Additional Sanctions/Stipulations

* Based on the information provided, it's clear that the chapter was listed a co-host of this event, thus assuming responsibility for risk management, including

distribution of alcohol. Additionally, hard alcohol has been banned on campus for several years now. The panel has determined deferred dissolution and extension of probation to be an appropriate sanction, in part, due to the pattern of conduct violations the chapter has had this semester. The panel hopes that the educational sanction with the Peer Health Advisors is beneficial to your membership.
