Chi Phi New Member Education Program Spring 2025

Purpose:

The Chi Phi New Member education is based around the values of our fraternity. Friendship, respect, honesty, responsibility, commitment, and personal development are the foundation upon which this plan is built. The creed and ritual are the lifeblood of the fraternity, conveying their importance and understanding in a positive way is integral to the education of our new members. The discussion questions are a guide to start conversations about specific topics. These questions are meant to facilitate meaningful conversation about the topics at hand.

Anti-Hazing Statement:

The Chi Phi Fraternity does not tolerate hazing of any kind, at any time, under any circumstances. As taken from the Chi Phi Constitution, every New Member and Brother of the Chi Phi Fraternity has the following obligations:

- A. No membership of the Chapter shall permit a program during membership education (pledging), initiation, or membership of a person that tends to harm physically, spiritually, or morally degrade the New Member, Brother, or Chapter of the Fraternity.
- B. All forms of hazing are prohibited.
- C. Hazing is defined as “any such activity of the Fraternity or its individual members which causes or is likely to cause mental or physical danger or harm.”
- D. Any activity that can be termed unsanitary, dangerous, degrading, or potentially so is unacceptable.
- E. Any Officer, Brother, New Member, or Alumnus has a duty to follow this provision.

The Chi Phi Fraternity also believes that there is no such thing as an innocent bystander. It is everyone's responsibility to combat hazing whenever it is present or has the potential of being so. Brothers, New Members, and Alumni all have the responsibility to report and confront hazing if they become aware of it, initiate it, or are a victim of it.
