6. If you would like to search for events that are categorized in a specific Foundation (i.e. events that will fulfill the “Inclusive Leadership” Foundation), find the Foundation in the Categories drop-down menu and select it. This will narrow the list of events to only include 5x10s within that specific Foundation. ****NOTE:** When filtering for events in the “Categories” section, please only “check” one category at a time. If you select one of the Five Foundations (Collaborative Connections, Creative Curiosity, Identity Development, Inclusive Leadership, or Professional Growth & Success), all events will automatically be 5x10 events.**

7. If you see an event you like, go ahead and click on it to learn more! You will find the event description, as well as the date, time, and location of the event. You also have the option to RSVP (this is not required for most events, and if it is there will be specific instructions in the description). **Only events that have “5x10” and one of the 5 Foundations for Student Success listed in the “Categories” section on the event page qualify as 5x10 events.**

You must sign-in for every 5x10 event you attend in order to get credit. This could mean writing your Lehigh E-Mail Address on a paper sign-in sheet, typing your Lehigh E-Mail Address into the event page, scanning a QR code, or swiping your ID Card. **Please bring your Lehigh ID Card to every 5x10 event you attend.**

Description

The demonstration's purpose is to identify student knowledge regarding alcohol and specifically to convey actual versus perceived alcohol consumption of Lehigh students in an effort to make students cognizant of what they are drinking. This training will discuss how to raise awareness of the effects of alcohol and explain the bystander effect.
