New Member Program Goals

Purpose of the New Member Program:

The purpose of the new member program is to educate new members about the history, traditions and values of Alpha Phi while additionally creating active, participating chapter members. New Member Education is designed to be both a fun and positive learning experience for each new member. Each activity contributes to the development of each new member as an active and productive member of Alpha Phi. The new member program determines the new members' connection to our chapter and Alpha Phi International.

Throughout the six week program the new members will experience and learn about:

- 1) Values, history, and ideals of Alpha Phi Fraternity
- 2) Meet the other new members and initiated sisters through fun, organized and safe Alpha Phi approved activities
- 3) Rules and expectations of the Epsilon Psi Chapter of Alpha Phi both as a new member and initiated sister

Events that will take place during the new member period outside of new member meetings: Throughout the six-week period Weekly Study Hours and weekly member class bonding events are recommended, but not required.

New member education meetings will be held before or after chapter meetings. (Chapter meeting days are TBD)

New Member Schedule

Ivy Linker groups will be given out at Chapter the first week. The role of the Ivy Linker is to encourage engagement and help the new members get to know other members of the chapter. They are expected to attend check-ins with their Ivy Linker group either before or after chapter, and encouraged to meet outside of these events in a casual setting once a week. Meeting in person is recommended.

Week One:

Focus: High Ideals - Alpha Phi 101 for New Member

Ivy Linkers Week One: This week's Ivy Linker activity is coffee/breakfast dates. Groups can find a time that works best for them.

Chapter Meeting: After NM Meeting #1 will occur

1 -- Introduction to New Member meeting format: introduce High Ideals and Creed.
Orientation: Explain all things New Member and Alpha Phi. Member Expectations: Explain their expectations as a New Member and initiated member. The advisor present for this meeting will be Pam Marakovits.

Ice Breaker:

- 1) Name Game - The first person says their name. The next person continues, but after saying their own name, they repeat the first person's name. This continues with each person repeating one more name. If stuck, they will be given hints. It's important to quickly become familiar with the members in their own class.
- 2) Introduce Your Neighbor – have 3 minutes to talk to your neighbor then go around in a circle and introduce the person they spoke with.

Overall, the purpose of this first week is to get the new members more familiar with each other and the rest of the chapter. Building a strong relationship right off the bat is key in creating a stronger sisterly bond within the chapter.

Week Two:

Focus: Feel empowered to hold one another accountable and keep each other safe.

Ivy Linkers Week Two: This week's Ivy Linker activity is another fun activity with the group (Ice cream trip).

Chapter Meeting: After NM Meeting #2 will occur

2 -- Taking Care of One Another: Introducing why this is important and our philosophy. Understanding Risk: Talk about what risk is and how it can be prevented. The advisor present for this meeting will be Susan Gregory.

Ice Breaker: Guess who – I will have a group of initiated members come to the beginning of the chapter meeting and we will have a list of fun facts that the new members will have to assign to each of the older members in smaller groups.

Overall, the goal for this week is to make sure new members are feeling comfortable in this new environment and gaining a positive experience. Within this week it is important that new members are settling in comfortably and enjoying themselves.

Week Three:

Focus: Accessing campus resources and understanding our risk management policies and procedures.

Ivy Linkers Week Three: This week's Ivy linkers activity is a movie/spa night at the house.

Chapter Meeting: After NM Meeting #3 will occur

3 -- Campus Resources: Provide a list and contact/location info for appropriate resources relating to health, safety, academics, etc. Alpha Phi Risk Management: Review our policies, procedures, and the way we hold one another accountable (J-Boards). Close with education on date function policies and procedures so New Members know what to expect at the first event. The advisor present for this meeting will be Pam Marakovits.

Ice Breaker: Unique and Shared- The New Members split up into groups and try to find 10 things in common with each other and 5 things that are unique to one another. The first group to find all 15 things wins.

Overall the purpose of this week is to provide the new members with helpful resources that can be found on campus as well as introduce how Alpha Phi holds one another accountable through policies and procedures.

Week Four:

Focus: Alpha Phi provides opportunities for leadership and growth in college and beyond.

Ivy Linkers Week 4: This week's Ivy Linker activity is a movie night which can be accomplished over zoom or in person.

Chapter Meeting: After NM Meeting #4 will occur

4 – Membership Journey: how building their Alpha Phi journey starts with getting involved and provides a list of opportunities that they can choose from. Touch on how involvement doesn't end with college too (advising, alumnae chapters, etc.). Officer Structure: Review elected and appointed positions, committees, and departments. Also talk about ways to be involved outside of Alpha Phi. Leadership Programs/Initiatives: Share current offerings Alpha Phi International has and highlight ones that speak to your chapter/members. The advisor present at this meeting is Jess Nemeth.

Ice Breaker: Counting game: everyone has to have their eyes closed and out loud count up from one to get to 21 without members interrupting each other or speaking at the same time.

Overall the purpose of this week is to understand that Alpha Phi is a place of understanding and support and further develop Psi Epsilon's core value of sisterhood.

Week Five:

Focus: Leading with a generous heart and the Alpha Phi Foundation.

Ivy Linkers Week 5: This week's Ivy Linker activity is a study date which can be accomplished over zoom or in person.

Chapter Meeting: After NM Meeting #5 will occur

5 – Generosity: Discuss generosity as one of our ideals and generally speaking. On-Campus Philanthropy: Review chapter philanthropy events/efforts and other Greek and non-Greek philanthropy events/efforts and why/how to support these causes. The Alpha Phi Foundation: Foundation 101 and the program buckets. Mary Beth Tully is the advisor in attendance for this meeting.

Ice Breaker: What's my hot take? – this activity is where each new member will send the new member educator a hot take that they have (ex: ketchup is good in mac and

cheese), these will be read out loud by new member educator and new members have to guess who wrote each hot take.

Overall the purpose of this week is to introduce the general idea of generosity and the role it plays as an Alpha Phi ideal. Alpha Phi's philanthropy efforts will also be introduced to gain a better understanding of our foundation.

Week Six:

Focus: History and Ceremonies/ Ritual deep dive

Ivy Linkers Week Six:

Chapter Meeting: After NM Meeting #6 will occur

6– Alpha Phi International History: History 101 (fast facts, 10 Founders, Alpha Phi firsts, Founders Day, and the Alpha Phi brand evolution). Chapter History: Share your own chapter history information here! Ceremonies: Discuss Court of Ivy and Initiation (tweak lesson based on if these events have happened or not yet) and instill value in how cool our ritual is. Jessica Nemeth is the advisor in attendance for this meeting.

Ice Breaker: Ride that pony: energizer activity that involves standing in a circle and one person galloping around the circle until the song finishes then they select the next person to gallop in the circle. To switch positions, they dance next to each other to the words “front to front” where they shimmy facing each other then “side to side” where they shimmy their shoulders together then “back to back” where they shimmy facing away from each other.

Inspiration Week: This is a time to reflect on the bonds they have made throughout the NME program and are continuing to build upon. There will be a different bonding activity between the New Member class and each PC, as well as an activity just for them called “Pass the Bear”. This is an important and sentimental activity that all New Members of Alpha Phi take place in. The group meets in a safe space and are given a teddy bear to pass around. Whoever is holding the bear has a turn to speak. The purpose of this activity is to allow the New Members get to know each other on a deeper level as NME comes to a close.

Overall the purpose of this week is to give the new members background knowledge on the history of the chapter and to discuss the upcoming events as new member education comes to a close.

Alpha Phi Court of Ivy Ceremony The Alpha Phi Ceremony is one in which invitations are given to new members for Initiation. This leads directly into Initiation. (Jan 22)

1. To understand and abide by the above definition of hazing.
2. To understand what constitutes hazing as outlined in the New Member Bill of Rights. 3. To refrain from questionable activities that jeopardizes or demeans the image of the fraternity.
4. To make a constructive contribution to the chapter by engaging in only positive, approved, and educationally sound member activities.
5. Hazing is a violation of each of Alpha Phi's rights. A member of Alpha Phi or an individual of another campus organization cannot require that an Alpha Phi participate in a hazing activity or pressure me into being hazed.
6. Each member has the right to say "no" and will not participate in a hazing activity.

Alpha Phi New Member Bill of Rights

[NM Bill of Rights](#)

As a new member, you should not be asked to take part in inappropriate activities, which are considered Hazing.

Hazing is a violation of YOUR rights. A member of Alpha Phi or an individual from any Greek organization CANNOT require or pressure you to participate in a hazing activity. You must say “no” and not participate in any hazing activity.

THE RULES:

IF AN ALPHA PHI CHAPTER PARTICIPATES IN HAZING ACTIVITIES, the ENTIRE chapter may be subject to severe penalties, including probation, suspension, and permanent removal of their chapter’s charter.

Anyone who participates in hazing activities can be subject to judicial sanctions and criminal prosecution.

AS A NEW MEMBER, NO PERSON CAN REQUIRE OR ASK YOU TO PERFORM ANY ACT WHICH:

1. Is sadistic, illegal or immoral.
2. Requires or pressures you to consume alcohol, drugs or any other illegal substance.
3. Prevents you from securing normal amounts of sleep (no activities between 11pm and 7am)
4. Requires that you be present at activities for unreasonable periods of time.

LEHIGH UNIVERSITY HAZING POLICY

Taken from Student Handbook

Guidelines for sanctions in cases involving hazing. The following represents recommendations for sanctions in cases where students or student organizations are found responsible for violations of the Code of Conduct involving hazing. The sanctions demonstrate the seriousness that Lehigh University attaches to these violations. Hearing panels are not limited to these guidelines in determining an appropriate sanction. Hearing panels may determine that a greater or lesser sanction is appropriate depending upon the circumstances of each case. Hearing panels may supplement the sanctions below with other appropriate mandates.

Examples (not exhaustive)

(1) Paddling, whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug or other substance, attempts to control body weight and appearance, or any other forced physical activity that would subject the individual to physical harm.

(2) Fear of those listed above, abandonment, restricting personal conduct, restricting hygiene, forced or coerced consumption of alcohol or other drugs, forced or coerced illegal acts, forced or coerced acts of a sexual nature, line-ups, insulting or derogatory comments, interruption of academic pursuits (i.e., restriction of adequate time to study, restriction of sleep, restriction of access to academic resources, forced or coerced missing of classes or other academic deadlines).

(3) Public buffoonery, other membership requirements that are in violation of the definition of hazing (i.e., requirements to carry objects, wear certain clothing, address members in a subservient manner, scavenger hunts, personal servitude). A non-exhaustive test to see if an activity is to be considered

objectionable behavior would be to examine the goals and/or outcomes of the activity. If the primary goal or outcome of the activity is to cause public ridicule, embarrassment, disruption of normal activities, harassment by others or the denotation of a student in an objectionable manner, then it would meet the definition of this category. Additionally, if a reasonable person would consider the event to be objectionable, it would fall into this category.

Ivy Linker Program

Overseen by Ivy Linker Program Chair (Director of Sisterhood): Paige Carlson and Sophie Barton

The Ivy Linker Program is to help the new members get to know the new sisters in their new member class as well as initiated sisters. We want them to meet more sisters on a personal level in a fun, safe and casual environment. We want them to feel comfortable with the sisters and each other and feel like they can approach any sister if they have questions. The groups will consist of 3-4 new members and 3-4 upperclassmen and will have a captain. These groups will be switched at the 3 week mark. It is also encouraged that the group try to meet with the new members outside of these events in a casual setting like lunch, coffee, study hours during test weeks, or even something as simple as offering them rides to house meetings or their new member meeting. Ivy Linker groups will sit together at the new members' first house meeting to help the new member understand the house meeting and answer questions. Attached is an overview.
