SOS Petition Form Instructions

The SOS Committee carefully reviews each petition before rendering a decision. As a result, it is important that students submit a completed petition with all relevant documentation and signatures. Please note, incomplete petitions will be denied and students will need to re-start the process for committee consideration. If you have any questions regarding the SOS petition process or requirements for specific petitions, please contact the Undergraduate Associate Dean of your college of enrollment or Academic Life & Student Transitions (610.758.4159).

Please attend to the following information as you are completing your petition:

- It is important to note that you are requesting an exception to a university policy and/or process; submission of a petition does not mean that a petition will be approved. Please be clear and specific about your request, provide a full explanation for your reason for the request and include any relevant information, e.g. dates, email correspondence, faculty statements, etc.
- The timeliness of your petition is extremely important and thus considered when petitions are being reviewed by the SOS Committee; it is in your best interest to complete the petition as soon as possible.
- The requested signatures on the form ensure that appropriate individuals are aware of your petition request and must be included for a petition to be considered complete. Alternatives to the form signatures can include electronic signatures (email correspondence), department chairs or other designees when appropriate. Please contact the Undergraduate Associate Dean of your college of enrollment or Academic Life and Student Transitions (610.758.4159) for guidance if you have difficulty securing signatures.
- Once you have acquired the signatures from (and in this order) your instructor, academic advisor, and Undergraduate Associate Dean of your college, **please submit your entire petition to your Undergraduate Associate Dean's Office. Your petition will then be forwarded to the SOS Committee for consideration.**
