Introduction

The Zeta Tau Alpha New Member plan for the 2020 Spring semester is designed to facilitate growth, learning, friendship, and goal setting among the New Member class and current ZTA sisters. The New Member activities will encourage New Members to reflect on their own personal values and ZTA values in a safe environment. Many of the activities running during the week are set up as events supporting sisterhood. On Sundays, the New Members will have their New Member meetings, which follow a curriculum developed by the Zeta Tau Alpha International Office. Initiation will take place on March 1st, 2020. The New Member Coordinator will be distributing this to the New Members themselves, as well as sending a copy to the parents of the New Members to keep them informed on what’s going on in their daughter’s life!

Underage Drinking and Other Illegal Activities

Sisters and New Members of Zeta Tau Alpha are expected to abide by all state and federal laws. The current sisters have been formally briefed on the seriousness of providing alcohol to students that are underage or pressuring underage sisters to consume alcohol or partake in other illegal activities. The New Member education process is dry and there will be no alcohol present at any official and unofficial New Member education events. Official New Member events are events that New Members are expected to come to, like New Member lessons and the New Member Retreat. Unofficial New Member plans are optional events with the purpose of strengthening bonds within the chapter, like Wii competitions and painting events. If any sister, New Member or Active Member, is found to be in violation of these policies, they will be taken to our Judicial Board for a hearing, and the board will decide the sanction they deem appropriate.

Hazing

Zeta Tau Alpha does not tolerate hazing of any type. The New Member activities will be hazing free. Every member of Zeta Tau Alpha has read and signed both the Lehigh and Zeta Tau Alpha policies on hazing. The following paragraph was sent to and signed by all big sisters in order to facilitate a better understanding among the sisters closest to our New Member class:

“ZTA has a zero tolerance policy regarding hazing. As a Big Sister you are in a unique position of power. Your Little Sister is looking to you and trusting you to be there for her and act in her best interests. Your suggestions to her are more influential than those of others in the chapter. Your little sister should not be doing any favors and/or chores for you that you suggest. Requests like “do my laundry” or “bake me cookies” are not reasonable. ZTA New Members are NOT required to go out and should not be pressured to do so. New Members are welcome at all ZTA events, but should never feel obligated to go to social events. New Members should not be pressured to consume alcohol. Pressure and/or encouragement to drink provided by a Big Sister will be considered hazing. Zeta Tau Alpha does not condone any form of hazing by any member, new member or alumnae member. Such activities conflict with the Fraternity’s ideals and traditions and project a negative image of the organization. ZTA collegiate chapters must develop new member programs that reflect the true meaning and high standards of sisterhood. These programs must not demean, embarrass or endanger members or new members.”

Link to hazing prevention and reporting form: http://studentaffairs.lehigh.edu/hazing-prevention. Sisters can also report hazing by contacting OFSA and Student Affairs or calling the hazing hotline (888-668-4293).

Big Sister Training

Big Sister Training is required by the Zeta Tau Alpha International Office. The curriculum of the two required training sessions are explained in detail in ZTA’s Guide to the New Member Experience handbook. The learning objectives are to identify the basic expectations of the Big Sister role, define mentorship, develop skills needed to be a successful mentor, and develop a Big Sister Action Plan.
**New Member Events**

Each Sunday, the New Members will participate in New Member Meetings, as detailed by our International Office. Each lesson has a theme, relating to the core values of being a Zeta Tau Alpha. The VPII will be facilitating all lessons, and each member of the Executive Committee will be in attendance at least once, so that the New Members can meet them all. After each lesson, the New Members and VPIH will discuss how the Zeta Tau Alpha lesson fits into their Lehigh bLUeprint. The title of this program is “Zeta is Forever,” and it is meant to show New Members how being a Zeta Tau Alpha can last beyond your college years. Orientation and New Member lesson #1. The purpose of orientation is to prepare new members for the rest of the program. It is very upbeat, and shows pride in Zeta Tau Alpha. Lesson one is about loyalty. New members will focus on what being loyal means to them and how to be loyal to Zeta Tau Alpha. After lesson #1, we will talk about the bLUeprint foundation of creative curiosity, and how developing a creative and curious outlook on life will influence their loyalty to Zeta Tau Alpha. Lesson #2 focuses on the responsibility of being a Zeta Tau Alpha and the privileges of membership. After this lesson, we will talk about Identity Development, and how being a Zeta Tau Alpha will influence each New Member’s unique persona. Lesson #3 is about service. New members will develop individual character and prepare for service to the Fraternity, the community, and the world. We will then talk about Collaborative Connections, and how the new resources given by Zeta can influence their relationships in the world. Lesson #4 is about leadership. It explains the Fraternity’s organizational structure, teaches about our tradition of leadership within the Greek community, and exposes new members to leadership opportunities on campus. We will then talk about Inclusive Leadership, as Zeta Tau Alpha highly emphasizes being a leader in the community. Lesson #5 is about commitment. This is the final meeting before Zeta Week, and ensures that the new members understand the organization and the lifetime commitment required of each Zeta Tau Alpha. We will also be reviewing all of the information that we have learned up until this point to help the New Members prepared for their initiation test. We will then talk about how this can contribute to Professional Growth and Success, and how Zeta can make a difference for the rest of your life.

**Berry Buddy Events:** Our temporary big sisters are referred to as “Berry Buddies.” The Berry Buddy events are highly encouraged social events at the house for New Members and potential big sisters. There are no direct penalties for missing Berry Buddy events, for these events are only for the purpose of creating and strengthening friendships. Although Berry Buddy events are a great way to get to know sisters who intend on becoming bigs, a New Member’s big selection will not be affected if a Berry Buddy event is missed. At these events there will be food and icebreakers, and new Berry Buddy assignments will be given for the next week. There will be two events per week for the two weeks after Bid Day. The VPII will be the point person, as it is she who will be facilitating all of these events and picking the next weeks berry buddies.

**Week 1: Orientation**

This first week is designed to help the new members become familiar with each other, as well as with active members of ZTA. Many of the events are events that current members will be strongly encouraged to attend. We hope these events will make new members realize from day one that they are considered full members and are no different than any other member of our house. It will also give them a chance to have some fun with their new sisters.

**Orientation:** This will be the first of the new members’ mandatory meetings. The theme of this meeting is opportunity. The Purpose is: “The orientation meeting prepares new members for the balance of their program. It is built around the ‘big picture’”

**Sisterhood Dinners:** Sisterhood dinners, from 6-7pm, are optional opportunities for the New Members to come to the house to eat and talk with older sisters who they may not otherwise get a chance to interact with frequently. Each dinner will be with a different class. This event is optional for all New Members. This dinner specifically will be with the member class of 2019.

**Berry Buddy Speed Zeting:** This event will be a speed dating event that will give new members the opportunity to get to know their potential Big Sisters in a more structured way than Bid Day. During the event, the New Member Educator will
facilitate ice breaker activities to help initiate bonds between the member class of 2019 and the new members. Having this event serves to aid both new and active when choosing new Berry Buddies.

**Bachelor Mondays:** Each Monday night at 8pm, we will play the new Bachelor episode of the week in the chapter room. This event is optional and open to every sister. This event is intended to provide an informal gathering to promote sisterhood. The VPII will always be around to be of assistance for this event.

**House Bingo:** This event will be a chance for the new members to have fun with each other as well as the current members. All members living in the house and New Members are encouraged to attend this optional event. This event’s purpose is for the New Members to get more familiar with the house and the sisters who live in it. Each sister who lives in the house submits fun, identifiable facts about herself to the New Member Educator who assembles the facts into a bingo board. To win the board, the New Members will act in pairs to figure out with sister matches which fact. The sisters will be in rooms corresponding to their fact, or the room of their choice. The pair that wins the game gets to coordinate a fun Get-To-Know-You activity for the following Sunday’s New Member meeting.

**Week 2: Seek Greatness**
The purpose of this week will be to help new members tap into their inner greatness so that they can make an impact on both their chapter and on the world around them. We will learn about the creed of Zeta Tau Alpha and find personal connections to it.

**Formal Pledging Service:** The Pledging Service will be mandatory and takes place in the chapter house. Afterwards we will have a review of what the service means. The following paragraph is distributed to the New Members:

“The Pledging Service is a beautiful service where new members pledge their loyalty to the chapter, and the sisters in turn pledge their loyalty to the new members. The service is relatively short and does not contain hazing of any type—it’s simply to promise that Zeta Tau Alpha’s make to each other at the beginning of the new member journey. Zeta Tau Alpha does not have a pledging period and the new members are not referred to as “pledges.” This service is the first step in becoming a sister of Zeta Tau Alpha and is your first glimpse into the rituals and traditions that Zeta sisters through time and distance hold so dear.”

The point person for this event will be our Ritual Chairman, who is in charge of facilitating the entire ceremony.

**Bachelor Mondays:** Each Monday night at 8pm, we will play the new Bachelor episode of the week in the chapter room. This event is optional and open to every sister. This event is intended to provide an informal gathering to promote sisterhood. The VPII will always be around to be of assistance for this event.

**Sisterhood Dinners:** Sisterhood dinners, from 6-7pm, are optional opportunities for the New Members to come to the house to eat and talk with older sisters who they may not otherwise get a chance to interact with frequently. Each dinner will be with a different class. This event is optional for all New Members. This dinner specifically will be with the member class of 2018.

**Sexual Assault Program:** This will be an event led by BTS and ZTA member Lauren Ludwig. We will work to determine the content of the meeting to help educate our new members on sexual assault. This will be a mandatory event for everyone in the chapter.

**Berry Buddy Paint Event:** This painting event will occur at the house after dinner. Blank canvases, paint and paint brushes will be provided for each sister to paint anything they want. This will encourage sisters to learn more about each other, like what their favorite color is or what they’re interested in based on their painting. This event will be open and encouraged to everyone in the chapter as an optional event.

**Big and Little Selection Process:** For a member of ZTA to be qualified to be a big sister, she needs to maintain a GPA of 2.8 and have completed a Big Sister program structured by the ZTA International Office. Big sisters and Little sisters are
matched together after filling out a Google Form ranking their preference for their Big or Little sister and answering questions about what they expect from their Big or Little Sister. Then, the VPII and the President will go through and match Big/Little pairs separately and together to avoid any possible bias.

Week 3: Seek Understanding
The purpose of this week is to learn about the responsibilities and privileges of ZTA membership. As well as learn about where ZTA comes from and where it is now. New members will see how ZTA operates and they can contribute.

Bachelor Mondays: Each Monday night at 8pm, we will play the new Bachelor episode of the week in the chapter room. This event is optional and open to every sister. This event is intended to provide an informal gathering to promote sisterhood. The VPII will always be around to be of assistance for this event.

Sisterhood Dinners: Sisterhood dinners, from 6-7pm, are optional opportunities for the New Members to come to the house to eat and talk with older sisters who they may not otherwise get a chance to interact with frequently. Each dinner will be with a different class. This event is optional for all New Members. This dinner specifically will be with the member class of 2017.

Alcohol Education: (Still Planning) We will have a peer health advisor giving a presentation to all chapter members. It is mandatory for the New Members to attend this program, and points for current members to attend. We think it is important all of our sisters have the training to make good choices when they make the choice to drink.

Big Sister Ceremony: This is a mandatory ritual for the entire chapter. Little sisters will find out who their big sisters are, as outlined in the Ritual Book of Zeta Tau Alpha. The point person for this Big Sister Ceremony will be our Ritual Chairman, who is in charge of facilitating the entire ceremony.

New Member Retreat: The New Member retreat will be highly encouraged for New Members and EC. The purpose for the New Member Retreat is for the New Members to get to know each other in a new environment and feel more comfortable with each other. This plan for this event is to precede the event with a discussion about ourselves and who we are as leaders and individuals. This is aided by taking personality tests and small activities. Then, we will go rollerblading as a fun way to build team working skills and bonds within the New Member Class. We will return to the house after to debrief about the event and talk about how we see the bigger part of being in ZTA. If rollerblading does not work for us, we will have a sisterhood bonding event at the house. We will order lunch to the house and eat with a sister that the new members would like to get to know more about. After lunch, we will do team building exercises provided and suggested by the ZTA International Office.

Week 4: Seek Purpose
The purpose of this week is to help the new members seek purpose. They will get to learn the purpose of ZTA as an organization and what part they can play in that.

Bachelor Mondays: Each Monday night at 8pm, we will play the new Bachelor episode of the week in the chapter room. This event is optional and open to every sister. This event is intended to provide an informal gathering to promote sisterhood. The VPII will always be around to be of assistance for this event.

Cards to Sisters Studying Abroad: All of our sisters will be encouraged to come up to the house during lunch one day of the week to write cards to the sisters who are studying abroad. The cards will be mailed to those sisters along with a shirt from Bid Day. Oftentimes when sisters study abroad, it is nice to receive things in the mail to help a feeling being homesick and it reminds them that we are thinking of them. Supplies to make the cards will be provided. This event is optional for everyone in the chapter.
Center for Academic Success: This event will be mandatory for the New Members and points for current members to attend. Through the Academic Chair, someone from the Center for Academic Success will come to the house to speak about time management and other helpful tips for academic success. The speaker will also stress ways to support each other with academics.

Week 5: Seek Sisterhood
The purpose of this week is to learn about sisterhood. We want to help the new members deepen friendships and learn about the importance of having sisters. Additionally, we want them to understand the meaning of Zeta is Forever.

Bachelor Mondays: Each Monday night at 8pm, we will play the new Bachelor episode of the week in the chapter room. This event is optional and open to every sister. This event is intended to provide an informal gathering to promote sisterhood. The VPII will always be around to be of assistance for this event.

Sisterhood Dinners: Sisterhood dinners, from 6-7pm, are optional opportunities for the New Members to come to the house to eat and talk with older sisters who they may not otherwise get a chance to interact with frequently. Each dinner will be with a different class. This event is optional for all New Members. This dinner specifically will be with all chapter members.

Just Dance Wii Competition: This event will be open and optional for all members to participate. It will take place at the house and the highest scoring player will move on in the competition based on a bracket system. The intent of this event is a bond in a more silly and fun way.

Week 6: Seek the Noblest (Zeta Week)
This is the final week of the new member period. The purpose of this week is to ensure new members understand the organization and the lifetime commitment required of each ZTA. This week is packed with Sisterhood events. The New Members are expected and encouraged to go to all Sisterhood Events this week leading up to Initiation.

Bachelor Mondays: Each Monday night at 8pm, we will play the new Bachelor episode of the week in the chapter room. This event is optional and open to every sister. This event is intended to provide an informal gathering to promote sisterhood. The VPII will always be around to be of assistance for this event.

ZTA Trivia and Big/Little Newlywed Game: This is the kick-off event of Zeta Week. It is a highly encouraged event for all of the big sister/little sister pairs to have fun, and learn a little bit more about each other. Even if big/little pairs don’t want to participate, it is still a fun game, where everyone can learn a little bit more about one another, and bond before initiation. It is also open to all members of ZTA by incorporating trivia on ZTA in general and offers bonus points to those who participate.

Exercise Class: This is another fun event during Zeta Week to promote sisterhood bonding. The New Members and anyone else who signs up will go to an exercise class in the gym. The VPII and Sisterhood Directors will be making all of the reservations and arrangements. This event is offered to everyone in the sorority and a bonus point for those in attendance.

Find a Sister Who: This event will promote people to get to know more about our sisters by finding a sister in the room who has done a specific thing on a provided bingo board. For example, something on the Bingo board may say “Find a sister who has more than 3 siblings”, “Find a sister who is bilingual”, or “Find a sister who has travelled to more than 3 countries.” The intention of this event is to aid sisters to learn something about another sister that they may have in common or may have not known otherwise.
Make your own Pizza Party: This is another fun event during Zeta Week to promote sisterhood bonding. The New Members and anyone else who signs up will have the opportunity to make their own pizza with different toppings and sauce options. The VPII and Sisterhood Directors will be making all the arrangements and will be responsible for gathering the materials to make the event a success. This event is offered to everyone in the sorority and a bonus point for those in attendance.

New Member Test: The New Member Test is an exam written by our International Office about the history of Zeta Tau Alpha, and it is required for all New Members to pass before being initiated. The New Member Educator will proctor this exam, and will be available all week prior for extra study help.

After initiation, the 2020 Spring New Member class will go through Post Initiate Education (PIE), which is a series of short lessons on the ritual values and ceremonies of ZTA. These two additional lessons will be facilitated by both the New Member Educator and the Ritual Chairman. The lessons are Seek Meaning and Seek Commitment. These lessons are designed to go over initiation in order to help them take it all in. We will discuss the symbols and ritual to help them have a deeper understanding of their meaning. We also will use these lessons to help the newly initiated members understand the values found in the initiation ritual.

As for social events, we have two this coming semester, a date party and a Spring formal. These have not been scheduled yet, so we do not have a date to put on the calendar. Our Director of Social Events will be scheduling both events sometime in the coming semester. New Members are more than welcome to attend, but are by no means required to.

We understand that there may be various social events throughout the week. New Members may choose to attend these events on their own prerogative. They are absolutely not required to attend any social event during the week, but may choose to attend if they wish.

Attendance Policy
All members are required to maintain an active role in the chapter. Most events are eligible for attendance points. Point values will be reviewed by the Recording Secretary at an upcoming New Member meeting. Members and new members are expected to earn a minimum of 85% of the possible points each semester to remain in good standing, which includes eligibility for initiation.

Certain events are considered critical to the success of the chapter and Fraternity. The importance of these events, members and new members are expected to attend all mandatory events. Mandatory events include: New Member Education meetings, Initiation, Rituals, Post Initiate Education (PIE), Elections, all recruitment related events and activities, fundraising event benefiting the ZTA Foundation, Formal Chapter Meetings, Bid Day, and other events as recommended by the Executive Committee and with approval of the Director of New Chapters.

Excuses for Mandatory Events
Since mandatory events are important to the success of the chapter and Fraternity, members and new members should make every effort to attend them and acceptable excuses for not attending are limited to those listed below. Excuses should be emailed to both clc221@lehigh.edu and lehighztaexcuses@gmail.com.

Below are considered to be excusable reasons to miss a mandatory event:

- Sickness with documentation from a doctor
- Death or funeral
- Class or exam (during the event)
- Family emergency
- Family celebration (e.g. wedding that has been scheduled and planned in advance)
