Attendance Policy

Attendance is mandatory for all sessions that apply to you. Requests for an excused absence must be provided in advance using this [RLP Absence Submission Form](#).

Failure to attend all required sessions without a valid excuse provided in advance will automatically disqualify you from holding any leadership position and result in an individualized membership review by AEPi IHQ. AEPi IHQ may decline to approve any of requested excused absences. If any absence is excused but your plans change, you should make your best effort to attend the sessions for which your requested absence was approved. Your continued membership in AEPi will be in jeopardy if you make any intentional misstatements about the reason(s) for your absences.
