SUMMER CHECKLIST*

MAY
☐ Submit Housing Contract (due June 5)
☐ Complete emergency contact information
☐ Submit ID card photo
☐ Create your LINC account
☐ Submit student health forms
☐ Complete the Music Interest Survey

JUNE
☐ Register for preLUision (optional)
☐ Register for Orientation and complete waiver (due June 30)
☐ Enter your health information on the Patient Health Portal online
☐ Complete the Research Skills Assessment
☐ Submit Disability Documentation (if applicable)
☐ Send high school transcripts to Admissions
☐ Sign up for bookstore discounts (optional)
☐ Take the First-Year Survey

JULY
☐ Educational Payment Plan Application and first installment (due July 1)
☐ Register for Fall courses
☐ Enroll/waive health insurance
☐ Meet students and alumni at a Sendoff
☐ Access your student billing statement
☐ Review your housing assignment
☐ Learn about car-pooling options and Enterprise Car-Share

AUGUST
☐ Tuition payment due (August 1)
☐ Orientation and Move-In Day live webinar (August 12)
☐ Finish summer reading book
☐ Complete the Academic Integrity Online Module
☐ Submit your summer reading response to the Lehigh Review (optional)
☐ Move-In Day/Orientation begins (August 20)

* This is not a complete list. Check the portal often as new things may be added throughout the summer!
WHAT TO BRING TO LEHIGH

LIVE
☐ Cell phone and charger
☐ Clothes (casual, dress, outerwear, sportswear, sleepwear)
☐ Driver's license or ID card
☐ Electric razor
☐ Fan
☐ Flashlight
☐ Hairbrush
☐ Hair dryer/straightener/curling iron
☐ Hangers
☐ Iron with auto shut off, Ironing board
☐ Mirror
☐ Posters and pictures
☐ Refrigerator (less than 4.6 cubic feet)
☐ Reusable water bottle
☐ Robe
☐ Rug
☐ Sewing kit
☐ Speakers
☐ Storage bins
☐ TV
☐ Umbrella/rain gear
☐ Wastebasket

STUDY
☐ Backpack or school bag
☐ Calendar/planner
☐ Computer
☐ Desk lamp (no halogen bulbs)
☐ Desk supplies (stapler, tape, envelopes, etc.)
☐ Ethernet cord for direct internet connection (rooms have wireless access)
☐ Headphones
☐ Printer
☐ School supplies (notebooks, pens, binders, etc.)
☐ Surge protector
☐ USB flash drive

WASH
☐ Flip flops/shower shoes
☐ Shower tote
☐ Toiletries/cosmetics
☐ Towels/washcloths

SLEEP
☐ Bed pillows
☐ Blankets, comforter, etc.
☐ Extra-long twin sheets
☐ Mattress pad
☐ Pillow protectors

LAUNDRY
☐ Dryer sheets
☐ Drying rack
☐ Laundry bag/basket
☐ Laundry detergent/fabric softener
☐ Stain remover

MEDICAL
☐ First Aid kit
☐ Insurance card
☐ Over-the-Counter medications
☐ Prescription medications
☐ Thermometer

NOT TO BRING
☒ Candles
☒ Electric cooking appliances
☒ Electric kettle/hot pot
☒ Halogen lamps/bulbs
☒ Incandescent light bulbs
☒ Microwave ovens
☒ Over the door hanger
☒ Pets (except fish aquariums of 10 gallons or less)
☒ Portable heaters or air conditioners
The First-Year Experience at Lehigh

- Summer Checklist (May–August)
- preLUsion (August 17–19)
- Orientation (August 20–23)
- Camp Hawk (September 11–13)
- NavigateLU (September–November)
Welcome to Lehigh!

In just a few months you will join the rest of the Class of 2024, and we cannot wait to meet you!

A term you will hear throughout your Lehigh experience is bLUeprint. We want you to intentionally create your Lehigh experience and make meaning of all your interactions, conversations, lectures, experiences, etc., using the Five Foundations for Student Success. We want you to discover more about yourself and Lehigh, explore the vast array of ideas and experiences in this community, connect what you learn inside and outside the classroom, and apply your understanding and insight to future endeavors. We want you to try new things, step out of your comfort zone, and reflect on who you are and who you want your college experience to help you be in the future. We want you to evolve into the best version of yourself. The Office of the First-Year Experience (OFYE) is just one university office that will be guiding you throughout the next few years. Get ready, it is an exciting journey!

While it is up to you to create your Lehigh experience, we will shape your exposure and learning, using the Five Foundations for Student Success:

- **Creative Curiosity** — Developing a creative and curious outlook to guide and shape every aspect of your life.
- **Identity Development** — Developing into your own unique person, living out your carefully chosen values and beliefs.
- **Collaborative Connections** — Shaping collaborative relationships and communities, utilizing your personal values.
- **Inclusive Leadership** — Developing inclusive leadership skills that guide your decisions, actions and contributions to a diverse community.
- **Professional Growth and Success** — Creating and living out a personal definition of success based on your interests, who you are, and what you want to contribute to the world.

We know you have a lot on your mind as you prepare to start your college career, so the information in this Welcome Kit is designed to help make this a smooth transition. **Be sure to read everything on these pages and then complete the necessary tasks.** It’s **your** experience and you need to know what is on these pages.
GETTING STARTED

As a new student, there are a few things you need to complete before August. We call it your Summer Checklist. Make sure you complete these items (and not your mom, brother or cousin, even though they may be tempted to help you out). Finishing these tasks on your own, or with a little guidance from us, will help you in the event you have a question when you arrive in the fall. Trust us. We have done this before.

LOG INTO THE LEHIGH STUDENT PORTAL

The Lehigh Student Portal (go.lehigh.edu/lehighportal) is your one-stop-shop for Lehigh information. To log in, use your Lehigh computing account credentials, or the six-character username (e.g., abc123) and the password you established after you were admitted. If you haven’t created your Lehigh computing account, go to the Applicant Student Portal and click on the link “Establish your Lehigh Account.” If you need assistance, please contact the Lehigh Help Desk at 610-758-HELP (4357).

On Thursday, May 14, you will be given access to new information on the portal. This page is just for first-year students and has been created to help you keep everything organized using the Summer Checklist.

*You may see a link to the portal in Connect Lehigh (connect.lehigh.edu). This is NOT the portal we are referencing.

SUMMER CHECKLIST

The Summer Checklist is designed to help you keep track of the tasks you need to complete before your arrival. You can check off items as you go! On pages 3 and 4 are a few notes regarding specific checklist items. This is not a complete list! Log into the Lehigh Student Portal for a complete list and to view item deadlines. You will need to log into your campus account one additional time to get access to the checklist.

LEHIGH EMAIL

On Thursday, May 14, your Lehigh Gmail account will be made available at lehigh.edu/google. All official university communication will ONLY be sent to your Lehigh email! If you have questions regarding your Lehigh Gmail account, check out the computing information on the portal or contact the Lehigh Help Desk.
SUBMIT YOUR ID CARD APPLICATION
Your ID card identifies you as a member of the Lehigh community and grants you access to your residence hall, academic buildings, and athletic events. It is also how you access your meal plan and GoldPLUS account. You must submit your ID photo via email. More information is available on the Summer Checklist. You will receive your ID card at your residence hall when you arrive in August.

PREPARE FOR THE SUMMER READING DISCUSSION
Develop and polish your college-level reading and critical thinking skills through our Summer Reading Program. Here’s how:
- Read Make your Home Among Strangers by Jennine Capó Crucet
- Review the processing questions on the portal
- Prepare for a conversation with faculty and staff during Orientation (that conversation will continue in some of your coursework!)
- Consider submitting a response to the Lehigh Review
- Check our website for other ways to get involved during the summer

What is the Lehigh Review? After reading the Summer Reading book, you will have the opportunity to submit a reflection to be considered for publication in the Lehigh Review, the university’s undergraduate journal! For the past twenty-eight years, this entirely student-produced journal has been publishing some of the best scholarly work by Lehigh students. To view the reflection prompts and learn how to submit your reflection, check the Summer Checklist.

STUDENT HEALTH INFORMATION
Please look for updates regarding requirements and deadlines for submission of student health information on the Summer Checklist. In addition, you can expect an email from the Health & Wellness Center Team as this information becomes available.
GETTING STARTED

CLASS OF 2024 WELCOME KIT

COMPLETE SURVEYS
On the Summer Checklist, there are a few surveys you need to complete including the Orientation Confirmation, First-Year Survey and the Research Skills Assessment. The surveys will disappear from your checklist once you have completed them, so don’t panic if you log in one day and they are gone. Unless, of course, you didn’t complete them...then you may need to go check if someone in your family did it for you. (Then you need to ask why they have your login information. This is one time it is ok NOT to share!)

CREATE YOUR LINC ACCOUNT
LINC is a “virtual campus center” and the primary location for the Lehigh community to learn about student involvement opportunities. You can manage your club and organization participation, learn about involvement opportunities, and join organizations on LINC, so create your account now. Instructions are available on the Summer Checklist.

LIBRARIES AND TECHNOLOGY AT LEHIGH
Library & Technology Services (LTS) supports the technology and library needs of students. LTS offers help and support, networking, computing labs, a myriad of library databases, ejournals, ebooks, free software, printing (up to 1500 pages), and more!

The LTS Help Desk and the Student Technology and Repair Services (STARS) help students with all kinds of technology issues. To find out more visit go.lehigh.edu/itsintro.

GET CONNECTED
Meet your Orientation Leaders, stay on top of deadlines, and get an inside look at what’s happening at Lehigh by checking out our social media. The OFYE will be posting updates over the summer as we prepare and get excited for your arrival, so be sure to like us on Facebook and follow @LehighOFYE on Instagram and Twitter. Additionally, we encourage you to check out the Lehigh University Class of 2024 Facebook page to connect with peers!

Reminder:
All official Lehigh communication will be sent to your Lehigh email address, beginning May 14 and yes, you really do need to check it every day.
**LIVE LEHIGH**

**Welcome Home!**
Every student who lives on-campus Lives Lehigh. Your residence hall will not only be the place where you sleep, study, and hang out... but also where you will begin to further explore your identities, your understanding of community, and how your education at Lehigh will equip you to make an impact on those around you. Each residential community available to you next year will offer different opportunities to connect with those around you based on building structure and housing options, so think carefully about your preferences. That could include interest in one of our themed communities, or having the ability to engage with those of similar or differing gender identities. Remember that you have a part to play in shaping what our community looks like, and your connection with those around you is how Lehigh will begin to feel like your home and not just your campus. Lehigh is your community now, and you belong here. So, meet your neighbors. Talk to your Gryphon. Grab a hot drink or a bite to eat with someone you haven’t met yet. Choose to Live Lehigh.

**How to Sign Up for Housing**
Check your Summer Checklist May 18th for the link to complete your housing contract.

**STEP 1:** Preference housing options. You can find more information about housing options and themed communities at go.lehigh.edu/fyshousing
- If you have a medical condition that requires special housing placement, please go to go.lehigh.edu/fysmedical and file all paperwork outlined in the information by June 1.
- Preference the themed residential options that you prefer. If you do not select any, or if there are no more spaces available, you will automatically be placed into housing.
- Preference a single room if you wish to live by yourself. Single rooms are not guaranteed as they are limited in number.
- Preference the gender configuration(s) where you would be comfortable living (all gender, co-ed by floor/wing, or co-ed by building)

**STEP 2:** Choose a meal plan (see page 9 for more details!)

If you want to change information you have already submitted, please complete the Housing Contract online again by June 5. The new submission will replace your original submission.
Themed Communities
Lehigh offers themed communities so you can meet and live among students with whom you share a common interest. It is a great opportunity to build a point of connection around a part of your identity that is important to you and that you want to share with others. Each themed community is supported by professional staff who work in partnership with student leaders to plan events and programs connected to the community’s theme.

This year’s Themed Community options are:
- Arts Alive
- CHOICE
- First Gen
- Global Lehigh
- Live.Learn.Serve
- Outdoor Adventure
- STEM
- UMOJA

Arts Alive
A community focused on exploring and exposing students to the diverse fields of the fine and performing arts. Past events and programs within the community include music, slam poetry, spoken word, dance, improv theater, creative writing, glass blowing and more! Residents may have the opportunity to attend events at Zoellner Arts Center, Arts Quest, Banana Factory, and other venues in the Lehigh Valley, New York, and Philadelphia.

CHOICE
A community for students committed to living a healthy, substance-free lifestyle in a fun and engaging environment. Past events and programs to connect residents are CHOICE Pairings: Chocolate & Cheese, a Halloween Movie Marathon, and Breakfast and Board Game Night.

First Gen
A community which provides additional resources and communal support to first generation college students. Through events and programs, such as their Welcome Dinner and First Generation Faculty and Staff Panel, First Gen residents begin creating connections which will allow them to excel during their time at Lehigh.

Housing Application
Housing application is due June 5!
Global Lehigh
A community for domestic and international students interested in learning about world cultures and to promote better international understanding. Residents will connect with such Lehigh resources as the Office of International Students & Scholars, the Study Abroad Office, and the Lee Iacocca Institute. Residents will explore a plethora of countries and cultures through events, meals, guest speakers, films, and more.

In partnership with the Community Service Office, this community engages in meaningful service opportunities that will allow residents to cultivate relationships with the South Bethlehem and Lehigh communities. Such service opportunities can include tutoring at a local, elementary/middle school through America Reads America Counts, serving meals at Victory House, and volunteering at the annual Spooktacular event on-campus.

Outdoor Adventure
A community for students who are interested in engaging in a variety of outdoor activities throughout the Lehigh Valley and surrounding areas. Activities within the community will appeal to a variety of interests and skill levels, so all residents are able to participate. Past trips have included Seven Tubs hike and swim and a day trip to Tuscarora State Park.

STEM
Students will enhance their knowledge of science, technology, engineering, and mathematics outside of their classroom experiences in order to develop the skills necessary to be chosen leaders in their field. The STEM Themed Community includes STEM faculty panels, peer-to-peer mentoring, close faculty advising for residents, and trips such as a visit to the National Museum of Mathematics in New York City.

UMOJA
UMOJA, which means “unity” in Swahili, allows residents to develop a sense of community through a shared exploration of diversity and multiculturalism. The UMOJA house serves as an inclusive center for mentorship and support on-campus. Annual events include a Welcome Home Celebration, a Success Series focused on both personal and professional development topics, and the end of semester Study Jams in preparation for final exams.

Be sure to check your Lehigh email for your housing and roommate information in July!
Room Details
Room rates are the same for each building. Most residence hall rooms are doubles, but there are also a limited number of singles and triples. Each room has a bed with a mattress, desk with chair, bookshelf, dresser or built-in drawers and a closet or wardrobe. All rooms are equipped with an active cable jack. Wireless Internet access is available throughout all residence halls in both bedrooms and common areas. Within the residence halls, common areas include lounges, kitchens, study rooms, laundry rooms and game rooms. Vending machines are also located in each residence hall.

Housing and Roommate Selection
Lehigh assigns rooms based on desired housing and programmatic preferences. A random process will be utilized to determine your housing assignment along with others who have made similar selections.

Once your residence hall is assigned, you are matched with a roommate using the information you provide on My College Roomie. If you request a student and he or she requests you and your programmatic preferences match, you will automatically be placed together whenever possible.

For those looking to match up with a roommate, you can also use My College Roomie to interact with other students and find a roommate.

All first-year students are required to live on campus, but you may petition Housing Services for exemption for the following reasons:

- You are 22 years of age or older.
- You reside with a parent or legal guardian within a 30-mile radius of Lehigh University.
- You are married.
- One or more dependents live with you.

If you qualify and would like to petition, go to go.lehigh.edu/exemption and submit your petition by June 5.

Live-In Staff
Gryphons
At Lehigh, Resident Assistants/Advisors are called “Gryphons,” after the mythical beast that guarded the gold of ancient Scythia. As keepers of the gold (our residents), the tradition of Gryphons at Lehigh dates back to the 1950s, originated to help first-year students integrate into the academic rigors of the University. The Gryphon Society, as they are known, are upper-class students who live in your community with you and are available to assist you as you navigate your journey. They can answer questions, help connect you to campus resources, facilitate programming that helps you build connections with your fellow Mountain Hawks, or provide support in moments of unexpected hardship, in addition to having the responsibility of ensuring community members are acting safely and responsibly by enforcing community expectations and University policy.

Assistant Directors
As a resident at Lehigh you will also have an Assistant Director of Residence Life available to you for guidance and support. Your Assistant Director (AD) supervises the
Gryphon staff, and is a live-in professional staff member who also calls Lehigh home. Your AD has an office within your community and is entrusted with cultivating a positive and inclusive residential environment for all our students to learn and grow. They are a great resource to keep in mind along the way.

Lehigh Dining Services
Lehigh Dining offers the most extensive dining portfolio in the Lehigh Valley. Our team is committed to providing the Lehigh community with an extraordinary dining experience at our three custom-designed student restaurants, nine retail locations, two food trucks and a first-of-its-kind 24/7 self-serve micromart.

Meal Plans
First-year students can choose from any of the following meal plans. All meal plans available to first-year students include five guest meal swipes per semester.

Dining Dollars
Dining Dollars work as a separate debit account that you access through your Lehigh ID and can use to buy items or meals at any Lehigh Dining Services location. The amount of Dining Dollars deposited into your account roll over from fall to spring semester. Any unused funds in your account at the end of spring semester are forfeited. You may add Dining Dollars to your account by visiting the University Center, calling (610) 758-6179 or through the self service page at go.lehigh.edu/housing. For more information on your meal plan and how it works, visit www.lehighdining.com.

**Arrival Information**
**FIRST-YEAR STUDENT CHECK-IN:**
Thursday, August 20, from 8:00 a.m. to 11:30 a.m. in Iacocca Hall on the Mountaintop Campus

Please note: In order to pick up your residence hall room key, you will need a government-issued photo ID to confirm identity. Driver’s license, state ID or passport will be accepted.
Fall 2020 PreLUision Programs

- Discover Lehigh
- Fabricate: LU
- GlobaLehigh
- LehighMED
- Lehigh Women Engineers (LWE)
- Outdoor Adventure Program (OAP)
- Start It Up
- SustainabLEHIGH
- Volunteer Experience (VE)

Registration opens June 1!
PreLUision, a collection of nine optional pre-orientation programs, is designed to jump-start your college experience! With a variety of programs offered, preLUision welcomes you to campus before classes begin and allows you to connect to Lehigh by engaging with a smaller community of students and staff who share similar interests.

Participating in preLUision will help you:
- Make friends before Orientation begins
- Become familiar with campus and the local community
- Explore an area of interest and how to get involved at Lehigh
- Meet upper-class students, staff and faculty members
- Get settled in your residence hall!

PreLUision begins on Monday, August 17, 2020, three days before the rest of the first-year class arrives. Check-in will be at Iacocca Hall from 8:00am–10:30am. You will move into your fall housing assignment in the morning and your program will begin at lunch. Your schedule will be packed, so you’ll say goodbye to family and visitors by then.

While each of our programs is different, they do share some common elements. During the day, faculty, staff, and upperclassmen will lead you in a variety of activities based on your program theme. At night, all participants whose program stays at Lehigh attend social events to meet the students in the other preLUision programs. PreLUision programs have been intentionally planned by Lehigh staff, faculty and students, so participants will need to make arrangements to attend the entire program. And honestly, you won’t want to miss any of the action!

Each preLUision program has a limited number of spaces and sign-up is on a first-come, first-served basis. To maximize your experience, each program requires a minimum number of students in order for the program to run. Students who register for a preLUision program will receive a confirmation with specific program details and move-in information. Please don’t make travel arrangements until you receive your confirmation email.

Registering for PreLUision
Registration will go live on June 1, and the link can be found on the Summer Checklist. To register you will need your Lehigh ID Number (LIN).

To find your LIN:
- Log into Connect Lehigh at connect.lehigh.edu
- Select Banner from the “Where to?” menu
- Click on Personal Information
- Click on What’s My Lehigh ID Number?

If your plans change over the summer, refund requests must be made in writing to fye@lehigh.edu before June 30. No refund requests will be accepted after June 30, 2020.

PreLUision Scholarships
If you need assistance in covering the cost of a preLUision program, please consider applying for a scholarship. The application can be found here starting May 18: go.lehigh.edu/prelusion. If applying after June 1, we encourage students to register first to secure a spot in their preferred program, and we can provide refunds once a scholarship has been awarded.
DISCOVER LEHIGH

Set off on a discovery of your new hometown! On this expedition, you’ll discover all there is to know about campus and how Lehigh came to be—you’ll even visit the hometown and mansion of our founder, Asa Packer! Explore Bethlehem and learn the city's history—you’ll visit various sites, restaurants, and tour the Bethlehem Steel Stacks and neighboring ArtsQuest. Plus, current students will teach you all the ins-and-outs of Lehigh and the little secrets upper-class students wish they knew sooner!

Explore this area, make connections, and think about how you can make the most of your experience here to have fun and be successful.

As a part of this three-day discovery:
- Tour Asa Packer’s mansion in his hometown of Jim Thorpe, PA
- Explore North and South Bethlehem with city representatives
- Challenge your team building skills at Lehigh Valley Captured Escape Room
- Discover Bethlehem Steel and ArtsQuest
- Enjoy different dining experiences in Bethlehem and the surrounding areas
- Connect with peers and upperclass students

Come join us and we will help Lehigh and Bethlehem feel like home in just three short days!

Cost: $250  Capacity: 18

FABRICATE: LU

Do you enjoy working with your hands? Or, have you never held a screwdriver before, but want to learn how to get started making things? Come explore many of Lehigh’s fabrication facilities and learn how to leverage these tools to support your educational and personal growth. Be empowered to create something functional from raw materials, and leave with a one-of-a-kind keepsake to mark the start of your Lehigh journey.

Participants will engage with a variety of on-campus resources, ranging from a traditional cabinetry-grade woodshop to CNC machining to various 3D printing technologies (and the staff who run them!). These resources are available to all Lehigh students, yet require training to use. Get a leg up on your fellow classmates by exploring Lehigh’s state-of-the-art facilities.

As part of this intensive, exciting foray into making, students will:
- Explore traditional methods of work, such as bending sheet metal to give it form and cutting wood precisely to shape
- Learn to harness the powers of programming and electronics with an arduino microcontroller
- Get exposed to the exciting emerging technology of 3D printing by designing and printing components of your project
- Explore the local area learning the history of an old manufacturing city and enjoying local food
- Experience the thrill of taking disparate components made with a wide variety of skills, and combining them into a final, functional, personalized work of art

No special skills, abilities or experience is necessary! Join us and we’ll teach you.

Cost: $375  Capacity: 15
GLOBALEHIGH

GlobaLehigh takes you on a virtual three-day trip around the world as you immerse yourself in culture, cuisine and all things global. As you experience your first taste of campus, your activities will extend far and wide.

Here are just a few of the activities awaiting you:
- Take a behind the scenes tour of the United Nations headquarters in NYC and meet with a diplomat
- Eat your way around the world and network with Lehigh alumni working in international careers
- Explore the many different views of Globalization

This journey will be led by Office of International Affairs staff and current students highly involved with all things Global at Lehigh. See for yourself why Lehigh University is truly a Global community!

Cost: $265  Capacity: 20

LehighMED

Join fellow students who share an interest in the field of medicine for a 3-day inside look in the field from medical experts and world renowned healthcare networks. This program is led by Lehigh University Emergency Medical Services (LUEMS), a group of over 40 volunteer students that respond to on-campus medical emergencies. Meet current LUEMS members and get connected to an incredible network on-campus and in the local community while you get settled on campus.

This program provides an excellent opportunity for students to:
- Meet and network with like-minded students
- Learn and practice real-world medical skills taught by doctors, paramedics, and other clinicians
- Visit a local hospital for a rare “behind the scenes” tour
- Build confidence by treating sick and injured patients inside a high-fidelity medical simulation lab used for training physicians
- Have early access to joining LUEMS and additional shadowing opportunities at a local hospital
- Participate in a valuable experience that will impress future employers or professional schools

Join us for the ultimate medical experience!

Program activities are subject to last-minute changes or substitutions due to hospital workload, restrictions, and safety protocols.

Cost: $315  Capacity: 12

Family orientation for Prelusion participants will be held on Monday, August 17. So... families don’t have to return for Thursday’s program.
LEHIGH WOMEN ENGINEERS (LWE)

As an incoming woman engineer, you may be wondering about the dynamic, creative, exhilarating and rewarding field that you are about to enter. With many of Lehigh’s top engineering students being women, you are joining an impressive and elite group. To begin college with a leg up, come join us as we learn the ins and outs of Lehigh Engineering!

During your three days with Lehigh Women Engineers, you will engage in guided lab activities that will offer hands-on experiences to help you get acclimated to academic study at the college level. You will also be given the opportunity to visit various engineering departments, research centers, and other parts of campus as you are introduced to the multitude of programs, clubs, and resources here at Lehigh, all of which are dedicated to your success in Lehigh Engineering.

Our LWE fall reunion will help you continue to feel connected with the women you meet during preLUsion as well as help you finish off a successful fall term and start an enriching spring term.

Highlights:
- Participate in hands on activities in the various engineering fields and labs at Lehigh
- Get a head start on making lifetime friends with your peers and mentors
- Meet the Dean and selected faculty members in the RC, Rossin College of Engineering and Applied Science
- Work with current women engineering students who will guide you through your Lehigh experience
- Explore the areas around campus and within walking distance

Cost: $250  Capacity: 35

OUTDOOR ADVENTURE PROGRAM (OAP)

Do you enjoy being adventurous, meeting new people, and being outdoors? If so, then OAP is for you! This program takes you to the great outdoors on an unforgettable trip where you’ll step outside your comfort zone, embrace the leader within you, and meet some of the best people who will help make your Lehigh experience truly amazing. Every year we offer exciting new adventures to go along with our timeless traditions, which you’ll get to experience within a small “color team” of your peers and student leaders. This 3 day, 2 night trip takes place mostly off-campus in the Poconos, and you can preview possible adventures below:

EXPLORE: Hiking
We kick off our trip by hitting the hiking trails up and around Mt. Tammany, with picturesque views overlooking the Delaware Water Gap and Mt. Minsi. This adventure offers you a choice of hike difficulty, so you can start the trip off on the right foot. But don’t worry, each difficulty option ensures amazing views and plenty of time to get to know the other participants exploring with you.

BATTLE: Team Challenge
Our newest tradition pits the color teams against one another in a battle that features a range of wet and wild challenges and activities. Prepare to get head-to-toe dirty while battling it out for team victory!

PADDLE: Whitewater Rafting
The Paddle Adventure has been an OAP Staple for over 2 decades! Our final day takes us rafting down the scenic Lehigh River; sunbathing, water gun fights, and a BBQ lunch make this trip memorable.

*RAFTERS MUST BE ABLE TO SWIM.

Cost: $375  Capacity: 100
START IT UP

Do you have dreams of starting your own business one day? Will your ideas become the next innovation for a product, system or service? Maybe you binge-watch Shark Tank and you’ve already started a side-hustle or have a notebook full of potential ideas. More than ever, the world needs entrepreneurial leaders who have the passion and ability to take action toward solving the world’s global challenges.

At Lehigh, many students explore entrepreneurship in addition to their major course of study, either as a minor or in co-curricular programs. This provides many students with the ability to think differently about their traditional education and design their future intentionally. The Baker Institute is the hub of entrepreneurship at Lehigh University and the Start It Up preLUsion program is a great introduction to all of the programs, events and opportunities available to you.

During this three day preLUsion experience, you’ll meet like-minded students, explore Lehigh’s entrepreneurial ecosystem, and test your own entrepreneurial mindset. Through this experience you’ll leave knowing how to see problems as opportunities and where to go on campus to move your ideas forward!

- Meet and learn from successful entrepreneurs
- Tour local startups and co-working spaces
- Explore the entrepreneurship, creativity and innovation ecosystem throughout Lehigh

This program will be led by the Baker Institute for Entrepreneurship, Creativity & Innovation.

Cost: $300  Capacity: 30

SUSTAINABLEHIGH

Are you curious about the inner workings of environmental sustainability? If so, join the growing Lehigh community interested in sustainability. As part of the SustainabLEHIGH adventure, you will explore the Lehigh Valley through biking, canoeing, eating organic meals, visiting a farm and camping on our very own island. Not only will you have non-stop fun, but the learning experience and connections provide you with a strong foundation for future leadership in environmental sustainability initiatives at Lehigh.

As part of this exciting three-day adventure, you will:
- Meet like-minded students, campus leaders and sustainability champions
- Camp on your very own island (seriously!)
- Bike and canoe down the Lehigh River
- Visit a local farm that free ranges their animals
- Eat delicious organic meals
- Learn about environmental sustainability-related clubs, classes, initiatives and campaigns

Also, visit our website, where you can find leader biographies, photos, and more program information: sustainability.lehigh.edu/SustainabLEHIGH

Cost: $315  Capacity: 14

“PreLUsion allowed me to get settled on campus early, start meeting new people earlier, and add my love of adventure into the mix, in other words, it was the perfect opportunity for me.”
VOLUNTEER EXPERIENCE (VE)

Begin your journey at Lehigh through service! As a participant of VE, you will immerse yourself in three days of community service within the Lehigh Valley. During this time you will discover area agencies, take action to help alleviate issues facing their new community and build new but lasting friendships. VE is hosted through Lehigh’s Community Service Office, which offers students a pathway to continue engaging in meaningful service through their four years at Lehigh if they so choose. All VE participants get the opportunity to serve at agencies in South Bethlehem and the surrounding Lehigh Valley.

Some agencies include:
- Feed the Children
- Jacobsburg Environmental Education Center
- New Bethany Ministries
- Victory House in the Bethlehem Area School District

Trips are led by community-oriented, upper-class students who are committed to providing you with the best first three days on campus you can have. Evenings are spent taking part in activities with your fellow volunteers that help you become acquainted to your new home and new friends.

Also, visit our website, where you can find leader biographies, photos, and more program information: lehigh.edu/service

Cost: $265   Capacity: 25
ORIENTATION … your introduction to Lehigh

Moving In
First-year students will move in on Thursday, August 20, 2020 between 8:00am–11:30am. First, you will check-in for Orientation at Iacocca Hall on the Mountaintop Campus and receive your Orientation materials, group information, and directions to your residence hall. You must keep all of these materials with you throughout Orientation. Each residence hall will have specific directions to take you down the mountain to unload your belongings. You must check-in for Orientation first in order to receive your residence hall keys. Specific directions to Iacocca Hall are on the OFYE website and will be available in July on the portal. Go light on the packing. It’s easier to add things to your room after you are settled than to have a tower of belongings stacked next to your bed!

Orientation
You will be assigned to a small group led by one of our 80 upper-class Orientation Leaders (OLs). You can meet the OLs on the OFYE Instagram this summer! The OLs represent all that Lehigh has to offer, including a variety of different majors, ethnic and cultural backgrounds, and student involvement opportunities. They will lead discussions on the transition from high school to college, introduce you to all the resources available to you as a Lehigh student, and share their experiences navigating the college environment.

During Orientation, you will:
- Learn about college course requirements
- Explore South Bethlehem during Faux Friday
- Attend a multitude of social events
- Learn about campus resources
- Discuss Lehigh and community expectations

While the schedule is packed, there will be times that you will be able to make decisions as to what is important for you to learn. You only get one college Orientation, so come with a positive attitude and be ready to learn about your new home.

International Students*
You are also required to attend the International Student Orientation which begins on Sunday, August 16, 2020. This orientation program is designed to help you:
- Learn about your immigration responsibilities
- Learn campus resources and services specific to international students
- Get tips from current international and domestic students to build a support network on campus

More information on the date and time of this orientation program is available on the Office of International Students and Scholars (OISS) website at global.lehigh.edu/oiss.

* U.S. Citizens Living Abroad are encouraged to attend. Email intnl@lehigh.edu for information.
**Faux Friday**

Faux Friday is an Orientation tradition that allows students to eat off-campus at one of the many tasty South Bethlehem restaurants on Friday, August 21st. The program and the name were inspired by South Bethlehem's very own First Friday event where restaurants and shops open their doors to celebrate the community on the first Friday of every month. Since our program occurs on the last Friday, we call it “Faux” Friday!

Over the summer, you will be asked to select your restaurant through a link on your Summer Checklist. Cuisine options range from Italian to Mexican, Irish, Malaysian, and more!

Some restaurants will offer to-go options so you can join us on the South Bethlehem Greenway for live music, games, and fun.

**Orientation Schedule**

A detailed hard copy of the schedule will be provided upon arrival. Once you receive your Orientation group information, you will be able to find your customized Orientation schedule using the smartphone app, Guidebook.

Family Orientation

Like you, we know that your family is going through a big adjustment. To help answer your family’s questions and provide them some additional resources we offer a one day Family Orientation. This program is not required of families, although we strongly encourage families to attend. Even if your family has already attended orientation at a different institution, it’s a great way to learn more about Lehigh and the resources we offer you. It is held on either:

- **Monday, August 17**—Ideal for families of students participating in the Marching Band, a preLUision program, LUSSI, or a fall varsity sport.
- **Thursday, August 20**—This program is open to all families.

*This schedule is subject to change. An updated schedule will be provided at Orientation.*

The Monday Orientation will contain the same sessions and content, so there is no need to come back later in the week! Times will vary slightly from the Thursday schedule. Please see the Office of First-Year Experience website (go.lehigh.edu/FYfamilies) for the schedule in August.

Families will meet various Lehigh administrators and staff as well as learn about the resources we offer to you as the student. The schedule also includes two rounds of breakout sessions, designed like a conference, so your family can choose the information that is most relevant to them. Some of the breakout session topics include:

- Campus Resources
- Academic Support
- Gender Violence Education and Support
- Campus Safety
- Involvement on Campus
- Learning Differences
- Counseling and Psychological Services

After 5:45pm you can tell your parents and family they are welcome to leave campus and head for home! Your schedule is so packed during Orientation that you won’t have time to hang out with them once you get started.

You can invite your family back for Family Weekend, Friday, October 2 to Sunday, October 4, 2020. More information regarding this program will be sent shortly!
NavigateLU

Being a Lehigh student means you are involved, engaged, and active in your learning experiences. In this 10-week program, you will set goals, develop an action plan, and take the crucial first steps along your pathway to success. You will build purposeful connections—with people and to resources—to enhance your Lehigh experience.

This is a unique to Lehigh experience, where you will meet individually with a faculty or staff member and in small groups with an upperclass student as you navigate your new environment.

You set the course and direct where you are headed, and these individuals will collaborate with you by asking good questions and aiding you in finding the resources that will lead you to success.

In the program, you will:

- **Meet individually with faculty/staff collaborators at least twice.** These meetings will encourage thoughtful reflection around bLUeprint’s 5 Foundations for Success, learnings from 5x10 programs you attend, and help you think about your path at Lehigh.

- **Meet with your orientation leader and group at least twice.** These meetings are a great place to ask questions, discuss concerns and challenges, and explore campus issues early in your Lehigh career with other students who have recently been through the transition and are skilled at navigating Lehigh!

- **Attend 5x10 programming.** You will choose at least 5 programs to attend that relate to your path and will enhance your success. A calendar will be available for you to choose programs that interest you.

The 5x10

To help begin your journey of curiosity and exploration, we created the 5x10 programming series. We expect all first-year students to attend five programs—one for each of the Five Foundations for Student Success in the first ten weeks of the semester. During the first ten weeks of college, you will begin to develop new routines, create new social connections and begin to establish your place at Lehigh. The 5x10 programming series is a way to expose you to the multitude of opportunities that exist at Lehigh, and encourage you to reflect on those opportunities, so you can maximize your experiences.
To give you a taste of the types of events you might see, a few examples from last year include:

- Healthy Happy Living on Campus
- Welcome to the SouthSide
- Things I Wish I Knew as a First-Year
- How to Date (or Break Up) without Being Broken
- Talk Nerdy to Me: Giving Engaging Research Presentations

You will have a chance to complete two 5x10 programs during the Friday of Orientation!

1. **Attend a Lehigh 5x10 Symposium**—these are hour long workshops where faculty will share their expertise and passions with students. You can learn about anything from aerospace engineering to liquid nitrogen ice cream and why materials engineering matters.

2. **Take a Campus Resource Tour**—you can visit a variety of offices on campus to learn about the programs and services they offer. There are five tracks—one for each of the five foundations for student success.

**How to Register**

During Orientation, you will be given access to a registration page where you can review biographies of the faculty/staff collaborators. You will be able to choose an individual who might best serve as a connection and guide for you. After signing up, you will receive email notification from your collaborator to sign up for meeting times. Students will be randomly assigned if they do not sign up by the deadline.

**NavigateLU exists to aid you in your success and is a mandatory program for all first-year students.** If you do not complete the program, you will be required to make up the experience and your name will be submitted to the Office of Student Conduct and Community Expectations and may be subject to a code of conduct violation.

**How will you NavigateLU?**
September 11–13, 2020

Whether you went to camp every summer of your childhood or have never been to summer camp before in your life, Camp Hawk is for you! Camp Hawk is Lehigh’s version of camp for first year students AFTER classes have already started. It’s the perfect opportunity for you to continue making new connections while you indulge your inner camper with classic camp games—like Gaga and the famous IronHawk Competition—and s’mores!

Transitioning to college can be surprisingly hard! Camp Hawk is a great place to talk about the transition, what your Lehigh experience has been like, and explore what it can be.

This two-night retreat experience takes place in the Pocono Mountains and is part of a larger off-campus experience called the Great Pocono Escape, which includes student leaders from various campus organizations. In addition to your fellow Camp Hawkers, you will have the chance to meet and interact with many upper-class student leaders. Over 200 students will depart Lehigh for the mountains to build connections and enhance their leadership skills.

When are we leaving and who’s going?
We leave campus for Camp Canadensis on Friday after classes end and return to Lehigh on Sunday around lunchtime. Students stay in cabins (and yes, there is hot water!) with other Camp Hawk participants and the Camp Hawk Counselors (CHCs). The Camp Hawk staff consist of 12 upper-class leaders who will guide you through the weekend games and activities. We will bring the snacks if you bring your moves to the late night lipsync.

So how do I sign up?
Registration for Camp Hawk will go live the first day of class Monday, August 24. Registration is FREE and operates on a first-come, first-served basis. Please email fye@lehigh.edu for more information or check out the OFYE website at go.lehigh.edu/camphawk.

"Camp Hawk was a great way to meet many people and was a great way to start my first year at Lehigh."

"The people that went to Camp Hawk with me became my second family."
COURSE REGISTRATION

Scheduling your classes is one of the most exciting aspects of being a college student! You will be able to register for classes online beginning in mid July.

To prepare for the process, check out the university catalog (catalog.lehigh.edu), your college channel on the portal, and the First Year Student Enrollment website available May 31, (fysenroll.lehigh.edu) for information and helpful links!

Throughout the month of June, important updates and information regarding the registration process will be posted on your student portal and will also be sent to your Lehigh University email address. NOTE: Registration & Academic Services sends all official correspondence via email utilizing your Lehigh University issued email address. Students are expected to check their University email regularly, as we continuously send additional information to prepare you for registration. Keep an eye out for emails about when and how to register, videos reviewing how to utilize the registration system, and advice from your college advisors. They will also be available through live chat during registration!

Resources you need to complete registration are:
- Internet access
- Course information provided by your college
- The Course Catalog: catalog.lehigh.edu
- College information posted on the Lehigh Student Portal
- College contacts located on the next page
- Registration instructions (will be sent to your Lehigh email!)

AP Scores
Don’t forget to send your AP scores! Your scores are needed in advance to help you register for the appropriate level of a course once registration is available. AP scores will not have a negative impact on your student record in any way, so please don’t hesitate to send everything! This is the best way to ensure that you receive all of the credit you deserve. You will be able to see which scores you requested to be sent to us by logging into your College Board account (collegeboard.org), and which scores we received by viewing your academic transcript through Banner. Scores are not released prior to July 1, and we anticipate having credit on student records within a week. More information on your AP scores will be provided as we get closer to starting the registration process.

Schedule Changes
Still feeling nervous even after you’ve registered? Don’t worry! You will have the opportunity to meet with a college representative on Friday, August 21 during Orientation for any last minute questions and course changes.
