Overall Rating

Overall, Kappa Alpha Psi has been rated an Accredited chapter by the 2016-2017 Accreditation Committee.

Kappa Alpha Psi navigated having members on both Lehigh and Moravian campuses. Both campuses placed a high priority on recruitment since all chapter members were in the last year of undergraduate membership. Being that this was the first year Kappa Alpha Psi existed at Moravian, members held numerous programs to engage interested men. The one Lehigh member had a leadership role in both the Cultural Greek Council and Men's Basketball team, which resulted in using personal interactions to recruit. Both campuses were successful in recruitment initiating seven men total. The committee commends the chapter for realizing the importance of recruitment and intake, and how it impacts the long term success and existence of the chapter. The chapter also hopes to unify the Greek community on both campuses. Kappa Alpha Psi was awarded the Silver Star Accreditation at Moravian which demonstrates that the chapter is excelling there. Looking forward, the committee hopes that the chapter is able to identify issues and ask for specific assistance when needed. The committee understands that the joint chapter is new to both chapter and campus administrations, but the committee reminds Kappa Alpha Psi that they do not need to brave these new obstacles alone. With four men at Lehigh, and three at Moravian, the committee is excited to see the presence of Kappa Alpha Psi on campus.

The Accreditation committee assigns Kappa Alpha Psi an overall rating of Accredited, which meets expectations set forth by Lehigh University. The chapter is fully successful in all metrics and is an active contributor to the Greek and Lehigh communities.
