Welcome to the Lehigh University Family! It is our pleasure to welcome each of you to the Mountain Hawk community. Lehigh is committed to partnering with parents and families to assist in the success and education of our new students. The Office of the First-Year Experience provides resources and programs to assist you in the support of your student’s growth at Lehigh and also to provide support to our new students as they transition into college life. We recognize the important role you play in your student’s transition process, and therefore want to assist families with their transition as well. We are excited to have a healthy level of involvement from you and other family members as we seek to provide support for the students’ academic, professional, and personal development.

The Family Field Guide is intended to assist you and your student with the transition to Lehigh, placing special emphasis on the services available to your student. It will enable you to advise them as they navigate the complexities of the first year college experience. You will learn about student support services, from academic advising and career counseling to student involvement and battling homesickness. Everything in this guide is designed to enable your students to make the most of their time here and to reach their full potential. In addition, we will introduce you to the Bethlehem community with history of the area, places to stay, where to eat, and things to do while you are here in the Lehigh Valley. Our hope is that this guide will inspire you to become involved with Lehigh. Whether it is through Family Weekend or participating in the Parents Council, you will find that the more you learn about Lehigh, the greater this experience will be for your entire family.

We appreciate your involvement in your student’s experience and look forward to a great four years with your family at Lehigh. Please let us know if we can ever be of assistance as you and your student transition!

We look forward to meeting you during the Family Orientation Program!

LEHIGH UNIVERSITY’S HISTORY is closely related to the rise and progress of America as an industrial power. The vision of our founder Asa Packer, an industrial pioneer, entrepreneur and philanthropist, set the foundation for generations of students to learn and live among the nation’s brightest scholars. In 1865, Packer, president of Lehigh Valley Railroad, presented a $500,000 gift to build a university that would contribute to the “intellectual and moral improvement” of men in the Lehigh Valley. It was the largest donation of its kind to any educational institution in America at that time. The site that Packer chose for his university was a railroad junction across the Lehigh River from Bethlehem, Pennsylvania, a community founded in 1741 by Moravian missionaries. The site was selected in part because it was within walking distance for managers of the Lehigh Valley Railroad. Packer and his associates designed the school to chiefly focus on mathematics and science education, but provide pupils with a sufficient knowledge of classics.

Now, 151 years later, Lehigh is still honoring this proud heritage as it looks ahead to the future. What began as a home for 39 eager young scholars is now a thriving university of more than 5,054 undergraduate and 1,979 graduate students.

Lehigh’s history is an ongoing process that continues with each generation of Lehigh students, leaders and faculty who take the past and leave their distinct mark for the future. From the first class of students who arrived on South Mountain to the Class of 2020 Lehigh has maintained its tradition of excellence while keeping in step with a dynamic world.

Although Lehigh became officially co-ed in 1971, women have been admitted to graduate programs and summer session courses since 1918.

Each Lehigh class is represented by an official class flag with the colors and design adopted from the flag of the class 50 years their senior. Come see the Class of 2020 flag on display in the Alumni Memorial Building.
THE HISTORY OF BETHLEHEM

**SINCE 1741**, Bethlehem has beckoned travelers to experience the warmth and hospitality of this delightful community. In that year, a small group of Moravians settled on the banks of the Lehigh River near the Monocacy Creek. They represented what is now recognized as the oldest organized Protestant denomination in the world, the Unitas Fratrum, or Unity of the Brethren, founded in 1457.

On Christmas Eve of that first year, 1741, the Moravians’ patron, Count Nicholas Ludwig von Zinzendorf of Saxony, Germany, visited the new settlement. In their two-room log home that housed both man and beast, the Count christened the community “Bethlehem.” By 1845, the more than 1,000 inhabitants voted to incorporate the village into a free borough in the County of Northampton. With the advent of the Industrial Revolution, Bethlehem became a center of heavy industry and trade. Until 2003, Bethlehem was home to the world headquarters of Bethlehem Steel, which at the time was the second-largest steel producer in the United States.

In 1937, the Bethlehem Chamber of Commerce, mindful of Bethlehem’s first Christmas in 1741, asked - “Why not make Bethlehem, named at Christmas, the Christmas City for the entire country?” Thus, since 1937, Bethlehem, Pennsylvania has been known throughout the world as Christmas City USA. That same year, the “Star of Bethlehem” made its debut on the top of South Mountain. A fifty-three feet tall star made of Bethlehem steel- the “Star of Bethlehem” honored the rich history and traditions of Bethlehem. Today, the star is lit from 4:30 p.m. until midnight every day of the year and can be seen from up to 20 miles away.

From its humble beginnings as a Moravian settlement to its modern status as the heart of the thriving Lehigh Valley, Bethlehem has carefully preserved its past. It is a city of 75,000 that shines as brightly as its huge electrical star atop South Mountain. The Moravian influence remains strong, but many more traditions from many lands have joined in making the city a “melting pot” of cultures, blending one into the other.

**Transitioning to College**

**Tip # One**
Every student will adjust to this transition differently. Help them through the transition without pushing them too fast or pulling them too close.

**Tip # Three**
Discuss your finances. Determine what the family will be paying for and what is your student’s responsibility. This is a great time for your student to learn financial responsibility while still having a safety net.

**Tip # Four**
Discuss academic expectations. Transitioning from high school to college-level work is challenging, so it’s important to set realistic expectations. Encourage your student to seek out resources that can help them with the transition.

**Tip # Five**
Start talking about social pressures like alcohol and sex. Help your student set expectations for their own behavior and ways to stay accountable to them.

**Tip # Six**
Discuss expectations for breaks. Once students start making friends or missing high school friends, their ideas for break plans can start to differ from yours.

**Tip # Seven**
Set a communication plan for when you will talk. Utilizing e-mail, texting, and social media is a great idea!

**Tip # Two**
Encourage involvement in campus activities and events. The more connected and engaged students are to campus, the better their college experience. Lehigh has so many opportunities that every student can find something they love.
Be a good listener. Remember, students will often call to vent frustrations. Sometimes they just need someone to listen and not solve the problem.

Be sure to encourage your student to STAY on campus even if they live nearby. Friendships are often formed on the weekends, so it is important for your student to be around campus building connections.

Let your student start to do things for themselves. This is the time for them to begin transforming into adults and to learn how to navigate Lehigh, and the rest of their world, on their own.

---

ADVICE FROM STUDENTS

- “Be open and available to your kids.”
- “I really appreciated when my parents sent little knick-knacks from home.”
- “Educate your kids on the consequences of their decisions; do not make their decisions for them.”
- “Understand that we are now learning how to live lives of our own so try to be supportive and understanding throughout the process.”
- “Parents should know that it’s normal for their kids to want to grow up a little bit and create a space between them and their parents.”
- “My parents send me a card every once in a while just saying good luck and that they are proud of me. It is nice to get a card like that when you don’t expect it and it’s a good ‘pick-me-up’ if you had a tough week.”
- “Lehigh has great resources to help your student along the way. Encourage your student to be familiar with these.”
Your student has moved in, is settled, and is officially a part of the Lehigh community. They are working to adjust to their new environment, but so are you. The first few weeks can be a challenge for families, as you become accustomed to not having your student at home and figuring out the new relationship you will have with them. The key is to find ways to take care of yourself as well as support your student in this adjustment process by providing an open line of communication. Let them know that you are there to talk and then allow them to talk freely. Keep in mind that mistakes will occur and that you are adjusting to this transition, too.

How do I LET GO and still BE THERE for my student?

“Launching your student” is a process of letting go of how the relationship has been so you can embrace the relationship that is to come. It is about giving them the room to make their own mistakes and successes, while still letting them know you are going to be there to support them, offer advice and guidance, love them, and encourage them. It is about letting them do it on their own, but being there to help them when they stumble along the way.

How am I SUPPOSED TO FEEL about this process?

Families experience a whole range of emotions, including feeling frustrated, annoyed, angry, impatient, worried, excited, happy, exhausted, energized, proud, and many more. You may love the freedom of your schedule and the quiet orderliness of a clean house, but miss lively family discussions and helping to solve problems. All of these emotions and reactions are completely normal. Just don’t forget to take care of yourself! This is a period of adjustment for you, too!
It sounds like things are not going well. How do I get my student to OPEN UP and tell me things?

As the family member, you may feel like you are giving a lot and getting very little. Your student may make requests for money or things from home but remain very private and limited in disclosing information to you. This does not always mean something is wrong. Pay attention to unusual behavior from your student. Look for hints of chronic homesickness, pattern of heavy drinking, or persistent avoidance of communication. Encourage your student to use campus resources such as their Gryphon, (Lehigh’s term for Resident Assistant), Residence Life Staff, Academic Support Services, Office of the First-Year Experience, and the University Counseling and Psychological Services as needed.

When you talk to your son/daughter you may hear less about the positives and more about things that are not so great, like roommate situations or dining options. Again, this is completely normal. Try to listen and answer their questions with an open mind and remain calm, even if they tell you things that may shock you. Often, when troubles become too much to handle, the only place a student wants to turn to is home, whereas friends at school are more likely to hear about all the good things.

Where can I go for SUPPORT during this time?

The Office of First-Year Experience and the Counseling Center are both great resources for families trying to help their students through the transitioning process. Professionals in both offices can answer questions you may have or recommend other on-campus resources for you or your student. Many families also recommend talking to others who are currently or have previously “launched” a student. There are also many books and online resources available for families with advice on the transition process. Please visit studentaffairs.lehigh.edu/content/family-information for a list of recommended books for families.
IT IS PERFECTLY NORMAL FOR STUDENTS TO GET HOMESICK.
Many students experience a longing for home during the first semester and their immediate reaction is going to be to run for the familiar – home cooking, high school friends, family, and their own bed. However, the cure for homesickness is not going home – it is making a home here at Lehigh. There are a multitude of ways for students to get involved on campus, stay busy on nights and weekends, and start to make South Bethlehem home!

Camp Hawk
Camp Hawk is a three-day, two night retreat experience in the Pocono Mountains that takes place after school has started. This can be a great opportunity for students who are having a difficult time adjusting to college to meet other first-year students. Upper-class student counselors will participate with students in various activities, such as relay races, and events, such as the highly anticipated bonfire, to build connections and develop students’ relationships with other Lehigh students. Camp Hawk will be held September 23-25, 2016. Registration is free and available on the OFYE website on the first day of class.

Community Service
The Community Service Office helps students engage in meaningful service to the greater Lehigh Valley area, including over 100 local agencies that are always looking for volunteers. Students can also give back by volunteering during school breaks on SERVE Trips or by tutoring local elementary and middle school children through America Reads and Counts. studentaffairs.lehigh.edu/content/community-service-office

Student Activities
The Office of Student Activities wants students to become meaningfully engaged within their campus community. Campus involvement is an important part of the Lehigh experience as it aids in the intellectual, personal and social development of a student. Lehigh offers over 150 student organizations that students can join. In addition, the office offers a variety of programming opportunities such as Weekly Activities in Lamberton and free shuttles off-campus for shopping and the movies.
Weekly Activities in Lamberton

Whether it is Mid-Day Monday stress relieving activities or Make-and-Take Friday crafting, Student Activities has something going on almost every day of the week in Lamberton Hall.

Getting Off-Campus

Student Activities offers a FREE shuttle bus service to the Carmike Promenade 16 + IMAX, Lehigh Valley Mall, and Wal-Mart. Buses, Zimride by Enterprise, an online ride-matching service, and Enterprise CarShare, a car rental service, are also available on a daily basis to take students to Philadelphia and other areas of the Lehigh Valley for dining, entertainment, or shopping.

MAINTAINING A SECURE ENVIRONMENT is very important to the entire Lehigh community. We believe that an effective approach to campus safety includes prevention, education, and the ability to respond. A variety of security measures are implemented throughout campus, including 100+ emergency blue light phones that are placed strategically around campus, a cell phone messaging alert system, well-lit walkways, a safety escort service and a bus service among residence halls and academic buildings from dusk until dawn.

University Police Department

Lehigh University Police Department is accredited by the Pennsylvania Chiefs of Police Association and the Pennsylvania Law Enforcement Accreditation Commission. Lehigh’s police officers are fully trained and certified by the Commonwealth of Pennsylvania. The University Police have and may exercise full police powers on campus and in the immediate and adjacent vicinity of campus, including the enforcement of all federal, state, and local laws, as well as all rules and regulations set forth by the university. The University Police also provide security guards to monitor campus security. The University Police provide coverage 24 hours per day, 365 days per year. The Department consists of a Chief, an Assistant Chief, one Lieutenant, three Sergeants, two Corporals, eighteen Patrol Officers, four Security Guards, eight Police Dispatchers (including part-time), a Department Coordinator, and forty part-time Event Staff. For more information, visit police.lehigh.edu
Emergency Services
Lehigh University Emergency Medical Services (LUEMS) is a state-licensed Quick Response Service that provides basic life support services 24/7 when classes are in session. All EMS crews are staffed by volunteer students, faculty, and/or staff. LUEMS works with University Police to provide a faster response time to patients, as well as to alleviate the strain of City of Bethlehem EMS.

Campus Alert System
LU-ALERT is an important emergency message notification system that enables Lehigh administrators to send a short mobile text alert to all students, faculty, and staff who have subscribed to the service. The text messages will only be sent out in cases of imminent danger, or when an emergency situation will impact a significant number of people. Students can register for LU-ALERT by visiting lehigh.edu/emergency/prepared/lualert

TRACS and Escort Services
TRACS (Take a Ride Around Campus Safely) and Lehigh’s escort service provide an alternative to walking alone after dark and operate from dusk until dawn. TRACS vans follow a scheduled route around campus from 10 p.m. to 2 a.m., Sunday through Wednesday, and 10 p.m. to 3 a.m., Thursday through Saturday. They also provide transportation to and from University buildings and neighborhoods adjacent to campus. Walking escorts are available from dusk until 10 p.m. and resume at 3 a.m. until dawn.

HELPFUL REMINDERS FOR YOUR STUDENT’S SAFETY

- Lock all windows and doors
- Walk in groups, especially at night
- Do not prop open doors or let others follow you into buildings
- Report any suspicious behavior to campus police immediately
- Take advantage of campus shuttles at night
- Be aware of the location of all emergency phones on campus
- Tell a friend or roommate where you are going and when you expect to return
RESIDENTIAL LIVING at Lehigh University is an environment characterized by mutual respect and collective responsibility. The residential living experience supports the complete development of students through individual, interpersonal, intellectual, and community education.

LIVING IN THE RESIDENCE HALLS

The primary resource for Lehigh students living in residence halls are their Gryphons. The Gryphons serve as a resource and peer leader to students, and they coordinate programs and activities that support student learning and development. The Gryphons serve on a rotating duty schedule and are available to students in the evenings and on weekends. Each residence hall also has an Assistant Director of Residence Life (AD) - a master’s level, professional staff member who lives in the hall and oversees the Gryphon staff. ADs serve as a secondary support system for students living in the residence halls and can assist students with any questions they may have. The staff will host multiple events and programs for students to get involved both inside and outside of the residence halls including trips to on- and off- campus events, coffee breaks with faculty, invited speakers, and more.
Roommates
Students are asked to give both their room and roommate assignment a 10-day trial period. If a student would like to make a change after that time, everything possible will be done to try to relocate him/her. Room change requests should be directed to the Assistant Director (AD) of Residence Life.

Holidays and Academic Breaks
The residence halls are open during Pacing Break and Thanksgiving Break for students who wish to stay on campus. However, only international students and in-season NCAA varsity athletes are permitted to remain in the halls during Semester Break and Spring Break. Additionally, one residence hall is open during the summer session for students interested in staying on campus to complete coursework.

Safety in the Residence Halls
The exterior doors of all residence halls are locked 24 hours a day, seven days a week. Students will use their Lehigh ID card to enter their residence hall. Access to a specific residence hall is limited to students living in the hall, maintenance, and custodial staff.

Over 100 years ago, Lehigh engineers constructed and decorated beds to race down the side of South Mountain as a test of their engineering prowess. The Class of 2010 revived this tradition in 2007 with a few modern twists. Bed races are now done drag race style down Library Drive as part of Lehigh-Lafayette Spirit Week!
At Lehigh, students have 3 methods to purchase food:

**MEAL PLANS**

All first-year students are required to be on a Category I (Carte Blanche) or Category IA (19 or 14 meals per week, unlimited meals, or 225 meals per semester) meal plan. Meal plans are accepted at all on-campus dining halls and unused meals do not carry over from one week to the next (for all plans except 225) or from one semester to the next.

Meal plans may be changed up to the 10th day of class of each semester at the Bursar’s Office. Charges for meal plan changes will be assessed per an established pro-rated schedule.

Changes outside of the required meal plan or after the 10th day of class for reasons such as a medical condition must petition and receive approval from The Executive Director of Student Auxiliary Services. If such changes are approved, cost adjustments will be processed on a pro-rated basis as of the week following the last meal purchase.

*All facilities also accept cash or credit

"The Meal Plan at Lehigh is great because there's a wide variety, it's all-you-can-eat, and the food is excellent!"
**DINING DOLLARS**

This declining balance is accepted at all Lehigh dining locations. Dining dollars are non-refundable, non-transferable and carry over from fall semester to spring semester only.

Dining Dollars can also be used as cash-equivalency at the food court, cafés, and retail locations across campus, as well as resident dining facilities, but cannot be used at off-campus restaurants and dining locations.

Dining Dollars are allotted based on a student’s selected meal plan, and additional Dining Dollars can be added on to any card holder with a meal plan at any time during the academic year.

Each time a card holder adds dining dollars during the academic year, dining services will award them with 10% of whatever is added as part of their rewards program. During the first 10 days of class, an additional 20% will be awarded when dining dollars are added. For more information call 610.758.6179.

**GoldPLUS**

GoldPLUS functions as an optional debit card and can be used at all Lehigh dining locations, for on-campus services such as laundry machines, campus parking, and copy machines, as well as many local off-campus restaurants, entertainment venues, and services. GoldPLUS balance carries over until graduation, upon which any remaining balance will be refunded. *Refunds on closed accounts will be made in the full amount of the unused balance. However, refunds may not be processed for balances less than $15.00.*

Deposits can be made to a GoldPLUS account at any time by visiting the GoldPLUS office, or by phone with a personal credit card or debit card at 610.758.6169.

“GoldPLUS is a great way to buy books at the Lehigh Bookstore – just deposit the amount needed in advance. Any returns will be credited back to the GoldPLUS account without the hassle of credit card numbers or information.”
FIRST-YEAR STUDENTS will go through many different transitions as they adjust to University life. The Dean of Students Office offers numerous services dedicated to helping each student succeed academically.

The Center for Academic Success

The Center for Academic Success is designed to help all students reach their full academic potential. The Center provides tutoring services in many first and second-year courses (introductory and 100-level courses) and study skills assistance free of charge to Lehigh University students. The long-range goal of the Center is to help students become successful, independent, and self-confident learners.

A recently started program, developed jointly by the Center for Academic Success and the Office of Residence Life, is the Residential Studying & Tutoring program (RST). The RST program is designed to provide first-year students with the opportunity to connect with other residents, study with peers, and seek the help of a knowledgeable tutor. RST sessions are offered on a weekly basis Sunday through Wednesday in each of the five first-year residence halls. studentaffairs.lehigh.edu/success

Writing and Math Center

The Writing and Math Center offers both online and in-person assistance for students in the areas of writing, research techniques, and math proficiency. One of the most popular services is one-on-one conferences with trained writing consultants who can help students brainstorm ideas, review working drafts, or refine their writing style.

studentaffairs.lehigh.edu/writing

Academic Advising

All first-year students are assigned an academic advisor based on the college in which they are enrolled because each college has an advising system unique to that college. For upper-class students who have declared majors, the academic advisor is the department chairperson or an assigned faculty member of the specific curricula. Academic advisors help students with course selection, pre-registration, dropping or adding a course, and requests for pass/fail grading.
The Center for Career & Professional Development
Career Services provides resources to support the career development of Lehigh students at all stages of their education. Resources are offered to assist students with selecting a major, interviewing, finding an internship, researching companies, or negotiating a job offer.

careercenter.lehigh.edu

Library Services
The Lehigh Libraries offer many services to support the academic progress of Lehigh students. Electronic access to many academic periodicals, as well as an online catalog enables students to access the library 24 hours a day from anywhere on campus. Additionally, the two on-campus libraries offer quiet study areas, thousands of volumes on a myriad of topics, an interlibrary loan program, and photocopying services.

Mid-Term Grade Reports and Section 3’s
A mid-term grade report process is in place for all first- and second-year students which allows the University to closely monitor student progress throughout the semester. Midterm grades are shared directly with the student through the student portal and are accessible on the Parent Portal as well. After the first round of “Four O’clocks,” students who receive two or more D or F grades in their courses are notified to schedule a meeting with their advisor, the course instructor, and an academic support staff member to discuss their need to improve their standing in the course.

Named for its position in the Rules and Procedures of the Faculty (2.2.5. Section 3), Section 3 forms are filed by faculty members if a student appears to be neglecting course work or interferes with the discipline of any courses. If students neglect the first report of the Section 3 notice, the instructor can file a second report. Students failing to react to the second report may be dropped from the course.
THE FUNDAMENTAL ROLE OF STUDENT LIFE is to support and enhance the University’s educational mission. At the core of all student services is a commitment to promote student learning. The living and learning environment at Lehigh should inspire, challenge and support students in achieving their full potential as individuals, members of the Lehigh community and citizens of a larger society.

The Pride Center

The Pride Center for Sexual Orientation & Gender Diversity is Lehigh’s resource for LGBTQ+ students and allies that exists to ensure that all students, regardless of their gender or sexuality, can bring their full, authentic selves to all aspects of their Lehigh experience. We do this through programming, student engagement, education & training, and advocating for inclusive policies & practices. There are many ways that Lehigh students can engage with the Pride Center, including through joining a student organization, living in the Pride Residential Community, applying to work on the Pride Center Student Staff, interning in the Pride Center, and more.

Visit studentaffairs.lehigh.edu/pridecenter or email inpride@lehigh.edu for more information about getting involved.

Office of Fraternity and Sorority Affairs (Greek Life)

For more than 125 years, the Greek community at Lehigh has been an important part of the student experience. The OFSA supports over 30 fraternities and sororities on campus by focusing on scholarship, leadership, service, community, advocacy, safety and wellness. Additionally, OFSA works to foster brotherhood and sisterhood, promote academic excellence, and ensure that Greek students are active contributors to the campus community. Students interested in joining Lehigh’s Greek community are encouraged to participate in the annual recruitment process, which occurs in the spring semester each year. studentaffairs.lehigh.edu/ofsa

Since the 1950s, fraternity and sorority houses have been located along the winding roads of South Mountain. This area is known among students as “The Hill.”
Office of Multicultural Affairs
The Office of Multicultural Affairs promotes Lehigh’s commitment to diversity and inclusion through providing resources and advocacy for students from historically marginalized populations. Our goal is to help retain and recruit these students while enhancing their experiences through cultural programming, workshops, support groups and education. With a focus on social justice, the OMA sponsors the Council of Cultural Organization, which is comprised of 16 culturally based student clubs and organizations that provide educational, social and philanthropic programs for the Lehigh and surrounding community. One of the most popular programming initiatives of the OMA is the celebration of heritage months throughout the year for the entire campus to enjoy, participate in and learn from. studentaffairs.lehigh.edu/oma

Support Services for Students with Disabilities
Lehigh University is committed to ensuring “reasonable accommodations” to students who are substantially limited by a diagnosed disability. It is the responsibility of students with disabilities to identify themselves to the appropriate university contact person and provide the required documentation in order to receive accommodations. studentaffairs.lehigh.edu/disabilities

Women’s Center
With over 30 energetic and dynamic student staff members, the Women’s Center sponsors discussions, activities, and customized workshops on topics connected to women and gender including gender globally, body positivity, and gendered behaviors in the workplace. This year, we will also focus on women in/and politics and representations of Lehigh women and men. We offer a comprehensive staff development curriculum: education on the issues and transferable skills for activism and the workplace. Consider joining our highly collaborative team or attend some of our events to create gender equity inside and outside the classroom. studentaffairs.lehigh.edu/women
The Office for Gender Violence Education and Support

The Office of Gender Violence Education and Support works to change campus climate and culture around sexual assault, intimate partner abuse, and stalking from a healthy relationship and strengths based approach. The office provides year round educational programs in the form of campus-wide events, interactive workshops, awareness campaigns, and speakers on a variety of topics including healthy sexuality, communication of sexual consent, and ending rape culture. Break the Silence peer educators aid in these educational efforts. The office also offers students support through campus and community resources, accommodations, and information about university policies and procedures. Advocates, specially trained staff members, are available 24/7/365 to assist survivors of gender violence. studentaffairs.lehigh.edu/content/gender-violence-education-support

Equal Opportunity Compliance Coordinator/Title IX Coordinator

The Equal Opportunity Compliance Coordinator, who also serves as Lehigh’s Title IX Coordinator, is a resource for all Lehigh students on issues relating to discrimination, harassment, retaliation, and sexual misconduct. The EOCC provides education and training on these topics throughout the year. The EOCC is also available to discuss any questions or concerns relating to these topics and to explain the University’s processes and procedures available for responding to these types of incidents. The EOCC coordinates with other offices on campus to provide support for those who have experienced discrimination, harassment, retaliation, or sexual misconduct and to foster a safe and inclusive environment for all students. titleix.lehigh.edu

COUNSELING SERVICES

COUNSELING & PSYCHOLOGICAL SERVICES

Counseling Service (UCPS) is dedicated to the belief that a person’s college years are optimally a time of challenge, inquiry, experimentation, productivity, and change. Our services are primarily designed to help students thrive in meaningful ways -- to grow in self-understanding in order to make optimal use of their personal and interpersonal resources. Individual counseling, group therapy, faculty/staff and family consultation, and numerous outreach activities are some of the primary means by which we attempt to accomplish our mission to serve this community. We are also devoted to helping students manage the occasional crises that arise at this time of life. UCPS psychologists are committed to providing assistance to all registered Lehigh students interested in personal, social, and academic growth and discovery, as well as to the larger campus community through consultation, academic teaching, research, peak performance training, and various other types of involvement. Some of the services offered are below.

Group Counseling/Psychotherapy:

Group is an opportunity available to students who are in need of a supportive environment that assists them in establishing and maintaining close and gratifying relationships with others. Group can give students better understanding of their relationships with others and assist them in sharing their internal thoughts and feelings with peers in exchange for honest and helpful feedback. Weekly group sessions typically last 90 minutes and students often participate in group for a full year or more.
Individual Counseling

Individual counseling and psychotherapy sessions can be as varied as the students who seek counseling. Sessions can range from dealing with stress, to managing relationships, to overcoming an eating disorder. They typically last 45 minutes, and students may be seen for a single session or for a number of sessions.

Consultation for Families/Friends

UCPS provides consultations to parents, family and friends who are concerned about their child, relative or friend. Such consultations can focus on a range of issues. Common topics include: how to refer a student to the UCPS, how to assist a student experiencing a difficult situation, or how to facilitate a referral to a mental health care provider in the local community. To speak with a UCPS staff member about your concerns please call the UCPS at (610) 758-3880 and ask to consult with one of our counselors. A staff member, if available, will speak with you at that time -- however if all are busy at that time, please leave a message with our administrative staff and a senior staff member will return your call as soon as possible. Further advice and resources for parents can be found at studentaffairs.lehigh.edu/content/parents-0.
bLUeprint is a premier and unique to Lehigh experience. We want students to intentionally create their Lehigh experience and make meaning of all their interactions, conversations, lectures, experiences, etc., using the Five Foundations for Student Success. We want student to discover more about themselves and Lehigh, explore the vast array of ideas and experiences in this community, connect what they learn inside and outside the classroom, and apply their understanding and insight to future endeavors. We want students to try new things, step out of their comfort zone, and reflect on who they are and who they want their college experience to help them be in the future. We want them to evolve into the best version of themselves.

While it is up to your student to create their Lehigh experience, we will shape their exposure and learning, using the Five Foundations for Student Success:

**Creative Curiosity** — Developing a creative and curious outlook to guide and shape every aspect of your life.

**Identity Development** — Developing into your own unique person, living out your carefully chosen values and beliefs.

**Collaborative Connections** — Shaping collaborative relationships and communities, utilizing your personal values.

**Inclusive Leadership** — Developing inclusive leadership skills that guide your decisions, actions and contributions to a diverse community.

**Professional Growth and Success** — Creating and living out a personal definition of success based on your interests, who you are, and what you want to contribute to the world.

---

**5x10**

During the first ten weeks of college, students will begin to develop new routines, create new social connections and begin to establish their place at Lehigh. We feel it is important to expose students to the multitude of opportunities that exist at Lehigh, and then reflect on those opportunities, so they can maximize their experiences. All first-year students are expected to attend five programs during the first ten weeks of the semester in at least three of the Five Foundations of Student Success.
The Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal law enforced by the U.S. Department of Education that protects the privacy of student educational records. Once a student reaches 18 years of age or attends a postsecondary institution, (s)he becomes the holder of privacy rights pertaining to his/her education records.

Unless students give consent, parents and/or guardians no longer have access to education records, such as a student’s grades or other “non-directory” information. Therefore, it is important that families discuss with their students their expectations for being informed about the student’s academic progress and standing.

FERPA does permit the University to contact parents and/or guardians when a student who is under the age of 21 has violated the University’s Code of Conduct related to drugs or alcohol. As a result, the University will contact parents or guardians for any violation of this type. The University will also contact parents or guardians if there is a threat to the health or safety of the student.

The University has created a Lehigh Parent Portal, which was designed specifically to provide family access to certain information in students’ education records. A mailing about the Portal, detailing the process for students to grant access to parents and family members, will be sent at the beginning of the fall semester. If the student agrees to grant access, parents and/or family members will be able to enter the Portal shortly after the second week of classes in the fall semester.
Reapplying for Aid

Financial Aid eligibility is determined annually, based on a family’s most current financial situation; therefore families must refile annually for financial aid. Financial aid eligibility will be updated based on changes in the costs of attendance for the new academic year, and the current family information including: Income; assets; number of household members; and sibling college enrollment. Complete applications for institutional aid are due by March 15 (preceding the new academic year). In addition, Satisfactory Academic Progress is required for aid renewal. Late applicants and those not making minimum academic progress may be denied financial assistance.

Changes in Financial Circumstances

Please contact our office and speak with your financial aid counselor if you feel there are extenuating financial circumstances. Your counselor may have you submit in writing the new information that was not available at the time you first applied for aid. Additional funding will depend on the availability of funds.

Outside Scholarships

There are many private scholarships your student may apply for, that may or may not be need-based. Eligibility is determined by various factors, such as academic or career goals. To look for a scholarship that matches your student’s interests and qualifications, you can access free scholarship information online at www.collegeboard.com, www.fastweb.com, or www.unigo.com. Be sure to view the outside scholarship policy on the Office of Financial Aid website to determine how receipt of outside scholarships may affect a financial aid package.
Work-Study

If your student’s financial aid eligibility includes a work-study award, it is important to note that it is neither an obligation nor a guarantee of an on-campus job. If students wish to take advantage of their work study eligibility, they must secure a job and work hours to earn these funds. Employment is readily available at Lehigh, so students have ample opportunity to earn their full awards.

Communication with Students

At the point that your student starts school, the Office of Financial Aid will direct all communications to your student. Most communications will be sent via email to your student’s Lehigh email account. Be sure to have your student check their Lehigh email regularly. Also, it is advisable that your student check the Financial Aid section of the student portal on a regular basis for any missing information requests or updates to award information.

Visitor Parking
If you are planning to stay overnight on or near campus and plan to park on campus, you are required to purchase a visitor permit at a cost of $5.00 per day. Visitors may purchase a visitor permit in the Parking Services office, located in 106 Johnson Hall, 36 University Drive. Visitors may also park at and pay a brown meter if they are unable to obtain a permit or if they arrive when the Parking Services office is closed. Please note that all meters are monitored and must be fed from 6:00 AM – midnight. Visitors may also park in the Zoellner garage at $1/hour on level 1 from 6:00 AM to 11:00 PM (no overnight parking permitted), the metered spaces in the in the Morton Street garage (next to Farrington Square), bottom level, or in the bottom level of the Alumni Parking Pavilion. Permits are not required to park in any of the metered spaces in campus garages. Please contact us for help in planning your visit or if you have questions! (610)758-7275, inpark@lehigh.edu.

Obtaining a Parking Permit
Sophomore, Junior, and Senior students living on-campus may purchase a parking permit through the Parking Services office by visiting go.lehigh.edu/parking. Permits will be assigned as close as possible to the student’s residence hall. If needed, students may also use on-campus permits to park in the commuter lot at Mountaintop Campus during school breaks. All students living off-campus are required to purchase a permit if they wish to park on-campus.

SMARTparking
SMARTcards can be loaded with money to simplify the parking meter process. Instead of carrying quarters, just use your SMARTcard to pay any meter on Lehigh’s campus. SMARTcards are available at the Parking Office and Lehigh Bookstore. The SMARTcard can be used to put an extended amount of time on the meter, and when you return, simply reinsert the card and the unused time will be refunded to the card.

Family Weekend

All families are invited to join Lehigh for Family Weekend! Family Weekend 2016 will be October 7th - October 9th. Many members of the faculty, including academic advisors, will participate in the weekend events, giving families the opportunity to interact with a variety of individuals. Families are invited to attend any of the scheduled activities which include the Lehigh football game against Colgate, tailgate party, informative college presentations, and much more!

FAMILY WEEKEND 2016 WILL FEATURE A HOME FOOTBALL GAME AGAINST COLGATE. COME JOIN IN AND CHEER ON THE MOUNTAIN HAWKS TO VICTORY!

Lehigh-Lafayette

The 152nd meeting of the Lehigh and Lafayette football teams will be held November 19, 2016 at Goodman Stadium. Tickets are available through the Athletic Ticket Office. Along with coming to the game to cheer on the Mountain Hawks on their home turf, all families are invited to join their students for a week of festivities on the Lehigh campus. If you are unable to make it to campus, contact the Alumni Association for information on joining Lehigh alumni, families, and friends for telecasts around the country. Go Mountain Hawks!

The Lehigh-Lafayette football game is the most-played rivalry in college football. “The Rivalry” began in 1884 and has been played every year since 1897. It's often said that Lehigh could go 1-and-10 and the season would be considered a success – as long as the one win was against Lafayette.
Parents Giving Program

Through the Parents’ Giving Program, parents and grandparents support programs that enhance the Lehigh experience. In addition to annual gifts to the Lehigh Fund, parents and grandparents also contribute to capital and endowed funds, such as scholarships, professorships, building funds, academic programs, and more. Lehigh is grateful for their generosity.

Parents’ Council

Parents and grandparents also participate in their students’ Lehigh experience through membership in the Parents’ Council, an advisory and advocacy group whose members serve as ambassadors on behalf of the university. Members are invited to campus meetings, special events, and serve on advisory committees as needed. More than 70 families make leadership gifts that totaled over $2 million last year. Their support has an immediate and lasting impact in the lives of our students. Members are invited to exclusive events during Family Weekend, plus other events across the country. I invite you to become involved.

**evoLUtion SEMINAR** – An interactive seminar led by a faculty or staff member and a student leader that compliments the first-year curricular experience.

**GRYPHONS** – Known as Resident Assistants at most other universities, Gryphons are undergraduates selected by the Office of Residence Life to live with the students in residence halls and serve as an immediate source of support and assistance to them.

**HAWK’S NEST** – On-campus diner with late-night hours, located in Lamberton Hall student center.
