

October 11th, 2014 marks the 26th anniversary of National Coming Out Day. Each year on this day, Lehigh University joins universities across the country to recognize the power of coming out as lesbian, gay, bisexual, transgender, queer, or as an ally, in the pursuit of equality for LGBTQ individuals. Below is a list of Lehigh community members willing to "come out" and be identified as supporters and promoters of a safe world for all individuals to live truthfully and openly.

We are the students, classmates, hallmates, teammates, professors, alumni, colleagues, co-workers, family, and friends who represent just a few of the out and proud lesbian, gay, bisexual, transgender, queer, and ally members of the Lehigh community. We stand against bias in our community and we invite you to come out with us.
