The Delta Chi Fraternity OF Lehigh University

Associate Member Program
Fall 2018
Foreword

Section 1: Statement of Purpose

“I will strive for academic achievement and practice academic integrity.”

-Expectation Number 1

Delta Chi at Lehigh University strives to continually advance the appreciation and understanding of intellectual development. The First Expectation of Delta Chi is learned by all brothers through the Associate Member Process and the key to this expectation is effort. Our brotherhood continually challenges itself by pursuing some of the most difficult majors on campus. Failure is not something that should be a deterrent but another opportunity for development. Disappointment may come to each individual but it is the strength of one’s character and their commitment to continual development that demonstrates how much one learns. Our brotherhood prides itself on **continually pursuing new challenges** in our careers here at Lehigh while **developing as individuals** and **developing our fraternity** on this campus.

Section 2: Mission

The Associate Member Program exists to achieve these three main goals through the following activities outlined below: 1) **Teach**, to the best of the chapter’s ability, Associate Members to be productive active members of Lehigh Delta Chi. 2) Give the Associate Members the opportunity to get to **know one another**. 3) Give the Brothers the opportunity to get to know the Associate Members and be prepared to have them join the chapter as **one cohesive brotherhood**.
Section 3: The Associate Member Bill of Rights

As an associate member of The Delta Chi Fraternity, you have the opportunity to participate in a number of activities known collectively as the membership education program. The membership education program should reflect these goals:

- To learn more about **yourself**
- To learn more about **others**
- To learn the history and the goals of our **fraternity**

Most students who join a fraternity have an excellent experience. If you choose to join you do not relinquish your rights as an individual. As an associate member, you have the right:

- To make your own decisions – **to be yourself**
- To place **academic pursuits** before any other activities
- To be treated with **respect** and treat other with respect
- **Not to participate** in any activity that involves harassment or has the potential for danger (see below).
- **Not to be subjected to any form of hazing** that includes interference with the personal liberty of others or includes any act of domination by some students over others that may lead to injury, emotional disturbance, physical discomfort or humiliation. This includes the forced consumption of alcohol.
- **To all rights of a full member of Delta Chi.** Including but not limited to:
  - Making motions in chapter meetings to discuss or vote on
  - Voting privileges on everything except votes on membership (bids, initiation, inactivity)
  - Bringing Brothers and fellow Associate Members to Standards Board
  - Being an active member of committees (philanthropy, scholarship, etc)

The goal of the Associate Member Program is to attain personal growth through brotherhood. If you are asked to participate in any new member function, you should evaluate the **educational value of the activity.** As an individual you have the **right to reject participation** in activities that encourage or require you to:

- **Consume alcohol or drugs**
- **Steal**, take, or remove property from the college or others
- Participate in activities that transgress **moral or ethical behavior**
- Perform any task that conflicts with your duty to **your God** or **your country**
Section 4: Anti Hazing Statement

No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense.

Hazing activities are defined as:

Hazing is any action taken or situation created, whether on or off campus, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Hazing includes but is not limited to any brutality of a physical nature, such as paddling, whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug or other substance, or any other forced physical activity that would subject the individual to physical harm or mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which would adversely affect the mental health or dignity of the individual. Among prohibited activities are forced or coerced activities which create excessive fatigue; cause physical and psychological shocks; involve kidnapping; involve morally questionable quests, treasure hunts, scavenger hunts, or any other such activities; involve publicly wearing apparel that is conspicuous and not normally good taste; cause students to engage in public stunts and buffoonery, morally degrading or humiliating games and activities, or late night activities which interfere with scholastic activities. Also prohibited are any activities that are in violation of federal, state, or local laws, [Lehigh University’s] Code of Conduct, or accepted standards of good taste or propriety. For purposes of this definition, any activity described in this paragraph upon which the admission into or affiliation with an organization is directly or indirectly conditioned shall be presumed to be “forced or coerced” activity, the willingness of an individual to participate in such activity notwithstanding.

-Lehigh University Student Handbook

We are strongly opposed to any practices that are or may appear to be hazing. The experience of Delta Chi associate members should be one of education, challenges, personal development, and excitement. Hazing in any form contradicts these goals and is a direct violation of both the Ten Basic Expectations of a Delta Chi and the oath that every member takes during his initiation.

**Missing OFSA New Member Orientation, to be scheduled - will be within the first two weeks (09/10-09/22)

***Additional “Sessions” may be scheduled with prior approval from OFSA
Section 2: Brief Overview

Above is the general outline for the six week plan for Delta Chi’s New Member Education Plan. Each of these events will be detailed in the subsequent sections. The AM’s are given at least one day a week to focus on work outside of their New Member Education, if not already worked into their AM Schedule. Each member is required to be at every event, unless an acceptable excuse is given to the AMC within 24hrs (exceptions can be made). Associate Members are directed to speak with their AMC, the ‘F’ or the ‘A’ if they feel uncomfortable with the process.

AM Pinning

Location: Delta Chi Fraternity House  
Time: 4-5pm  
Guest(s): All Active Members and Alumni  
Point of Contact: AMC

This Ceremony will mark the beginning of the Associate Member’s life as a member of Delta Chi. It is a mandatory event for all active brothers. Alumni are also invited to attend. Also, Delta Chi’s Assistant Director in the Office of Fraternity and Sorority Affairs is invited to attend. The ceremony is available on Delta Chi Headquarters site. At the Ceremony, the Associate Members will be presented with their Associate Member pins and their Cornerstone. The pin is to be worn to all chapter meetings and the Cornerstone contains the information that will be taught in the coming weeks. Food and beverages will be provided.

“F” Talks - Risk Management Class

Location: Delta Chi Fraternity House  
Time: 4pm - 5pm  
Guest(s): F  
Point of Contact: AMC

Each of these days, the ‘F’ will run a session regarding risk management within the chapter. He will be expected to review specific aspects of FIPG policy as it pertains to social events, new member education, and facility management. He will also discuss how to maintain safe chapter operations in each of these 3 aspects. The other 2 talks will pertain to social host training and
Lehigh’s Code of Conduct. This is the following agenda for each class:

- Talk 1: Introduction to risk management and what it means to be the “F” of the fraternity. This talk will consist of going over the Risk Management manual of Delta Chi, the “Critical Information” documentation as listed at [http://deltachi.org/fs-resources/](http://deltachi.org/fs-resources/) and a review of the day-to-day responsibilities of the Risk Manager. This class will also indepthly cover the recently and consistently updated, Lehigh Delta Chi Risk Management Policy, the personalized risk management plan for the chapter. This encompasses Delta Chi IHQ policies, Lehigh University Social Policy,

- Talk 2: This day will involve walking through “risky situation” simulations, with the “F” leading them. Brothers will act out various roles, such as a highly intoxicated individual, an injured party-goer, or an unstable recruit at an event. The F will show how to handle these situations, and the new members will experience each of these situations themselves, learning how to handle situations like these and beyond. This will also involve an explanation of Medical Amnesty and what it means and when to use it.

- Talk 3: This day will involve an examination of Lehigh’s Code of Conduct and the social policy. The “F” will walk through the code of conduct with the New Members, explaining how each point pertains to us and how we abide by those points. We will use our conduct case from Spring 2017 as an example of how we failed and how we have improved and reacted to it. Additionally, we will go over the Social Policy of Lehigh (similar to Social Host training) and how it pertains to us, as well as how to follow it.

- Talk 4: Review day. This day will involve a reviewal of all of the documentation we have went over so far, with the New Members leading the discussion. Each one will give an example of an incident that breaks the code of conduct, and explain why it violates Lehigh’s code of conduct. Additionally, our “F” will explain different scenarios, and the new members will talk about the sections of the code of conduct it violates. Additionally, half of the new members will go through “risky simulations” again, with them leading it and the “F” observing.

- Talk 5: This class will be spent going over the history of Greek Life at Lehigh University, specifically their conduct incidents. New members will read previous conduct reports on other fraternities and how it led to their ultimate dissolving as well as the endangerment of other lives. The “F” will explain the failures of risk management, and new members will collaborate on how they would have handled each event. Additionally, the other half of the new member class will go through “risky simulations”, with them leaving it.

Class Sessions: LU Police Department, Counseling Services, Center for Gender Equity

Location: Designated University Reserved Room
Time: 4:10pm – 5pm, unless otherwise specified
Point of Contact: AMC

The Sessions with each of these individual offices are in-person discussions/sessions with our AM’s during the upcoming semester, in which the offices are able to provide them with the exposure of what the office does and what resources it provides. Having this conversation directly with a member from the office, we believe, will have a strong and effective impact on our new members, and hopefully give them that first engagement that leads to future ones as Needed.

Counseling Services:

This session will consist of a Counseling Services representative discussing mental health and the resources the office provides for these types of situations. This session is open to active members and will be part of the Member Development Plan as well.

LU Police Department:

This session will consist of a LUPD representative discussing what services the university police provides to students. Further, the LUPD officer will discuss and explain how LUPD is involved with Delta Chi’s registered social events (event staff, officers on call, etc).

Center for Gender Equity

This session will consist of a CGE representative discussing gender equity and its role and importance on Lehigh’s campus and in society in general. The focus for discussions should revolve around men and masculinity, a prevalent issue and unfortunately non-prevalent open discussion in the greek community today. Further, the office will discuss the resources that the office provides for students and organizations seeking opportunities to better Lehigh’s (or a specific part of Lehigh) understanding and implementation of gender equity. The AM’s will end the session by brainstorming ideas with the representative on an event or project that would better greek life’s position with gender equity, specifically men and masculinity (unless the AM class has another
passion under gender equity that they would rather address). This session is open to active members and will be part of the Member Development Plan as well.

Iron Chef

Guests: ‘A’, Steward, Fraternity Chef, Brothers
Point of Contact: AMC(s)
Location: Delta Chi Fraternity House
Time: 6pm – 8pm

Iron Chef will be a cooking competition conducted at the location mentioned above. The AM’s will be split up into teAM's by the AMC. Cliques within the class should be separated. The AM’s will have a week to come up with an appetizer, dinner, and dessert course and be driven to the store to acquire the ingredients. Then, each course will be graded and judged and a winning team will be announced. The event should teach the AM’s to work together with individuals that they do not normally work with. Further, the event teaches the AM’s the in’s and out’s of the fraternity kitchen.

Community Service Event 1

Location: TBD by Community Service Chair
Time: TBD by Community Service Chair
Guest(s): Active Brothers
Point of Contact: AMC(s)

The AM’s will participate in a community service event that is set up by the Community Service Chair as per their discussion the week prior. The AM’s and brothers will have this opportunity to work towards our 6 hour requirement per semester that we expect of all active brothers in the Fraternity.
AM Retreat

Location: Delta Chi Fraternity House  
Time: 6pm – 11pm  
Guest(s): Social, F, BB, and Active Members  
Point of Contact: AMC

This retreat is geared towards immersing the new associate members in how to be a gentleman of Delta Chi. The opening will be trust exercises to help the new associate members get to bond with each other and get comfortable with each other. Trust exercises will be helium stick, key punch, and mine field. Descriptions for these activities can be found on this website http://www.wilderdom.com/games/InitiativeGames.html.

The Associate Member class shall meet with the AMC where he will introduce the class on the Associate Member Class Gift Project as well as class paddle. The Associate Members will have the opportunity to brainstorm ideas for both projects. Past examples for Class Gifts include wall art, DJ Stands, etc. The best way to approach the paddle is to create a theme for the class and apply it to the design. The paddle will be decorative only and collected along with all subsequent classes to be displayed as a representation of their class. This part of the retreat will mostly be spent brainstorming themes and ideas.

The song Delta Chi Sweetheart is a favorite around here in Lehigh’s chapter of Delta Chi. The AMC will lead the song and help the Associate Members learn the words and tune. A second song that needs to be learned is the Delta Chi Bond Song. This song is sung at the conclusion of every chapter meeting and so it will be helpful for the associate members to learn the song during the associate member process.

Big Brother Ceremony

Location: Delta Chi Fraternity House  
Time: 8pm  
Guest(s): All Active Brothers and Alumni  
Point of Contact: AMC(s)

The Big Brother Ceremony of Delta Chi shall be performed this evening. This is a closed event to only initiated active brothers of the Delta Chi Fraternity, Associate Members, and alumni of the Delta Chi Fraternity. This ceremony can be found on Delta Chi IHQ’s website.

Community Service Event 2

Location: TBD by AM’s
Time: TBD by AM’s
Guest(s): Active Brothers
Point of Contact: AMC(s)

The AM’s will participate in a community service event that is planned by themselves, with assistance from the Community Service Chair and the Community Service Office. The AM’s should seek out a community service opportunity, coordinate the time, and, if needed, change the provided date (giving the AMC enough notice to get the date change approved by OFSA). Examples of events that could be capitalized on are AEPI’s Sunday Cleanup and the Boys and Girls Club. The AM’s should utilize the CSO Session earlier in the process to maximize the effectiveness of this event.

The AM’s and brothers will have this opportunity to work towards our 6 hour requirement that we expect of all active brothers in the Fraternity.

Brotherhood Bonding Hike

Location: South Mountain
Time: 5pm – 6pm
Guest: Any active brothers
Point of Contact: AMC(s)

The associate members will meet at the house and from there the AMC will escort them to walk up South Mountain to see the sculpture garden and then later on continue onto the Bethlehem star. Any active brother is invited to also attend and share on enjoying nature's views. The overlook is one the best views of Bethlehem around campus and the hike should be an enjoyable experience.

Pre-I Rock and Candle/ Death of a Fraternity

Location: Delta Chi Fraternity House
Time: 8pm – 9pm
Guest(s): Active Brothers
Point of Contact: AMC(s)

AM’s will be instructed to bring a rock to the event the day prior. There, they will be instructed to analyze what that rock means to them. AM’s will hear the story of how a fraternity went from being at the top to dying out in just a few short years. This exercise should give the AM’s a better idea to what running a fraternity entails and what could happen to a fraternity if the wrong decisions are made. This will be intertwined with the Delta Chi conduct case from Spring 2017, showing how that almost lead to the death of our fraternity, and how we have improved ourselves from this point.

Initiation

Location: Delta Chi Fraternity House
Time: 8pm
Guest(s): Active Brothers, Alumni
Point of Contact: AMC(s)

Initiation will be conducted as per the Delta Chi Fraternity, Inc.
Appendices

Section 1: The Preamble of Delta Chi

We, the members of The Delta Chi Fraternity, believing that great advantages are to be derived from a brotherhood of college and university men, appreciating that close association may promote friendship, develop character, advance justice, and assist in the acquisition of a sound education, do ordain and establish this constitution.

Section 2: Eleven Basic Expectations of a Delta Chi

1. I will strive for academic achievement and practice academic integrity.
2. I will respect the dignity and worth of all persons. I will not physically, mentally, psychologically, or sexually abuse or haze any human being.
3. I will protect the health and safety of all human beings.
4. I will respect my property and the property of others; therefore, I will neither abuse nor tolerate the abuse of property.
5. I will meet my financial obligations in a timely manner.
6. I will neither use nor support the use of illegal drugs; I will neither abuse nor support the abuse of alcohol.
7. I will acknowledge that a clean and attractive environment is essential to both physical and mental health; therefore, I will do all in my power to see that the chapter property is safe, properly cleaned and maintained.
8. I will know and understand the ideals expressed in my fraternity Ritual and will incorporate them into my daily life.
9. I will exercise compassion and understanding in dealing with all persons.
10. I will sustain my commitment to and involvement with, our future throughout my lifetime.
11. I will challenge all my fraternity members to abide by these fraternity obligations and will confront those who violate them.

Section 3: Expectations of a Lehigh Delta Chi

These are the established minimum expectations of all members of Lehigh Delta Chi. They have been created, discussed, evaluated, and voted on by the chapter.

- 8 hours of community service/philanthropy participation per semester ($10 fine to Jimmy V per hour missed)
- Maintain minimum GPA above all fraternity average (AIP mandated if below)
• Attend all chapter meetings unless providing the “C” with valid reason ($25 fine for missing more than one meeting unexcused)

Section 4: Expectations of an Associate Member

Every associate member is encouraged to attend every event. If there is reason why an associate member has to miss an event, communication to the AMC is expected.

Another cornerstone of the Associate Member process is a strict sober policy. All Associate Members are expected to remain sober for the six weeks. The process is time consuming and challenging enough that no other distractions should be presented to the class. Inability to follow these guidelines will be dealt with by the chapter “F”.

Every week, Associate Members will take a quiz to test their knowledge of the material taught to them in the previous week. The purpose of this ‘grading’ methodology is not to humiliate or single out an Associate Member, but to ensure that we are delivering a proper education to the New Members. These quizzes have no direct impact on an AM’s initiation.

Section 5: Expectations of the AMC, Committee, & Chapter

The Associate Member Counselor will serve as the main facilitator for the execution of this program. The Associate Member Counselor’s Committee will be active participants and stand-in facilitators of Program should the AMC require assistance. The Associate Membership Program is designed to involve the entirety of the brotherhood; at no point shall an event be scheduled or rescheduled at the whim of the AMC without proper notification of the brotherhood during a Chapter Meeting. It should be noted that the AMC is a committee chairman and therefore expected to be in attendance at both committee chairmen’s meeting and executive board meetings, especially during the course of the Associate Member Process. Furthermore, per the by-laws, the AMC serves at the discretion of the executive board and the chapter; should any deviance from this plan occur, disciplinary action will be taken.

All chapter members will be held accountable for providing any alcohol to any Associate Member. If a brother is found in violation of this policy, the “F” reserves the right to bring the responsible parties before the Standards Board.

Section 6: Social Events

Scheduled social events will be able to be viewed by the AM’s. The policy remains the same for every event. While not mandatory, it is recommended that the AM's attend all social events. If they attend, the sober policy mentioned above doesn't change. They must still remain sober the entire event, no exceptions. If the AM(s) are caught drinking, they will be reprimanded at the discretion of the F.
Section 7: Equal Responsibilities

All members, associate and initiated, of Lehigh Delta Chi are equally responsible for the operations of the chapter. This means that the weekly duties of the fraternity, including but not limited to registered event’s sober monitors and bartenders, social event cleaning duties, social event designated rides, and daily kitchen dishes cleans, are to be equally distributed amongst members. This means that associate members are expected to equally partake in these duties, as it is essential to properly learn how to do them early on in one’s fraternal career, but also that these duties are not limited to just associate members; thus, it is also expected that the initiated members are also expected to equally partake in these duties.

It is the duty of the ‘F’, and subsequently the Social Chairmen, House Managers, and Steward, to properly ensure that duties are equally distributed amongst members.

These duties should be expected for AM’s, as AM’s are granted all rights of membership (besides the right to vote on their own initiation) and thus should expect to take on the associated responsibilities.
