Purpose:

This education is to be values based. Friendship, Respect, Honesty, Responsibility, Commitment, and Personal Development should be the foundation upon which the New Member Education Plan is built.

The Creed and Ritual are the lifeblood of the Fraternity. Use every opportunity to convey their importance and understanding in a positive way. As such, the purpose of the New Member Education Plan is to instill the fact that as Chi Phi Brothers, we live our lives following the Creed. Therefore, if at any time you feel a New Member does not live up to the Creed and the Values of the Fraternity, you have a duty and responsibility to reevaluate the New Members membership in the Fraternity.

The discussion questions are a guide to start conversations about specific topics. Use the questions to facilitate meaningful conversation about the topics at hand.

Hazing Policy:

"No chapter, colony, student, alumnus, or volunteer shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as:

Any action taken or situation created, intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks, quests, treasure hunts, scavenger hunts, road trips, or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel that is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities that are not consistent with academic achievement; fraternal law, ritual, or policy; the regulations and policies of the educational institution; or applicable state law."

The Chi Phi Fraternity also believes that there is no such thing as an innocent bystander. It is everyone's responsibility to combat hazing whenever it is present or has the potential of being so. Brothers, New Members, and Alumni all have the responsibility to report and confront hazing if they become aware of it, initiate it or are a victim of it.

Hazing Reporting Protocol

- The Risk Management Reporting Policy requires members to notify the National Office of any policy violations.
- The Chi Phi National Staff will hold in confidence the name of anyone reporting hazing activities and can be contacted directly at (404)231-1824.
- Anti-Hazing Hotline: The national anti-hazing hotline can be reached toll free at all hours at: 1-888-NOT-HAZE (1-888-668-4293)

Facilitating 101

What is facilitation?

Facilitation is guiding participants helping them to learn and includes:

- Using the presentation tools as they are intended for the program.
- Connecting the information to personal experiences of the participants.
- Guiding the topic and discussion.
- Appropriately challenging and questioning participants.

Effective Facilitation

Effective facilitation requires that facilitators are:

- Comfortable and genuine.
- Interested in all participants engaging the entire group.
- Clear and non-judgmental in their communication.
- Flexible and able to adapt to different situations.
- Focused on the participant's experiences and struggles.

Facilitator Tips

- **Be prepared.** Be comfortable with the information and activities you are leading completely prior to the session.
- **Focus on the process.** Allow participants time and opportunity to discover important learning points themselves, don't automatically give away answers.
- **Don't dominate the discussion.** Don't feel responsible to respond or comment on each idea or question discussed. The participants should drive the process, you just make sure they stay on track and focus.
- **Don't be afraid of silence.** Give them time to think about the questions you ask and respond. They may be hesitant when you first start but don't rescue any of them by answering the questions for them. You may need to repeat questions.
- **Practice active listening.** As someone is speaking show your interest through your body language and facial expressions. Maintain good eye contact and nod your head to let participants know they are being heard.
- **Deal quickly and assertively with disrupters.** Don't let them control the group or dominate discussion. Avoid arguments with disruptive people but don't hesitate to address it after the session is over.
- **Turn questions back to the group.** If participants ask questions deflect them back to the group and see what they think. Be sure to answer questions yourself eventually.

Present the True Gentleman to the New Members

The true gentleman is a man whose conduct proceeds from goodwill and an acute sense of propriety and whose self-control is equal to all emergencies; who does not make the poor man conscious of his poverty, the obscure man of his obscurity, or any man of his inferiority or deformity; who is himself humbled when necessity compels him to humble another; who does not flatter wealth, cringe before power, or boast of his own possessions or achievements; who speaks with frankness but with sincerity and sympathy always; who makes his deeds follow his words; who thinks of the rights and feelings of others rather than his own; and who appears well in any company, a man with whom honor is sacred and virtue is safe.

Present the Prayer of the Fraternity and Gather Brothers to the new members.

Prayer of the Fraternity

ALMIGHTY Father, who dost vouchsafe to direct those who acknowledge Thee in all their ways, look we beseech Thee, with favor upon our Fraternity. Make it a blessing and a benefit to all its members. Deliver us from those evils to which we may be at any time exposed. Grant us the light of Thy truth and the illumination of Thy spirit, that we may

always do that which is acceptable in Thy sight. Unite us in the bonds of love. Keep us in charity with all mankind. Incline our hearts to walk humbly before Thee and help us so to acquit ourselves in this life that we may dwell with Thee in life everlasting. Amen.

Gather Brothers

Gather, Brothers of Chi Phi,
Warm our hearts are beating;
Grand our purpose is and high,
Sacred is our greeting.

Chorus:

We are bound by ties of love,
Eternally, Fraternally;
While Chi Phi Brothers watch above,
Fraternally, Eternally.

Round each heart bright alter fires,
Forms forgotten never;
Cheer us on in our desires,
Ever and forever.

(Chorus)

Ev'ry bond to mem'ry dear,
Brings to us a pleasure;
Whether others frown or cheer,
Chi Phi is our treasure.

(Chorus)

Forward then with breast to breast,
Leaving no life blighted;
March we to our common rest,
Hands and hearts united.
