Attendance Policy			
Attendance is mandatory for all sessions that apply to you. Requests for an excused absence must be provided in advance using this Chapter Development Program Absence Submission Form .			
Failure to attend all required sessions without a valid excuse provided in advance will result in a review of your membership status and standing by the Chapter's Standards Board and/or advisors. The Chapter and/or its advisors may decline to approve any of requested excused absences. If any absence is excused but your plans change, you should make your best effort to attend the sessions for which your requested absence was approved. Your continued membership in AEPi will be in jeopardy if you make any intentional misstatements about the reason(s) for your absences.
