We recognize the important role you play in your student’s transition process, and therefore want to assist families with their transition as well. We are excited to have a healthy level of involvement from you and other family members as we seek to provide support for the students’ academic, professional, and personal development.

The Family Field Guide is intended to assist you and your student with the transition to Lehigh, placing special emphasis on the services available to your student. It will enable you to advise them as they navigate the complexities of the first year college experience. You will learn about student support services, from academic advising and career counseling to student involvement and battling homesickness. Everything in this guide is designed to enable your students to make the most of their time here and to reach their full potential. In addition, we will introduce you to the Bethlehem community with history of the area, places to stay, where to eat, and things to do while you are here in the Lehigh Valley. Our hope is that this guide will inspire you to become involved with Lehigh. Whether it is through Family Weekend or participating in the Parents Council, you will find that the more you learn about Lehigh, the greater this experience will be for your entire family.

We appreciate your involvement in your student’s experience and look forward to a great four years with your family at Lehigh. Please let us know if we can ever be of assistance as you and your student transition!

We look forward to meeting you during the Family Orientation Program!

LEHIGH UNIVERSITY’S HISTORY is closely related to the rise and progress of America as an industrial power. The vision of our founder Asa Packer, an industrial pioneer, entrepreneur and philanthropist, set the foundation for generations of students to learn and live among the nation’s brightest scholars. In 1865, Packer, president of Lehigh Valley Railroad, presented a $500,000 gift to build a university that would contribute to the “intellectual and moral improvement” of men in the Lehigh Valley. It was the largest donation of its kind to any educational institution in America at that time. The site that Packer chose for his university was a railroad junction across the Lehigh River from Bethlehem, Pennsylvania, a community founded in 1741 by Moravian missionaries. The site was selected in part because it was within walking distance for managers of the Lehigh Valley Railroad. Packer and his associates designed the school to chiefly focus on mathematics and science education, but provide pupils with a sufficient knowledge of classics.

Now, 150 years later, Lehigh is still honoring this proud heritage as it looks ahead to the future. What began as a home for 39 eager young scholars is now a thriving university of more than 5,034 undergraduate and 2,057 graduate students.

Lehigh’s history is an ongoing process that continues with each generation of Lehigh students, leaders and faculty who take the past and leave their distinct mark for the future. From the first class of students who arrived on South Mountain to the Class of 2019 Lehigh has maintained its tradition of excellence while keeping in step with a dynamic world.
SINCE 1741, Bethlehem has beckoned travelers to experience the warmth and hospitality of this delightful community. In that year, a small group of Moravians settled on the banks of the Lehigh River near the Monocacy Creek. They represented what is now recognized as the oldest organized Protestant denomination in the world, the Unitas Fratrum, or Unity of the Brethren, founded in 1457.

On Christmas Eve of that first year, 1741, the Moravians’ patron, Count Nicholas Ludwig von Zinzendorf of Saxony, Germany, visited the new settlement. In their two-room log home that housed both man and beast, the Count christened the community “Bethlehem.” By 1845, the more than 1,000 inhabitants voted to incorporate the village into a free borough in the County of Northampton. With the advent of the Industrial Revolution, Bethlehem became a center of heavy industry and trade. Until 2003, Bethlehem was home to the world headquarters of Bethlehem Steel, which at the time was the second-largest steel producer in the United States.

In 1937, the Bethlehem Chamber of Commerce, mindful of Bethlehem’s first Christmas in 1741, asked - “Why not make Bethlehem, named at Christmas, the Christmas City for the entire country?” Thus, since 1937, Bethlehem, Pennsylvania has been known throughout the world as Christmas City USA. That same year, the “Star of Bethlehem” made its debut on the top of South Mountain. A fifty-three feet tall star made of Bethlehem steel- the “Star of Bethlehem”- honored the rich history and traditions of Bethlehem. Today, the star is lit from 4:30 p.m. until midnight every day of the year and can be seen from up to 20 miles away.

From its humble beginnings as a Moravian settlement to its modern status as the heart of the thriving Lehigh Valley, Bethlehem has carefully preserved its past. It is a city of 75,000 that shines as brightly as its huge electrical star atop South Mountain. The Moravian influence remains strong, but many more traditions from many lands have joined in making the city a “melting pot” of cultures, blending one into the other.

**TRANSLATION TO COLLEGE**

**Tip #1**
Every student will adjust to this transition differently. Help them through the transition without pushing them too fast or pulling them too close.

**Tip #2**
Encourage involvement in campus activities and events. The more connected and engaged students are to campus, the better their college experience. Lehigh has so many opportunities that every student can find something they love.

**Tip #3**
Discuss your finances. Determine what the family will be paying for and what is your student’s responsibility. This is a great time for your student to learn financial responsibility while still having a safety net.

**Tip #4**
Discuss academic expectations. Transitioning from high school to college-level work is challenging, so it’s important to set realistic expectations. Encourage your student to seek out resources that can help them with the transition.

**Tip #5**
Start talking about social pressures like alcohol and sex. Help your student set expectations for their own behavior and ways to stay accountable to them.

**Tip #6**
Discuss expectations for breaks. Once students start making friends or missing high school friends, their ideas for break plans can start to differ from yours.

**Tip #7**
Set a communication plan for when you will talk. Utilizing e-mail, texting, and social media is a great idea!
**Tip # Eight**

Be a good listener. Remember, students will often call to vent frustrations. Sometimes they just need someone to listen and not solve the problem.

**Tip # Nine**

Be sure to encourage your student to STAY on campus even if they live nearby. Friendships are often formed on the weekends, so it is important for your student to be around campus building connections.

**Tip # Ten**

Let your student start to do things for themselves. This is the time for them to begin transforming into adults and to learn how to navigate Lehigh, and the rest of their world, on their own.

### Advice from Students

- “Be open and available to your kids.”
- “I really appreciated when my parents sent little knick-knacks from home.”
- “Educate your kids on the consequences of their decisions; do not make their decisions for them.”
- “Understand that we are now learning how to live lives of our own so try to be supportive and understanding throughout the process.”
- “Parents should know that it’s normal for their kids to want to grow up a little bit and create a space between them and their parents.”
- “My parents send me a card every once in a while just saying good luck and that they are proud of me. It is nice to get a card like that when you don’t expect it and it’s a good ‘pick-me-up’ if you had a tough week.”
- “Lehigh has great resources to help your student along the way. Encourage your student to be familiar with these.”
Your student has moved in, is settled, and is officially a part of the Lehigh community. They are working to adjust to their new environment, but so are you. The first few weeks can be a challenge for families, as you become accustomed to not having your student at home and figuring out the new relationship you will have with them. The key is to find ways to take care of yourself as well as support your student in this adjustment process by providing an open line of communication. Let them know that you are there to talk and then allow them to talk freely. Keep in mind that mistakes will occur and that you are adjusting to this transition, too.

“Launching your student” is a process of letting go of how the relationship has been so you can embrace the relationship that is to come. It is about giving them the room to make their own mistakes and successes, while still letting them know you are going to be there to support them, offer advice and guidance, love them, and encourage them. It is about letting them do it on their own, but being there to help them when they stumble along the way.

Families experience a whole range of emotions, including feeling frustrated, annoyed, angry, impatient, worried, excited, happy, exhausted, energized, proud, and many more. You may love the freedom of your schedule and the quiet orderliness of a clean house, but miss lively family discussions and helping to solve problems. All of these emotions and reactions are completely normal. Just don’t forget to take care of yourself! This is a period of adjustment for you, too!
It sounds like things are not going well. How do I get my student to OPEN UP and tell me things?

As the family member, you may feel like you are giving a lot and getting very little. Your student may make requests for money or things from home but remain very private and limited in disclosing information to you. This does not always mean something is wrong. Pay attention to unusual behavior from your student. Look for hints of chronic homesickness, pattern of heavy drinking, or persistent avoidance of communication. Encourage your student to use campus resources such as their Gryphon, (Lehigh’s term for Resident Assistant), Residence Life Staff, Academic Support Services, Office of the First-Year Experience, and the University Counseling and Psychological Services as needed.

When you talk to your son/daughter you may hear less about the positives and more about things that are not so great, like roommate situations or dining options. Again, this is completely normal. Try to listen and answer their questions with an open mind and remain calm, even if they tell you things that may shock you. Often, when troubles become too much to handle, the only place a student wants to turn to is home, whereas friends at school are more likely to hear about all the good things.

Where can I go for SUPPORT during this time?

The Office of First-Year Experience and the Counseling Center are both great resources for families trying to help their students through the transitioning process. Professionals in both offices can answer questions you may have or recommend other on-campus resources for you or your student. Many families also recommend talking to others who are currently or have previously “launched” a student. There are also many books and online resources available for families with advice on the transition process. Please visit studentaffairs.lehigh.edu/content/family-information for a list of recommended books for families.
IT IS PERFECTLY NORMAL FOR STUDENTS TO GET HOMESICK.
Many students experience a longing for home during the first semester and their immediate reaction is going to be to run for the familiar – home cooking, high school friends, family, and their own bed. However, the cure for homesickness is not going home – it is making a home here at Lehigh. There are a multitude of ways for students to get involved on campus, stay busy on nights and weekends, and start to make South Bethlehem home!

Camp Hawk
Camp Hawk is a three-day, two night retreat experience in the Pocono Mountains that takes place after school has started. This can be a great opportunity for students who are having a difficult time adjusting to college to meet other first-year students. Upper-class student counselors will lead students in games like canoe and relay races to build connections and develop students’ relationships with other Lehigh students. Camp Hawk will be held September 18-20, 2015. Registration is free and available on the OFYE website.

Student Involvement
With over 140 registered student organizations and clubs on campus, there is something for every student to keep them busy during the week. Whether it is a club sports team, an acapella group, a culturally-based organization, a dance team, a religious organization, or a volunteer club, the options are endless. Encourage your student to get to know more about the clubs on Lehigh’s campus during “The 5x10” For more information on “The 5x10,” see the Lehigh Lingo section on pages 36 and 37.

Community Service
The Community Service Office helps students engage in service to the greater Lehigh Valley area, including over 100 local agencies that are always looking for volunteers. Students can also give back by volunteering during school breaks on SERVE Trips or by tutoring local elementary and middle school children through America Reads and Counts.
Weekly Activities in Lamberton

Whether it is Mid-Day Monday stress relieving activities or Make-and-Take Friday crafting, Student Activities has something going on almost every day of the week in Lamberton Hall.

Getting Off-Campus

Student Activities offers a FREE shuttle bus service to the Carmike Promenade 16 + IMAX, Lehigh Valley Mall, and Wal-Mart. Buses, Zimride by Enterprise, an online ride-matching service, and Enterprise CarShare, a car rental service, are also available on a daily basis to take students to Philadelphia and other areas of the Lehigh Valley for dining, entertainment, or shopping.

Lehigh After Dark

Lehigh After Dark (LAD) is a student-driven social option that provides free activities on Thursday, Friday and Saturday nights between 10:00pm-2:00am. In addition, LAD offers funding for individual students or groups who wish to plan and host their own events!

Leadership Development

We believe that everyone is a leader. You are a leader. There is a universal need for dynamic leadership in our ever-changing communities. Compelled to inspire people to rise to the challenge together, the Office of Student Leadership Development serves as a connective hub to catalyze visionary thinking, critical reflection, and meaningful service and action. Through individual coaching utilizing tools like Myers-Briggs; organizational workshops and facilitation of topics such as organizational blueprinting, goal setting, visioning, etc; experiential programs such as Leadershape Institute, Great Pocono Escape, Ropes Course, and more!; and/or peer leadership education programs such as GEM, SAMs, and others - there is an opportunity that will fit your leadership development needs. Learn more: studentaffairs.lehigh.edu/leadership
MAINTAINING A SECURE ENVIRONMENT is very important to the entire Lehigh community. We believe that an effective approach to campus safety includes prevention, education, and the ability to respond. A variety of security measures are implemented throughout campus, including 100+ emergency blue light phones that are placed strategically around campus, a cell phone messaging alert system, well-lit walkways, and a safety escort service and a bus service among residence halls and academic buildings from dusk until dawn.

University Police Department

Lehigh University Police Department is accredited by the Pennsylvania Chiefs of Police Association and the Pennsylvania Law Enforcement Accreditation Commission. Lehigh’s police officers are fully trained and certified by the Commonwealth of Pennsylvania. The university police have and may exercise full police powers on campus and in the immediate and adjacent vicinity of campus, including the enforcement of all federal, state, and local laws, as well as all rules and regulations set forth by the university. The university police also provide security guards to monitor campus security. The university police provide coverage 24 hours per day, 365 days per year. The Department consists of a Chief, an Assistant Chief, one Lieutenant, three Sergeants, 2 Corporals, fourteen Patrol Officers, four Security Guards, eight Police Dispatchers (including part-time), Department Coordinator, and forty part-time Events Staff. For more information, visit police.lehigh.edu
Emergency Services
Lehigh University Emergency Medical Services (LUEMS) is a state-licensed Quick Response Service that provides basic life support services 24/7 when classes are in session. All EMS crews are staffed by volunteer students, faculty, and/or staff. LUEMS works with University Police to provide a faster response time to patients, as well as to alleviate the strain of City of Bethlehem EMS.

Campus Alert System
LU-ALERT is an important emergency message notification system that enables Lehigh administrators to send a short mobile text alert to all students, faculty, and staff who have subscribed to the service. The text messages will only be sent out in cases of imminent danger, or when an emergency situation will impact a significant number of people. Students can register for LU-ALERT by visiting lehigh.edu/emergency/prepared/lualert

TRACS and Escort Services
TRACS (Take a Ride Around Campus Safely) and Lehigh’s escort service provide an alternative to walking alone after dark and operate from dusk until dawn. TRACS vans follow a scheduled route around campus from 10 p.m. to 2 a.m., Sunday through Wednesday, and 10 p.m. to 3 a.m., Thursday through Saturday. They also provide transportation to and from University buildings and neighborhoods adjacent to campus. Walking escorts are available from dusk until 10 p.m. and resume at 3 a.m. until dawn.

HELPFUL REMINDERS FOR YOUR STUDENT’S SAFETY

- Lock all windows and doors
- Walk in groups, especially at night
- Do not prop open doors or let others follow you into buildings
- Report any suspicious behavior to campus police immediately
- Take advantage of campus shuttles at night
- Be aware of the location of all emergency phones on campus
- Tell a friend or roommate where you are going and when you expect to return
RESIDENTIAL LIVING at Lehigh University is an environment characterized by mutual respect and collective responsibility. The residential living experience supports the complete development of students through individual, interpersonal, intellectual, and community education.

LIVING IN THE RESIDENCE HALLS

The primary resource for Lehigh students living in residence halls are their Gryphons. The Gryphons serve as a resource and peer leader to students, and they coordinate programs and activities that support student learning. The Gryphons serve on a rotating duty schedule and are available to students in the evenings and on weekends. Each residence hall also has an Assistant Director of Residence Life (AD) - a professional staff member who lives in the hall and oversees the Gryphon staff. ADs serve as a secondary support system for students living in the residence halls and can assist students with any questions they may have.

Students who are part of LIVE Lehigh Community are encouraged to attend programs and events with their community. They also have the opportunity to join other LIVE Lehigh communities in their activities.
Roommates

We understand that students may be disappointed with their residence hall or roommate assignment. Students are asked to give both their room and roommate assignment a 10-day trial period. If the student is unhappy after that time, everything possible will be done to try to relocate him/her. Room change requests should be directed to the Assistant Director (AD).

Holidays and Academic Breaks

The residence halls are open during Pacing Break and Thanksgiving Break for students who wish to stay on campus. However, only international students and in-season NCAA varsity athletes are permitted to remain in the halls during Semester Break and Spring Break. Additionally, residence halls are open during the summer session for students interested in staying on-campus to complete coursework.

Safety in the Residence Halls

The exterior doors of all residence halls are locked 24 hours a day, seven days a week. Students will use their Lehigh ID card to enter their residence hall. Access to a specific residence hall is limited to students living in the hall, maintenance, and custodial staff.

Over 100 years ago, Lehigh engineers constructed and decorated beds to race down the side of South Mountain as a test of their engineering prowess. The Class of 2010 revived this tradition in 2007 with a few modern twists. Bed races are now done drag race style down Library Drive as part of Lehigh-Lafayette Spirit Week!
At Lehigh, students have 3 methods to purchase food:

**MEAL PLANS**

All first-year students are required to be on a Category I (Carte Blanche) or Category IA (19 or 14 meals per week, unlimited meals, or 225 meals per semester) meal plan. Meal plans are accepted at all on-campus dining halls and unused meals do not carry over from one week to the next (for all plans except 225) or from one semester to the next.

Meal plans may be changed up to the 10th day of class of each semester at the Bursar’s Office. Charges for meal plan changes will be assessed per an established pro-rated schedule.

Changes outside of the required meal plan or after the 10th day of class for reasons such as a medical condition must petition and receive approval from The Executive Director of Student Auxiliary Services. If such changes are approved, cost adjustments will be processed on a pro-rated basis as of the week following the last meal purchase.

*All facilities also accept cash or credit

"The Meal Plan at Lehigh is great because there's a wide variety, it's all-you-can-eat, and the food is excellent!"
**Dining Dollars**

This declining balance is accepted at all Lehigh dining locations. Dining dollars are non-refundable, non-transferable and carry over from fall semester to spring semester only.

Dining Dollars can also be used as cash-equivalency at the food court, cafés, and retail locations across campus, as well as resident dining facilities, but cannot be used at off-campus restaurants and dining locations.

Dining Dollars are allotted based on a student’s selected meal plan, and additional Dining Dollars can be added on to any card holder with a meal plan at any time during the academic year.

Each time a card holder adds dining dollars during the academic year, dining services will award them with 10% of whatever is added as part of their rewards program. During the first 10 days of class, an additional 20% will be awarded when dining dollars are added. For more information call 610.758.6179.

**GoldPLUS**

GoldPLUS functions as an optional debit card and can be used at all Lehigh dining locations, for on-campus services such as laundry machines, campus parking, and copy machines, as well as many local off-campus restaurants, entertainment venues, and services. GoldPLUS balance carries over until graduation, upon which any remaining balance will be refunded. *Refunds on closed accounts will be made in the full amount of the unused balance. However, refunds may not be processed for balances less than $15.00.*

Deposits can be made to a GoldPLUS account at any time by visiting the GoldPLUS office, or by phone with a personal credit card or debit card at 610.758.6169.

“GoldPLUS is a great way to buy books at the Lehigh Bookstore – just deposit the amount needed in advance. Any returns will be credited back to the GoldPLUS account without the hassle of credit card numbers or information.”
FIRST-YEAR STUDENTS will go through many different transitions as they adjust to University life. The Dean of Students Office offers numerous services dedicated to helping each student succeed academically.

The Center for Academic Success

The Center for Academic Success is designed to help all students reach their full academic potential. The Center provides tutoring services in many first and second-year courses (introductory and 100-level courses) and study skills assistance free of charge to Lehigh University students. The long-range goal of the Center is to help students become successful, independent, and self-confident learners.

A recently started program, developed jointly by the Center for Academic Success and the Office of Residence Life, is the Residential Studying & Tutoring program (RST). The RST program is designed to provide first-year students with the opportunity to connect with other residents, study with peers, and seek the help of a knowledgeable tutor. RST sessions are offered on a weekly basis Sunday through Wednesday in each of the five first-year residence halls. studentaffairs.lehigh.edu/success

Writing and Math Center

The Writing and Math Center offers both online and in-person assistance for students in the areas of writing, research techniques, and math proficiency. One of the most popular services is one-on-one conferences with trained writing consultants who can help students brainstorm ideas, review working drafts, or refine their writing style. studentaffairs.lehigh.edu/writing

Academic Advising

All first-year students are assigned an academic advisor based on the college in which they are enrolled because each college has an advising system unique to that college. For upper-class students who have declared majors, the academic advisor is the department chairperson or an assigned faculty member of the specific curricula. Academic advisors help students with course selection, pre-registration, dropping or adding a course, and requests for pass/fail grading.

“Send a care package from home, even if you are only 20 minutes away. Nothing is better during exams than some snacks from home.”
Career Services

Career Services provides resources to support the career development of Lehigh students at all stages of their education. Resources are offered to assist students with selecting a major, interviewing, finding an internship, researching companies, or negotiating a job offer.

careerservices.web.lehigh.edu

Library Services

The Lehigh Libraries offer many services to support the academic progress of Lehigh students. Electronic access to many academic periodicals, as well as an online catalog enables students to access the library 24 hours a day from anywhere on campus. Additionally, the two on-campus libraries offer quiet study areas, thousands of volumes on a myriad of topics, an interlibrary loan program, and photocopying services.

Mid-Term Grade Reports and Section 3’s

A mid-term grade report process is in place for all first- and second-year students which allows the University to closely monitor student progress throughout the semester. Midterm grades are shared directly with the student through the student portal and are accessible on the Parent Portal as well. After the first round of “Four O’clocks,” students who receive two or more D or F grades in their courses are notified to schedule a meeting with their advisor, the course instructor, and an academic support staff member to discuss their need to improve their standing in the course.

Named for its position in the Rules and Procedures of the Faculty (2.2.5. Section 3), Section 3 forms are filed by faculty members if a student appears to be neglecting course work or interferes with the discipline of any courses. If students neglect the first report of the Section 3 notice, the instructor can file a second report. Students failing to react to the second report may be dropped from the course.
The Pride Center
The Pride Center for Sexual Orientation and Gender Diversity works to create a safe and supportive academic environment for all Lehigh students through educational opportunities and support and advocacy for LGBTQIA (Lesbian, Gay, Bisexual, Transgender, Queer/Questioning, Intersex, Asexual, and Ally) students. Our goal is to promote and sustain the academic and personal growth of our students by creating a welcoming and affirming environment void of homophobia, heterosexism, and gender bias. The Rainbow Room is a gathering place for the University community to talk, read, meet others, learn, use computers, relax and engage in open dialogue about sexual orientation and gender identity and expression. studentaffairs.lehigh.edu/lgbtqia.

Office of Fraternity and Sorority Affairs (Greek Life)
For more than 125 years, the Greek community at Lehigh has been an important part of the student experience. The OFSA exists to support the over 30 fraternities and sororities on campus by providing leadership programming, student and chapter advising, and educational programming. In addition, the Office works to foster brotherhood and sisterhood, promote academic excellence, and ensure that Greek students are active contributors to the campus community. Students interested in joining Lehigh’s Greek community are encouraged to participate in the annual recruitment process, which occurs in the spring semester each year. studentaffairs.lehigh.edu/ofsa

Since the 1950s, fraternity and sorority houses have been located along the winding roads of South Mountain. This area is known among students as “The Hill.”
Office of Multicultural Affairs

The Office of Multicultural Affairs promotes Lehigh’s commitment to diversity and inclusion through providing resources and advocacy for students from historically marginalized populations. Our goal is to help retain and recruit these students while enhancing their experiences through cultural programming, workshops, support groups and education. With a focus on social justice, the OMA sponsors the Council of Cultural Organization, which is comprised of 16 culturally based student clubs and organizations that provide educational, social and philanthropic programs for the Lehigh and surrounding community. One of the most popular programming initiatives of the OMA is the celebration of heritage months throughout the year for the entire campus to enjoy, participate in and learn from. studentaffairs.lehigh.edu/oma

Support Services for Students with Disabilities

Lehigh University is committed to ensuring “reasonable accommodations” to students who are substantially limited by a diagnosed disability. It is the responsibility of students with disabilities to identify themselves to the appropriate university contact person and provide the required documentation in order to receive accommodations. studentaffairs.lehigh.edu/disabilities

Women’s Center

The Women’s Center works toward gender equity within the Lehigh community by creating a campus culture that values women and listens to their voices. With nearly 20 engaging student staff members, the Women’s Center sponsors discussions, activities, and develops customized workshops on topics connected to women and gender including gender in the workplace, global gender, and feminism. The Women’s Center has two key initiatives for 2015-2016: body positivity for all students and student staff development studentaffairs.lehigh.edu/women
The Office for Gender Violence Education and Support

The Office of Gender Violence Education and Support works to change campus climate and culture around sexual assault, intimate partner abuse, and stalking through both education and support. The office oversees The Advocates, trained Lehigh staff and faculty available 24/7/365 to work with survivors and friends of survivors of gender-based violence. Break the Silence (BTS), a peer gender violence education group and the Director facilitate several programs and workshops each year on topics such as healthy sex, how to communicate with sexual partners, and how to create a rape-free culture.

Equal Opportunity Compliance Coordinator/Title IX Coordinator

The Equal Opportunity Compliance Coordinator is a resource for all Lehigh students, faculty, and staff on issues relating to discrimination, harassment, retaliation, and sexual misconduct. The EOCC is also Lehigh’s Title IX Coordinator. The EOCC is available to listen and discuss any questions or concerns relating to discrimination, harassment, retaliation, and sexual misconduct, and also investigates allegations of such conduct. The EOCC works with other offices on campus to provide resources for those who have experienced discrimination, harassment, retaliation, or sexual misconduct and to foster a safe and inclusive environment for all students.
THE LEHIGH UNIVERSITY HEALTH AND WELLNESS CENTER
provides care to all of the university’s undergraduate and graduate students. The mission of the Health and Wellness Center is to provide students with:
• High quality, compassionate medical care
• Non-judgmental care that respects individual differences in a confidential environment
• The knowledge and ability to treat themselves for minor illnesses and injuries

The services provided by the Health and Wellness Center include:
Medical visits by appointment | Routine gynecological examinations | Contraceptive counseling and emergency contraception | Allergy injections | Immunizations | Laboratory services | Many medications that are free of charge | Prescriptions for many medications | Treatment for psychological issues in conjunction with the University Counseling Center

Please Note: The Health and Wellness Center does not prescribe medication for ADD medication, Accutane, and some psychiatric medicine and does not fill prescriptions. All prescriptions can be filled at local pharmacies. All medical records are strictly confidential and will only be released with written consent of the student.

Students and families are encouraged to review our website for details of our services at lehigh.edu/health.

Students are encouraged to make appointments in advance by either:
• Going online to our homepage and signing onto the Patient Portal, where they can choose an appointment time that is convenient for them, OR
• Calling our office 610-758-3870 and speaking to a receptionist
  For minor illnesses and injuries, students may stop by our Wellness Room’s self-treatment area, where many free over-the-counter medications can be found, without making an appointment.

Hints for staying healthy for new students include:
• Washing hands frequently
• Getting adequate sleep each night
• Getting a flu shot every year; these will be offered on campus starting in September
COUNSELING & PSYCHOLOGICAL SERVICES

Counseling Service (UCPS) is dedicated to the belief that a person’s college years are optimally a time of challenge, inquiry, experimentation, productivity, and change. Our services are primarily designed to help students thrive in meaningful ways, to grow in self-understanding in order to make optimal use of their personal and interpersonal resources. Individual counseling, group therapy, faculty/staff and family consultation, and numerous outreach activities are some of the primary means by which we attempt to accomplish our mission to serve this community. We are also devoted to helping students manage the occasional crises that arise at this time of life. UCPS psychologists are committed to providing assistance to all registered Lehigh students interested in personal, social, and academic growth and discovery, as well as to the larger campus community through consultation, academic teaching, research, peak performance training, and various other types of involvement. Some of the services offered are below.

Group Counseling/Psychotherapy:

Group is an opportunity available to students who are in need of a supportive environment that assists them in establishing and maintaining close and gratifying relationships with others. Group can give students better understanding of their relationships with others and assist them in sharing their internal thoughts and feelings with peers in exchange for honest and helpful feedback. Weekly group sessions typically last 90 minutes and students often participate in group for a full year or more.
Individual Counseling

Individual counseling and psychotherapy sessions can be as varied as the students who seek counseling. Sessions can range from dealing with stress, to managing relationships, to overcoming an eating disorder. They typically last 45 minutes, and students may be seen for a single session or for a number of sessions.

Consultation for families/friends

UCPS provides consultations to parents, family and friends who are concerned about their child, relative or friend. Such consultations can focus on a range of issues. Common topics include: how to refer a student to the UCPS, how to assist a student experiencing a difficult situation, or how to facilitate a referral to a mental health care provider in the local community. To speak with a UCPS staff member about your concerns please call the UCPS at (610) 758-3880 and ask to consult with one of our therapists. If a staff member is available he or she will speak with you at that time, however if all are currently busy, please leave a message with our administrative staff and one of our senior staff members will return your call as soon as possible. Further advice and resources for parents can be found at studentaffairs.lehigh.edu/content/parents-0
RECEIVING MAIL IS A WELCOMED SURPRISE BY STUDENTS

The Mail Center is Lehigh’s campus post office. The Mail Center has established hours of operation where staff are available to accept and distribute parcels. Hours of operation for the 2015-2016 academic year are Monday through Friday, 8 a.m. to 5 p.m., and Saturdays, 10 a.m. to 2 p.m. Please keep these hours in mind when selecting shipping preferences. We are equipped to handle small parcels that require refrigeration. However, please use care and planning when shipping a large package that should be refrigerated before your student is able to retrieve their package. Please address all mail and packages in the following manner:

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal law enforced by the U.S. Department of Education that protects the privacy of student educational records. Once a student reaches 18 years of age or attends a postsecondary institution, (s)he becomes the holder of privacy rights pertaining to his/her education records.

Unless students give consent, parents and/or guardians no longer have access to education records, such as a student’s grades or other “non-directory” information. Therefore, it is important that families discuss with their students their expectations for being informed about the student’s academic progress and standing.

FERPA does permit the University to contact parents and/or guardians when a student who is under the age of 21 has violated the University’s Code of Conduct related to drugs or alcohol. As a result, the University will contact parents or guardians for any violation of this type. The University will also contact parents or guardians if there is a threat to the health or safety of the student.

The University has created a Lehigh Parent Portal, which was designed specifically to provide family access to certain information in students’ education records. A mailing about the Portal, detailing the process for students to grant access to parents and family members, will be sent at the beginning of the fall semester. If the student agrees to grant access, parents and/or family members will be able to enter the Portal shortly after the second week of classes in the fall semester.
Reapplying for Aid

Financial Aid eligibility is determined annually, based on a family’s most current financial situation; therefore families must refile annually for financial aid. Financial aid eligibility will be updated based on changes in the costs of attendance for the new academic year, and the current family information including: Income; assets; number of household members; and sibling college enrollment. Complete applications for institutional aid are due by April 15 (preceding the new academic year). In addition, Satisfactory Academic Progress is required for aid renewal. Late applicants and those not making minimum academic progress may be denied financial assistance.

Changes in Financial Circumstances

Please contact our office and speak with your financial aid counselor if you feel there are extenuating financial circumstances. Your counselor may have you submit in writing the new information that was not available at the time you first applied for aid. Additional funding will depend on the availability of funds.

Outside Scholarships

There are many private scholarships your student may apply for, that may or may not be need-based. Eligibility is determined by various factors, such as academic or career goals. To look for a scholarship that matches your student’s interests and qualifications, you can access free scholarship information online at www.collegeboard.com, www.fastweb.com, or www.scholarshipexperts.com. Be sure to view the outside scholarship policy on the Office of Financial Aid website to determine how receipt of outside scholarships may affect a financial aid package.
**Work-Study**
If your student’s financial aid eligibility includes a work-study award, it is important to note that it is neither an obligation nor a guarantee of an on-campus job. If students wish to take advantage of their work study eligibility, they must secure a job and work hours to earn these funds. Employment is readily available at Lehigh, so students have ample opportunity to earn their full awards.

**Communication with Students**
At the point that your student starts school, the Office of Financial Aid will direct all communications to your student. Most communications will be sent via email to your student’s Lehigh email account. Be sure to have your student check their Lehigh email regularly. Also, it is advisable that your student check the Financial Aid section of the student portal on a regular basis for any missing information requests or updates to award information.

**Contact**
For more information about financial aid, or to meet with a financial aid counselor, we encourage you to contact the Office of Financial Aid:

Visitor Parking

If you are planning to stay overnight on or near campus and plan to park on campus, you are required to purchase a visitor permit at a cost of $5.00 per day. Visitors may purchase a visitor permit in the Parking Services office, located in 106 Johnson Hall, 36 University Drive. Visitors may also park at and pay a brown meter if they are unable to obtain a permit or if they arrive when the Parking Services office is closed. Please note that all meters are monitored and must be fed from 6:00 AM – midnight. Visitors may also park in the Zoellner Arts Center garage for a $4.00 entry fee during regular operating hours (no overnight parking permitted), the metered spaces in the Morton Street garage (next to Farrington Square), bottom level, or in the bottom level of the Alumni Parking Pavilion. Permits are not required to park in any of the metered spaces in campus garages. Please contact us for help in planning your visit or if you have questions! (610)758-7275, inpark@lehigh.edu.

Air Transportation

Lehigh University is serviced by three major airports. The Lehigh Valley Airport (ABE) is a mere 15 minutes from campus, with transportation to and from the airport available by taxi or LANTA bus. The Philadelphia Airport (PHL) and Newark Liberty International Airport (EWR) are approximately 70 miles from campus with transportation to and from campus available by reserved car service, bus, or rental car.

Ground Transportation

With its close proximity to many major metropolitan areas, Lehigh students have the ability to enjoy opportunities available off-campus as well as catch a ride home for a long weekend. The following companies offer ground transportation to and from the Lehigh University surrounding area:

**Enterprise CarShare and Zimride by Enterprise**
Lehigh University is pleased to offer the services of Enterprise CarShare, a membership-based car sharing program, which gives students the opportunity to rent cars by the hour or by the day. First-year students are not permitted to have a car on campus so this service provides an alternative option to bus transportation. Find out more at: www.enterprisecarshare.com/lehigh. Zimride by Enterprise is also an alternative transportation option on campus. Zimride is an online ride-matching service that easily connects drivers and passengers heading to the same area. This program is available only to students, faculty and staff, and requires a Lehigh username and password to sign-in. Learn more at zimride.com/Lehigh.

**On-Campus Transportation**
Lehigh University offers several bus routes operating on a regular schedule throughout all three Lehigh campuses, plus a late night escort service, TRACS (Take a Ride Around Campus Safely). Students can track bus location in real-time by visiting bus.lehigh.edu.

**Obtaining a Parking Permit**
Sophomore, Junior, and Senior students living on-campus may purchase a parking permit through the Parking Services office by visiting go.lehigh.edu/parking. Permits will be assigned as close as possible to the student’s residence hall. If needed, students may also use on-campus permits to park in the commuter lot at Mountaintop Campus during school breaks. All students living off-campus are required to purchase a permit if they wish to park on-campus.

**SMARTparking**
SMARTcards can be loaded with money to simplify the parking meter process. Instead of carrying quarters, just use your SMARTcard to pay any meter on Lehigh’s campus. SMARTcards are available at the Parking Office and Lehigh Bookstore. The SMARTcard can be used to put an extended amount of time on the meter, and when you return, simply reinsert the card and the unused time will be refunded to the card.

Family Weekend

All families are invited to join Lehigh for Family Weekend! Family Weekend 2015 will be October 30th - November 1st. Many members of the faculty, including academic advisors, will participate in the weekend events, giving families the opportunity to interact with a variety of individuals. Families are invited to attend any of the scheduled activities which include the Lehigh football game against Georgetown, tailgate party, informative college presentations, and much more!

FAMILY WEEKEND 2015 WILL FEATURE A HOME FOOTBALL GAME AGAINST GEORGETOWN. COME JOIN IN AND CHEER ON THE MOUNTAIN HAWKS TO VICTORY!

Lehigh-Lafayette

The 151st meeting of the Lehigh and Lafayette football teams will be held November 21, 2015 at Goodman Stadium. Tickets are available through the Athletic Ticket Office. Along with coming to the game to cheer on the Mountain Hawkson their home turf, all families are invited to join their students for a week of festivities on the Lehigh campus. If you are unable to make it to campus, contact the Alumni Association for information on joining Lehigh alumni, families, and friends for telecasts around the country. Go Mountain Hawks!

The Lehigh-Lafayette football game is the most-played rivalry in college football. “The Rivalry” began in 1884 and has been played every year since 1897. It’s often said that Lehigh could go 1-and-10 and the season would be considered a success – as long as the one win was against Lafayette.
WELCOME LEHIGH FAMILIES
Share in your students’ Lehigh Experience

Parents Giving Program
The Parents’ Giving Program, which is part of the Lehigh Fund, raises annual money from alumni, parents, friends, corporations, and foundations to support programs that enhance the total educational experience. In addition, parents and grandparents also support capital and endowed funds, such as scholarships, professorships, buildings, and other academic programs. Lehigh is grateful to parents and grandparents for their generosity.

Parents’ Council
Parents and grandparents also participate in their students’ Lehigh experience through membership in the Parents’ Council, an advisory and advocacy group whose members serve as ambassadors on behalf of the university. Members are invited to campus meetings, special events, and serve on advisory committees as needed. More than 60 families make leadership gifts that totaled over $2M last year. Their support has an immediate and lasting impact in the lives of our students. Members are invited to exclusive events during Family Weekend, including a reception at the President’s House, plus other events across the country. I invite you to become involved.

**bLUeprint** – Lehigh aims to expose all students to five developmental areas: Identity Development; Collaborative Connections, Inclusive Leadership, Professional Growth and Success, and Creative Curiosity.

**evoLution SEMINAR** – An interactive seminar led by a faculty or staff member and a student leader that compliments the first-year curricular experience.

**GRYPHONS** – Known as Resident Assistants at most other universities, Gryphons are undergraduates selected by the Office of Residence Life to live with the students in residence halls and serve as an immediate source of support and assistance to them.

**HAWK’S NEST** – 1) On-campus diner with late-night hours, located in Lamberton Hall student center.
LEHIGH-LAF – The week of activities leading up to the most-played rivalry in college football, including the Turkey Trot, bed races, the Spirit of Lehigh parade, and bonfire. This year will mark the 149th meeting between the two schools.

LINDY – Linderman Library located in the center of campus.

OL (ORIENTATION LEADER) – Returning student trained to help new students with the transition to Lehigh and guide his or her group through orientation.

PRESIDENT’S SCHOLARS – Any Lehigh student who graduates with a 3.75 GPA or better, has taken 92 credits at Lehigh, and completed at least four full-time regular semesters will automatically qualify for a free 5th year of course study at Lehigh.

The Brown and White – Lehigh school newspaper published twice each week.

TURKEY TROT – A Thursday night, 2.6 mile run through the campus that is part of Lehigh-Lafayette week festivities. This year will be the 61st Annual Turkey Trot.

Parking as a visitor on campus

Visitors may choose from the following options when parking at Lehigh:

- Obtain a permit at $5/day
- Park at and pay a Lehigh meter at $1/hour
- Park in the Zoellner Garage at $4/entry
- Park at and pay a City of Bethlehem meter

Helpful Parking Facts:

Visitors may purchase a visitor parking permit in the Parking Services office, located in 106 Johnson Hall, 36 University Drive. Visitor permits for Friday, Saturday, and Sunday may also be purchased online at go.lehigh.edu/parking (with Lehigh username and password).

Visitors may park at a meter if they are unable to obtain a permit or if they arrive when the Parking Services office is closed.

SMARTcards are accepted at all Lehigh meters, regardless of the meter color, and may be purchased in the Parking Services office and in the Lehigh University Bookstore.

SMARTcards are cards that can be loaded and reloaded with money. The SMARTcard can be used to put an extended amount of time on the meter, and when you return, simply reinsert the card and the unused time will be refunded to the card.

Visitors may park in the Zoellner Arts Center Parking Garage for a $4 entry fee during regular operating hours. Permits are not required to park in the Zoellner garage.

Metered visitor parking is also available in the Farrington Square Garage (bottom level) and the Alumni Bldg. Parking Pavilion (bottom level).
