **YOUR bLUeprint 2.0** to maximize your Lehigh experience in your second year.

We encourage you to use this booklet throughout your second year during **Kickoff Weekend, Sophomore Series, and beyond!** You never know when you'll want to jot down a few notes in the moment.

# bLUeprinting

...start designing your Lehigh life today

## bLUeprinting ...in 3 easy steps:

1. Talk about you...use bullets, write sentences, draw pictures, copy song lyrics-if you can think of a way to capture and express YOU then that is the right way to bLUeprint.
2. Use the above sentences as prompts, or don't...these are just teasers to get you thinking about what could be key reflections on what has shaped who you are.
3. YOU DO YOU...bLUeprinting is all about you. There is no one way to construct a bLUeprint, each one is unique, just like you are uniquely you and no one else. Make it your own!
